

Rev. Wendell Miller,

University Meth. Church,

817 W 34

Los Angeles, Calif.

Dear Rev. Miller:

Thursday noon.
In the office -

It does seem a shame that I generally have to start out with an apology - mayhaps I'll learn to do better. but excuse please -

It was so good to hear your pleasant smiling voice again. Christian friends mean so very much -

The pass enclosed, you'll note, is for yourselves and Rev & Mrs Clay. I don't know how many of you can come. But I'll be more than glad to see you.

Just called Rev Clay and talked to him. -

Incidentally, I am not going to Granada but to Jerome, Arkansas - And you might know, there's a certain someone in Jerome - We're both so very happy. Rev. Clay said you'd been in Harbor City too - Fred is from there. His name is Ikeguchi and of course, to me, he's the most wonderful person in the world. I was planning to go to Granada and then to Jerome but the officials here couldn't give me any assurance as to "when" and "if"

So, Rev. Miller, I am Arkansas bound -

You know, there's such a prayer of thanksgiving in my heart - Oh, for so many things. Rom 8:28 really does hold true -
And I'm so ashamed to think that I would dare to doubt -

I only wish I could sit down and have a long talk with you, writing somehow seems so hard. But, I am happy and oh so grateful.

Oh yes, about my iron tractor - I'm going to get a permit so that the heavy loads can be left at the front office gate. I really would have to buy your braces - So, if at all possible, do you mind bringing the boxes and leaving them there. Someone from Housing is going to pick them up later.

We expect to leave Santa Anita about the 27th and should arrive in Jerome about the 30th or 31st.

I'll be waiting to see you folks and thank a million for everything again.

Sincerely,
Jane Harris
