PHILLIP RAYMOND FLORES  
1947 - 2021

# CELEBRATION OF LIFE

Phillip Raymond Flores was born in San Bernardino, Ca on July 23, 1947, to Paula & John Flores. Phil graduated from Chino High School, then worked as a barber, before he began his long career of noble service to the California Highway Patrol in 1971. He served the community faithfully for 30 years - in various units from highway patrol, to undercover units, drug enforcement, and commercial vehicle inspection supervision - until his retirement under the rank of Sergeant.

He was an active member in his home churches, enjoyed walking his dog family, and loved everything planes, trains, and motorcycles. Phil had a great love of God, spending every day in study, and in gratitude for His blessings; and showed that love through hosting Bible studies, and assisting in the homeless ministry by providing blankets, coats, and meals. Spending time with his family & close friends meant so very much to him - whether a special annual camping trip, taking a ride together, or just making memories of the day.

Phil went to be with his Lord on November 12, 2021; and was a dedicated son, brother, husband, father, and grandfather, survived by his wife, 3 brothers, sister, 2 children, 4 step-children, and 6 grandchildren.
