Dear Michel Weglyn:

Thank you for your recognition and Frank Chin's "Kaquya Hine" manuscript which I enjoyed reading very much.

Unfortunately, I am overbooked with more work than I can handle at this moment of life and do not wish to jeopardize the quality of more commitments till things clear up a bit.

Meanwhile, here's my appreciation for introducing Frank Chin's gift so that I can look forward to working with him in a not too distant future.

Best wishes
