THIS SIDE OF CARD IS FOR ADDRESS

Rev. Wendell Miller
University Meth. Church.
Los Angeles, Calif.

Dear Rev. Miller.

Greetings & such from
Camp:-

As late as it is for
me to be saying thanks
I do mean it -. It was
so good of you - what
with all my baggage -
I wondered if Bruce
wouldn't be a good idea
anyway. Thanks so much.

The first week saw
me in my trundle bed -
those typhoid shots and
an infected finger but
I'm ready to begin all
anew this week. Had our
second shot yesterday but
am feeling fine.

Our de-luxe 2 stall
stable is gradually beginning
to take on the appearance of
home. Could it be my
baggage - Anyway, we're
having fun trying. Regards

Sincerely, Mrs. Miller. All for now.
