

To the many friends of Michi Nishiura Weglyn:

A program honoring Michi Nishiura Weglyn will be held in Los Angeles in February of 1998.

We need your help in collecting photos and artifacts depicting the many phases of Michi's life. All material will of course, be handled with utmost care. However, in the case of valuable irreplaceable photos or drawings, a clear high quality reproduction will suffice.

Each item should be identified with the owner's name and address and include information such as approximate date, occasion and location, and identity of other persons in photos if available. All items will be returned after the exhibit unless otherwise indicated by the sender.

Please mail to Yosh Kuromiya, 2605 Orange Grove Ave., Alhambra, CA 91803, or if you are in the greater L.A. area, call (213) 283-2909 and we will arrange for a personal pick-up.

Your immediate action will be greatly appreciated as substantial time will be required to prepare the material for proper display.

Please call the above number if further information is desired.
