Dear Frank,

Great to hear you
sounding well. Mick "The
Greek", was an incredible
bustler. The obit explains
why he intimidated me. He
died young, as he was in
too big a hurry. But he
accomplished much.

Have Eve call me
if she has questions. Thanks
for all your help, love,
Your 'mother of redress'

Michi

A friend is one who knows you as you are,
understands where you've been,
accepts who you've become,
and still, gently, invites you to grow.
