DESERET BOOK COMPANY, SALT LAKE CITY, UTAH

Ogden is beautifully located in a wonderfully fertile valley at the foot of Mount Ogden and Mount Ben Lomond, two of the highest peaks in the Wasatch Mountains. It has a population of about 50,000 people, the greater percentage of whom own their own homes. All Western railroads pass through Ogden giving it the name of "The Gateway of the West."

Dear Mitzi,  
A card for you  
to add to your collection.  
We went shopping  
this evening - well  
more gabble. (Nat  
and Kyo were shopping  
away). I'm not sick  
of tomatoes as yet but  
I may be if we have to  
stay longer than a month.  
I'm having a funny experience  
will tell you when I get back.  
Boy is it a laugh. Harmon
