

Hi Frank,

Sorry I sounded  
so contrary the other  
night! So much happening  
at once. Just had to  
turn down a lovely invite  
from Mt Holyoke AHS.

I'm plowing through  
a mess of things for  
Yosh K. and I decided  
to throw things in your  
packet for your own  
personal files (of those  
which I  
have in duplicates and  
triplicates).

I so deeply appreciate  
your sweat in tears to  
make it special. All my  
love,  
Marilyn
