Dear Anna,

Congratulation on your project: the Airborne and Special Operations Museum Foundation.

Mr Harry Akune passed on to us the December, 1998, issue of the "The Legend Continues..." and an e-mail dated 12/30/98 from Patrick K O'Donnell. Mr O'Donnell quoted a Chicago Tribune article: THE DROP ZONE GIVES VOICE TO ORAL HISTORIES OF WW II by Charles Leroux. The article began with "TORO HIROSE..."

Toro was a member of our Anti Tank Company, 442nd Regimental Combat Team.

Our Chapter had a monthly meeting yesterday and we decided to contribute a small amount to your Foundation.

There is a small group of AT men who meet regularly in Honolulu. I will forward this information to them, too.

Again, congratulations for your good work to keep before the eyes of the American people that Freedom was bought with a price.

Thank you again for your efforts.

Sincerely,

  
Henry Y Ikemoto
