OCTOBER 7-13

FIRE PREVENTION WEEK

The week of Oct. 7 to 13, inclusive has been designated as Fire Prevention Week. During this week the staff, the members of their families and all residents of the community will have the opportunity of joining in a campaign to make our homes, schools, places of business and employment safer from the hazards of uncontrolled fire.

Therefore, I earnestly request each of you to devote special thought and effort during Fire Prevention Week to detecting and eliminating fire hazards within your own control. I request the community organizations, schools and employee groups to lend themselves to the stimulation of the public purpose to reduce and eliminate losses by preventable fire.

I also direct all members of the staff and each employee to give the widest possible support and assistance to every effort to inform and instruct the people with respect to the importance of the Fire Prevention Week Program.

DIGEST OF LAND LAWS OF VARIOUS STATES GIVEN

Alien land laws in the various states of the United States vary widely, running the range from prohibition of ownership to no restriction at all. For the information of people planning resettlement Edwin Ferguson, solicitor of the WRA, has made a study of the land laws of the states and has furnished the Tule Lake Center Administration with a digest of them and their operation.

Particularly as they affect Japanese aliens, says Ferguson, it may be stated generally that in 18 states of the Union, Japanese aliens who are residing in the United States may acquire and dispose of real property without restriction. These are Alabama, Colorado, Connecticut, Delaware, Florida, Maine, Massachusetts, Michigan, Nevada, New York, North Carolina, North Dakota, Ohio, Rhode Island, South Dakota, Tennessee, West Virginia, and Wisconsin. Also, there are no restrictions placed on alien acquisition and disposal in Hawaii, Alaska, and the District of Columbia.

The right of aliens to acquire and dispose of real property without restriction also is recognized in four additional states when aliens have established residence within the state, these being Iowa, Mississippi, New Hampshire and Oklahoma.

Arkansas' 1943 law prohibiting land ownership by persons of Japanese descent, and Wyoming's 1943 statute prohibiting land ownership by aliens ineligible to citizenship, very probably would be found under test, in Ferguson's opinion, to be in violation of constitutional provisions in both states that no distinction shall be made between resident aliens and citizens with respect to possession or enjoyment of property.

The provisions of New Jersey's laws are such that the vast majority of aliens of Japanese descent are eligible to hold land. Restrictions apply to any arrested or interned. New Jersey, along with Georgia, Kentucky, Maryland, Pennsylvania and Virginia limit land ownership to "alien friends" and with the signing of peace terms with Japan "alien enemy" restrictions are being removed. Kentucky will continue a restriction of 21-year land ownership for Japanese aliens, and in Pennsylvania ownership will be limited to 5000 acres in area, and $20,000 in net annual income.

Aliens ineligible to citizenship are prohibited

827 DEPARTURES MADE FROM TULE SINCE JANUARY 1

Including departures scheduled for today, 827 persons (with last-minute changes perhaps altering the figure slightly) will have left Tule Lake Center for resettlement since the first of this year, when relocation from this center began after lifting of the blanket West Coast exclusion order by the Western Defense Command, figures compiled by the Relocation Division show.

Of this total 564 (subject to any changes in today's schedule of departures) will have left the center on terminal leave during the month of September alone.

Housing data compiled by Joe Thomas, administrative officer supervising housing, show Ward IV to be leading in the number of departures, with Ward I running second, Ward V third, Ward VII fourth, Ward II and Ward III fifth, Ward VIII sixth and Ward VI seventh.

BACK TO STANDARD TIME ON SEPT. 30

WASHINGTON -- President Truman signed legislation Tuesday re-establishing standard time at 2 a.m. Sunday, Sept. 30.

On that day, the nation's clocks will be turned back one hour to end daylight saving time.

Daylight saving time or war time was established by Act of Congress on Jan. 20, 1942, to increase the daylight hours of production and to save fuel, light, and power.

SHOULD NOT INQUIRE ABOUT BANK LIQUIDATION PAYMENTS

Advice was received this week by Louis Noyes, project attorney, from Kent Silverthorne, assistant solicitor of WRA in San Francisco, that persons having claims against the Yokohama Specie Bank and who have filed their claims, should desist at this time from asking information regarding the liquidation, since a flood of such inquiries is acting to hamper the liquidation proceedings.

Persons who have not filed claims, however, are advised to do so immediately.

George Mills of the California Banking Department, which is in charge of the liquidation, has informed Silverthorne that the State Superintendent of Banks hopes to be able to make the first liquidation payments not long after Oct. 1, and that cessation of the flood of inquiries may be a factor in bringing this about.

Mills atated that answering the inquiries is consuming time and money which will be reflected in lessening of the amount of dividends payable. Persons who have made their claims, he said, need have no fear regarding receipt of payments, without further inquiries.

Only about 50 per cent of the depositors have filed their claims, however, and those who have not done so should hasten to rectify this failure, Mills said, in order to avoid delay in liquidation and dividend payments to all.

ABOLISH RULES ON NISEI EMPLOYMENT

The Administration received word this week from Dillon Myer, director of WRA, that the Civil Service Commission has abolished "all special procedures governing the employment of American citizens of Japanese origin in the federal government."

"Such American citizen eligibles," Director Myer said he had been informed by the Civic Service Commission, "will henceforth be certified and may be appointed in the same manner and in accordance with the same procedures as any other American citizen eligibles."

S.F. MAYOR WRITES ON MIYAMA CASE

Mayor Roger Lapham of San Francisco has informed Mrs. May Miyama, 4806-D, that the recent incident in which the mayor backed her husband, Takeo Miyama, former Tule Lake Motor Pool employee, in sticking to his job as electrician-mechanic in the San Francisco Railways Municipal bus barn, has attracted world-wide attention.

Mrs. Miyama had written Mayor Lapham expressing appreciation of his action in behalf of her husband. In reply, Mayor Lapham wrote Mrs. Miyama:

"I have your letter expressing appreciation to me for the treatment accorded your husband, Takeo Miyama.

"You may like to know that this incident has attracted a most unforeseen volume of letters--about 95 per cent of them approving my stand and about five per cent differing. These letters have come from all over the world, and many of them from servicemen who fought with Nisei boys and who knew them as loyal fighting men.

"I am pleased that this matter has been amicably settled, and I wish to thank you for writing to me."

RESETTLED EVACUEES ASKED TO FILE ADDRESS CARDS NOW

Several postmasters on the West Coast have advised the WRA, the Administration has been informed from Washington, that they are having difficulty in making mail deliveries to resettled evacuees.

The postmasters have asked that resettled families visit at once the post office through which they expect to receive their mail, and file address cards with names of all family numbers, at the same time checking with the post office on the correctness of street addresses and rural box numbers. This applies to people returning to previous addresses as well as newcomers, because in many instances numbers have been changed during the time the evacuees have been away.

MORE ON ALIEN LAND LAWS

(cont'd from page 1)

from owning land or interest in land in Arizona, California, Idaho, Kansas, Louisiana, Montana, New Mexico, Oregon, Utah and Wyoming, with the Wyoming law, are previously noted, probably being unconstitutional. The Louisiana prohibition is contained in the constitution, but has not been applied by the state, and in some of these states the prohibition is modified to the extent that land may be acquired by inheritance, or that land acquired by satisfaction of judgment in lien or mortgage proceedings may be held for short periods. Also, leasing of land for one of two years is permitted under a few statutes.

In Illinois, a Japanese alien may hold title to real property for not more than six years, and in Indiana he may acquire up to 320 acres without restriction, with a five-year deadline for disposal of any excess.

Japanese aliens may acquire up to 90,000 square feet of land in Minnesota without restriction, and if they actually occupy farm lands with intent to continue to reside on them, they may acquire title to a maximum of 160 acres.

In Missouri, an alien who has not declared intention to become a citizen may not acquire real property except by inheritance or in collection of debts, and this would apply to Japanese.

Land may be acquired within the corporate limits of cities and towns in Nebraska, and other lands may be leased for not more than five years.

In South Carolina, aliens may acquire up to 500 acres.

In Texas, land may be owned in incorporated or platted cities, towns and villages.

Vermont's provision for swearing of allegiance to the state is believed by Ferguson amenable to construction to prohibit Japanese aliens, who are not eligible to citizenship, from acquiring land in that state.

LOCAL NISEI IS WINNER OF REED COLLEGE SCHOLARSHIP

A resident of Tule Lake Center won a signal honor this week, in competition with residents of all the other eight WRA centers, with announcement by Reed College of Portland, Ore., of the awarding to Walter Mido of the $600 scholarship for the 1945-1946 college year it offered recently to "an American-born student of Japanese ancestry who has been the subject of the West Coast evacuation policy."

The winner of this outstanding scholarship, one of the highest of its kind in monetary value in the United States, is a member of the staff of Dr. Marvin Opler, community analyst, who was a member of the faculty of Reed College for five years before entering his present work. Word that Mido's standing had been the highest in the examination all applicants were required to take was received by the Administration Wednesday.

Mido will be awarded the scholarship officially by the President of Reed College at a public open-air gathering on the campus, attended by students and faculty. He will live in a college dormitory and will have a part-time job to help further with his college expenses.

The scholarship is sponsored by the Portland Citizens Committee to Aid Relocation, and the funds are provided by Reed College and a group of anonymous donors.

"Atarashiki Kazoku," a Shochiku Ofuna production, features Saito Tatsuo, Miyake Kuniko, Saburi Shin, and Katsuragi Fumiko.

SOME SUBJECTS ON TWO-PERIOD BASIS

Guy Cook, high school principal, stated today that with the opening of the new semester, some subjects in the high school curriculum will be offered on a two-period basis.

This plan will make possible the earning of one-half unit of credit in nine weeks or one credit in eighteen weeks. Thus, students who relocate midway during the semester will have one-half credit in each subject taken.

SEEK RETURN OF RATION BOOKS

The Relocation Division today reminded persons who have been on short-term leave must return to the leave officer the ration books issued to them for the trip if they are not to jeopardize their future holding of such books.

Ration books are not issued permanently to persons leaving on short-term leave, but only for the duration of the leave, the Relocation Division explained. When persons depart on terminal leave, they are issued ration books to be retained, but before this can be done, their records must be clear with regard to any books previously issued temporarily.

The Relocation Division advised that all persons who have had temporary ration books charged to them and who have neglected to return them, do so at once to avoid any question arising in the future as to their right to have permanent books issued them.

BLOCK 81 COPS NIKO - NIKO CROWN

THREE CIRCUIT BLOWS HIGHLIGHT PLAYOFFS

Winning two straight games from the Block 68 ten, Ward VIII's Block 81 aggregation captured the Niko-Niko League Softball Championship sponsored by the Tule Lake Seinen Dan. The victorious softballers copped the opener, 5 to 3, and repeated with a, 5 to 2, win Sunday at Field #26.

The triumphant team received a banner presented by the NEWELL STAR and silver medals awarded by the sponsors.

Although outhit by the strong Block 68 squad, the victors relied on timely bingles and miscues by the losers to win the title play-offs.

BLOCK 81 COPS OPENER, 5 - 3

Yutaka Nakamura, 44 years old outfielder, paced the Block 81 ten to the initial win on Saturday by smashing out a homer into deep center field with two men on, scoring the decisive tallies. Chucker Ben Taketomo drove in two digits in the third inning on a hard hit single.

Despite the seven safeties garnered by the Block 68 batsmen, the losers barely managed to send across two tallies in the fourth when George Amemiya connected with a towering four-bagger with a man on base. Jimmy Okita bagged two hits in the fracas.

Block 81's Taketomo was tagged with seven hits while Sam Kanetomo allowed five solid bingles.

TOYOS SINK BLOCK 49, 6-4 TO TAKE TOURNEY

With the cream of the Class B League crop participating, the mighty Toyos, who clinched the "B" loop pennant last week, proved their worth by copping the top spot again in the exhibition elimination tournament held over the week end. True to expectations Toyos and the Block 49 Nikkos polished of their opponents on Saturday to cross willows for the tale-deciding contest Sunday. Toyos blanked Pacers, 5 to 0, while Block 49 whipped Minodes, 21 to 5. In Sunday's tilt which was held at Field #3, Toyos emerged victorious, 6 to 4.

TOYOS TALLY FIRST

Toyos drew initial blood by scoring four runs in the third chukker. With two men on, Leftfielder Art Tanabe smacked a rousing four ply blow, causing most damage. George Takeda accounted for the first tally by bingling with a player in scoring position.

In their portion of the third, Nikko's Satoru Harada connected a single driving in two teammates. Block 49 boys knotted the count 4-all when, in the seventh, two more digits materialized.

Toyos' clinched the tilt when pinch-hitter Harry Kawasaki tripled with one on, and in turn spiked rubber.

Winners' Mish Uyeno allowed 13 hits, while losing hurler Iwao Nakatani, yielded eight safeties.

ALL STAR NIKO - NIKO TILTS OVER WEEK END

Featuring many of the top-notch Niko-Niko League softballers, All Star softball contests will be held Saturday and Sunday, announced Seinen Dan who are sponsoring the titanic two-day event. Both tilts will be held at the Block 26 diamond starting at 2 p.m.

According to Seinen Dan, seven Block team members will participate. Players from Block teams 81, 49, 39 and 36 comprise the North group, with Hiroshi Hoshiko and Takeo Kikuchi of Blocks 39 and 81, respectively, acting as helmsmen. The South squad includes players from Block teams 68, 19 and 15, with Block 68's Hajime Takemoto and George Wada of the Block 15 aggregation, taking over the managerial duties.

Awards will be presented the winners by the sponsor, it was disclosed.

the Block 68 ten to defeat in the second tilt held Sunday, as the titlists registered a 5 to 2, victory. Kanetomo, chucker of the vanquished ten, pitched a one-hitter and Taketomo allowed five hits.

Starting off with a three run rally in the first canto, the Block 81 ttan hit pay dirt once in the third and in the fifth frames. Taketomo banged out a Texas leaguer in the third inning for the lone hit.

By snagging a would-be home run ball, outfielder Nakamura stepped the late inning rally staged by the Block 68 ten in the sixth inning. The third circuit clout was seen in the sixth when Mits Asahara smashed one to left field.

STRONG ATHLETIC TEN COP AMERICAN LEAGUE CROWN

To decide the Independent Softball Championship, the Athletics, titlists of the American league, will clash tomorrow at Field #46, 2 p. m., with the winner of the Moonshiners versus Loafers Inn engagement held last night, in two out of three series. Last night's result was not available at press time.

The strong Athletics set-back their closest competitors, the Block 42 Bruins, 1 to 0, and the Akagi aggregation, 4 to 1, during the week to capture the American loop crown. Athletics completed their schedule with seven wins and one loss.

In the wild scramble for the top berth in the National circuit, the Suburbans were eliminated from the running when the Moonshiners downed the favored Ward II men, 3 to 1, Tuesday at Field #46 in playing off the second three-way tie.

Suburbans' and Loafers Inns' hopes for an early league victory were smashed when the Ramblers, led by Angel Kagiyama, upset the highly favored Suburbans, 2 to 1, Sunday at Field #37, and when the unpredictable Burn Ups toppled the Loafers Inn ten by an identical score last Thursday. The loop race again saw the lead deadlocked among the top three as the Moonshiners suffered a, 5 to 1, defeat at the hands of the Suburbans in a previous fracas.

Breaking out with a four hit three run uprising in the big sixth canto, the Moonshiners downed the Suburbans, 3 to 1, Tuesday, to earn the right to meet the Loafers Inn squad for the loop leadership.

Steady Oscar Shimozaki quieted the vaunted Suburban hickory-men, allowing four scattered bingles. Taiji Isono was touched for five safeties.

Single base hits by Yosh Uyeoka, Shimozaki, Yoshito Tomooka and Yosh Negi paved the way for the decisive flare-up in the sixth. Taking advantage of the sudden weakening of the defense, the victors send across three digits to sew up the crucial game.

GOLF CHAMPIONSHIP TOURNEY UNDER WAY

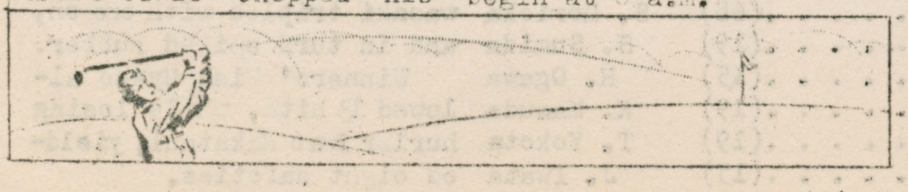
NAKANO NOT DEFENDING 'B' TITLE

Defending A Flight Champion Sammy Okazaki got off to a smooth start in the Tule Lake Golf Club's 1945 championship match tournament over the week-end. Last year's B Flight Champion Toshitaka Nakano failed to make an appearance to defend his title.

On Saturday consistent Okazaki received a forfeit win from Chikao Yamaguchi, and the following day defeated Chuckson Miyamoto, 2-up. Rev. K. Taira edged Isao Hayashi 1-up on the extra hole in the opener, and continued his winning ways in the semi-finals by outswinging S. Kanegawa for the 18-hole distance. Frank T. Nakamura waltzed over the Tule green nipping Harry Hankawa 2-up Saturday, and remained in the title chase by upsetting Yuzu Susagano's applecarte, 5-4. M. Ino profited by a forfeit win in the semi-finals after defeating George Kawasaki, 2-up, the previous day.

In the B Flight category Ichiro Ushio chopped his way across the layout to eliminate Umesuke Matsuo to 2-1 count. Flight B contestants coming out unscathed over the week-end are Ushio, Dr. T. Fujii, M. Nakamura and Teruo Hirata.

The three-quarter and final match plays will be held this Saturday and Sunday, it was announced by Tule Lake Golf Club. Both contests are slated to begin at 8 a.m.



'B' HARDBALL FINAL BATTING STANDING

正金銀行預金者への
第一回拂出し、十月初旬

法律顧問ノイズ氏が正金銀行預金者拂出しに関し桑港WRA法律事務辨理士シイルバーメン氏より左の如き注意事項を接受した。

現今正金銀行拂出し請求書を提出した者が其清算に関し種々の問ひ合せを爲し其事務を制束する虞がある故斯る問ひ合せは遠慮する様懇請した。但し預金者でまだ請求書を提出して居ない者は至急手續する様懇願した。

尚正金銀行財政管理に携はつてゐる加州銀行課員ミル氏よりス氏宛の情報に依ると第一回拂出しは十月初旬に行ふ豫定で、預金者が事務の遂行を防害せざれば豫定通り拂出しも出来るが、問ひ合せ状を乱発すれば其返事に時間を空費し又不必要な経費を計上し其割当支拂額にも影響する事実と請求書に対し必ず拂出す事実を認識し、今後は斯る問ひ合せを中止する様注意した。

尚ミル氏は預金者で現在其請求書を提出した者は五割に過ぎざる故残餘の預金者は至急手續を採る様注意を喚起した。

合衆国州別外人土地法
十八州は外人土地法皆無

合衆国外人土地法は州別に制定され、或州に於ては外人の土地所有権は許可されざるも又他州に於ては外人に対し全然制限令は無く自由に購入を許可して居る事実に鑑み転住局法律事務辯理士ファーグソン氏は転住日本人の便宜を図る為左の如き説明を試みた。

合衆国内に居住する日系外人に対し制限令を制定せず土地の享有を認可して居る州は、アラスカ、コロラド、カネティカット、デルアウエア、フロリダ、メイネ、マサチユセツト、ミシガン、ネバダ、紐育、北カロライナ、北ダコタ、オハヨ、ロードアイランド、南ダコタ、テネシー、ウエストバージニヤ及ウヰスコンシンの十八州に上り其他布哇アラスカ、コロンビアの地域が開放されて居る。為州に定住権を樹立した外人に対し土地の所有権を認可して居る州にアイオワ、ミシシッピー、ニユーハンプシヤー及オクラハマの各州がある。

ニユジヨージー州の外人土地は捕縛又はインターンされた日系外人に対し土地所有禁止の特殊的制限を加へて居る。故いでジヨジア、ケンタッキー、メリランド、ペンシルベニヤ、バヂニヤーの各州は外人に対し土地の所有権を制限して居たが、日米戦争の終了と共に其法則に修正を加へつつある。ケンタッキー州は日系外人に対し廿一年間土地の所有を禁止し、ペンシルベニヤ州は五千英加の所有とそれに依る年収入を二万弗迄に制限して居る。

市民権を獲得出来ざる外人に対し土地の所有及営業用借用を禁止して居る州はアリゾナ、加州、アイダホ、カンサス、ルイジアナ、モンタナ、ニユーメキシコ、オレゴン、ユタ及倭州がある。但しルイジアナ州は現在迄外人土地法違反の廉で摘発したケースはない。

尚斯る州の内には外人土地法に修正を加へ相続又は債権に対する留置権或は擔保として短期間の所有権を許可される場合がある。又特殊の事情の下に一、二年の土地リースを許容して居る。イリノイスでは日系外人の土地所有権は六年間を限度とし、インディアナ州は三百廿英加五年間を限度として居る。ミネソタ州は九万平方呎の土地収得が許可され農業に依り生計を継続する場合は百六十英加の所有権が認可されるミゾリ州は市民権獲得を表示せざる限り相続には債権の抵当として収得する以外は其所有を拒否されて居る。ネブラスカ州、テキサス州は自治団の市及町に於ては土地の所有を許可されるが、ネブラスカは他地域に於ては五年のリースに制限されて居る。南カロライナ州は五百英加迄を限度とし土地の購入を許可されて居る。

当所の転住者
総数八二八名

本年当初以降本日出発予定者を包括する(出所直前の予定変更者の為に幾分の変更あるやも知れず)転住者は八二八名に上ると。

尚右の内九月中のみの永久的転住者は五六四名で住宅部主任行政官トーマス氏の住宅調査資料に依ると出所者数の筆頭はワード四で次がワード一其れよりワード五、七、二、三、八、六の順位となつてゐると。

転住者は新住所を所居郵便局に報告

西部沿岸に執務する数名の郵便局長よりWRAに提出された注意事項に基き華府本部が管理部に通達した処に依ると郵便局では転住者の郵便物配達に関し難渋して居ると。

転住者の郵便物配達万全を期する為転住せる家族は自分の郵便物取扱をなすであらうと予想される局に転住後直ちに出頭、全家族員の姓名を住所カードに記入し市街名、番地、村落郵函番号が正確なりや否やを局に照査するやう局長は要請して居る。

因に立退中に多くの番地が変更されてゐる故、新来者と同様に立退前の同一住所に帰還する転住者も一様に上述の手続を履まれたいと。
