COMMENTS FROM NON-ATTENDEES

THERE WERE MANY THAT WERE UNABLE TO ATTEND THE REUNION FOR ONE REASON OR THE OTHER AND WE THOUGHT YOU WOULD LIKE TO SHARE WHAT THEY HAD TO SAY.

Please send souvenir booklet. Also, please send posters, photographs etc and I will reimnburse you for all the costs. Good luck, happy reunion and my best regards to all. Official (job) obligations keep me from attending.

LUCIUS H. HORIUCHI

Please send souvenir booklet. Sounds like a winner! Sorry I won't be able to make it.

SHIZUKO OCHIAI OKAZAKI

Regret not being able to attend. I can personally assure that the communion we feel as inmate classmates from Hunt (and elsewhere) is a source of strength. The Japanese are finding (in a re-evaluation of sorts) that the Nisei experience is inspirational - like something out of a Jidai-mono. Have fun!

CLAUDE G. & DINA C. MORITA

Forty years! My how time did fly by. I'm very disappointed cause I will not be able to attend and rehash old times. I looked through my old photo album and tried to imagine how everyone would look like and doing now. Much success on the reunion - know that alot of time and work is involved. Regards to all.

TOSHI KIRITA KAMADA

Thank you for inviting me to your reunion, but I will be unable to come. I know you'll have a wonderful time as did the clases of '43 and '44 in '83. Since I left in '44 I wonder how many of you I had in my Biology classes - - maybe in '43 or '44.

FRANCES HAGLAND

It was really good to see all my friends at the last reunion. It reminded me more of Washington School and Bailey Gatzert, as I didn't see much of you at camp. I won't be attending this year's reunion - Ray died of cancer last year. This year we'll let someone else get the most children prize.

CHARLOTTE NAKAMOTO KIKOSHIMA

What a shock to realize that 40 years have gone by. Where did the time go? My recollection of camp remains quite vivid, but alas many faces and

names have faded away over time. What a grand idea, Hunt High School reunion of '46. Unfortunately the time did not fit for me but I am interested in a souvenir book and wish to be placed on the mailing list.

Please send my regards to all and hopefully you will have another reunion and in Seattle. I was out there for the first time a year ago during the NCAA and we loved the area and hope to tour the countryside on our next visit. Sincere and best wishes for a successful reunion.

RUTH H. KAWAHARA DONOHUE

[redacted]

* Note: (Ruth wrote a long letter about what she has been doing the last 40 years for anyone who may wish to read it).

Thank you for sending me the flyer informing me about the Reunion '85. It sounds like you'll be having a great time. I'm sorry I won't be able to attend but would like a copy of the souvenir booklet.

MARY OGASAWARA MURAMOTO

At this time I cannot say for sure whether I can be in Seattle to join in the festivities as I have some business in China to take care of. But, I am sending in my application anyway with the cost in the likelihood I can get away from my prior commitments.

If I am unable to attend, plese keep the cost. Please send me a souvenir booklet of the reunion.

For anyone who wants to know, my base of operations is here in Tokyo for the past 30 years although I am involved in a San Jose, CA high tech company which requires me to be there several times a year. My namecards are attached should anyone wish to contact me when they are out this way.

Unable to attend due to conflicting commitment but would love to have a souvenir booklet. I hate to miss this great event but my best regards and hello to all!

HIRO (HEIDI) SHIOGI INAHARA

I am writing because I cannot make the REUNION which I had intentions of attending for over a year. I have recently moved and there is no way I

can make this trip. I had planned to attend and then on Sunday evening go down to Portland, but at present I cannot go. If I am able to make a very last minute decision in late July, then I might, but that is very, very doubtful. I have not been back to the West Coast since leaving Minidoka, Idaho. I would have loved to make this trip.

MINO HIROMURA

[redacted]

Since receiving your notification of the date's of the Reunion I find that it will be impossible for me to get away at that time.

Looking over the list of early registrants and contact personnel, certainly has brought back many fond memories. Pat Oyabe, if he's the same one that attended Maryknoll school, was on our basketball team in Seattle.

My very best wishes for a real happy and successful Hunt High Reunion!!
