Dear Michi:

In reply to your letter of May 28th and with respect to the subject matter I spoke to you about before, I am glad that you are able to come to the West Coast.

I have set up several appointments with production companies and motion picture producers. They would like to discuss with us the formats for YOUTHQUAKE and PRETTY TALK. Although I have described outlines of the shows to them, I am sure you will be able to explain and elaborate on them to a better advantage. At any rate, in order to stimulate the interest in these shows it is best that you "talk" them up in person.

There are also some possibilities of expanding your activity in motion pictures and there is real interest in having you work on some of the forth coming television shows. As you know, most of these are being done on the Coast.

I look forward to seeing you on the seventh.

Kindest regards,

Cy Donner
