Dear Laura

I received your letter long time ago.

I hope you all are fine? We are fine
in good condition. Mother is feeling
some as she us to

Hawa is the weather? over

her rain rain everyday look like

before it rain there is thunder
lightning, what I don't like.

That why My mother cannot make
his nearly garden, he is trying to

plant tomato, egg plant, green paper
onion. diffent kind of vegetable.

I am planting a flower in front
garden. As you know Janyashi

is playing around every day. Last
night he was sleeping, when a little

puppy crying under our room. I think
Janyashi will be playing with the dog
about two week later, I hope he like it.

Give my best regard to your
Mother & father.
Sincerely
Amy.

Laura I think you tell me, in California is hard to get film, is also hard to get film at her to, but we ask some boy go to Mr. Gedge, some times they get for us. if you tell me your # no I will be glad to ask some boys for it. I have one film in my hand if this # no fit your machine I will send to you. This no is 620

In camp we have hard times getting everything. If I could get it I will get it for you.

Please excuse me writing back of this paper.

A. J.

If you have your family picture could you send me of your picture?

Dear my best regard to your mother & father
Sincerely
Henry
