Dear Frank,

Have so much to say to you, but I'm swamped with maddening obligations, endless work. Am finally determined to get the bedroom and my study cleared of debris, so the cabinet workers can come and measure, but ~~the~~ ^{the} day is over before I can get much done. So I'm just sending these few things ahead, and I plan to get to you via phone in the near future.

Isn't it amazing how quickly the summer's sped by us! Walter and I couldn't get away this year--just too much to do at home.

Hope you've seen Devra Lim, by now. She promised she would, about this time. She'll be coming to NYC in November.

Mits asked me to write something in support of his Heart Mountain group in time for the forthcoming Heart Mountain reunion, so I worked against a fierce mental block as I didn't want to disappoint him. I hope it meets with your approval. I'd love to meet Frank Emi someday; he's quite amazing for his age and a real fighter. Please relay to him my high esteem. I'd write except that I'm worn down easily by tiredness and am way behind on correspondence.

I can't tell you how ISSEI has made life so much more full of hope for me. I hope it won't be too long before I can return it and DERELICT...to you

Love and hugs to you, Dana and Sammy.
