This permit is issued pursuant to the authority of the Commanding General, Western Defense Command and Fourth Army, and failure to observe the conditions or restrictions applicable to it shall subject the holder to the penalties provided in the Act of Congress of May 21, 1942 (Public Law 503 77th Congress). Such conditions or restrictions include the special conditions stated below and the conditions that no leave or extension of leave shall permit entry into a prohibited area unless a Short Term Leave is issued to a person who obtains a pass or other authorization required by the military authorities before he enters such an area; that any person issued a leave or extension of leave to a destination within a restricted area shall, while within such area, observe the restrictions applicable thereto; and that no leave or extension of leave shall permit the holder to be any place other than at the destination stated above except under special permit issued by an official of the War Relocation Authority.

SPECIAL CONDITIONS ON WHICH LEAVE IS ISSUED:

1. The person granted this leave may not leave Salt Lake County, State of Utah unless he obtains a special permit to do so from an official of the War Relocation Authority. No other person has the authority to grant such a permit. The only exception to this rule is in the case of an emergency where the services of a doctor or hospital outside the county are required. In this instance, notice of the circumstances surrounding the case must be given as soon as possible.
2. If the person granted this leave changes addresses within Salt Lake County, he must notify the official of the War Relocation Authority whose address appears on the reverse side of this permit.
