

I've no idea how to get the copy - probably  
through Ken Koshimura. It may be  
easier to get an OK from Ken. I'll  
write to get Ken's opinion on  
this.

Wish I could contribute more  
but hubby tends to believe it all  
to be a "lost cause". Will send  
any checks that come in through, from  
this point ~~on~~, the Ishii Bookstore  
address will be made known to  
one and all.

Re: that Lillian Baker letter sent  
to KABC. Since it was passed on to me  
by Ray Okamura, I should first get an OK,  
I think, so I don't ~~put~~ Ray into trouble.

I've no idea how he got the copy - probably  
through Ken Kashiwahara. It may be  
easier to get an OK from Ken. I'll  
wait to get Shosuke's and your opinion on  
this.

Wish of course continue more  
but trust tends to believe it all

to be a "lost cause", well and  
any checks that come in, though, for  
the point out, the basic Bookstore  
address will be made known to

we will all  
for that I'll be Baker letter sent  
to KABC. Since it was passed on to me  
of Ray's statement, I should first get an OK  
I think, as I don't want to trouble.
