

family, that their funds have been eaten up, and please, please, couldn't they now be entitled to the redress money which would have gone to the now-deceased?

I spoke to Bob Bratt at ORA that this is an inexcusable state of affairs. He said "you know who caused it"!

I could tell you other horror stories, but I <sup>don't</sup> want you to get really sick by giving it to you all at once!

Our love to all you guys is yours  
new condo, you, Dana, Sam Chew
