

Dear friend  
I hope that you'll forgive  
My long delay  
in writing you  
And take this card as evidence  
Of unforgetting friendship true

Hi love,

Great hearing your  
voice again!

Enclosed are some odds

Will be immobilized, unable to write, as long as  
pinched nerves cause muscle spasms through my right  
shoulder, neck, arm and fingers. Do please forgive  
me for silence.
