Dear Kune,

It was so nice to hear from you and to know you all are well and fine.

For myself everything is going along as it should except I am in Italy and would rather be in France serving a certain A.T. Company of which I am very fond.

We have been deluged with rain and hence the mud for the last week. It has been slightly discouraging but today the sun has come out and everyone is very lazy. It's amazing how the weather can change peoples spirits.

The war news sounds wonderful but until it finally and actually over I cannot be optimistic as so many have been optimistic before and it has come to no good.

We have been very busy lately as we have been working in a club as well as doing our clubwork and it has really kept us hopping. So I hope you will forgive me for not answering your letter sooner.

I hope everything continues to go well with you all. Say hello to all the boys for me and take care of yourselves. Always, Shirley
