Citizenship Not Revoked By "No"

As the law exists today, citizenship cannot be taken away from even those Nisei who answered "no" to question 28 of the now famous WRA questionnaire, stated Saburo Kido, national president of the JACL. To attain this purpose (of revoking citizenship) a new act must be passed, making it one of the conditions for losing citizenship if a citizen refuses to swear loyalty to the U.S. while residing in this country.

The national JACL president quoted an article by Judge Frederick C. Fisher, formerly of the Supreme Court of the Philippines, who discussed the legal

Fair Says Fears Slow Relocation

"Probably the greatest deterrent to the resettlement program is fear," wrote Clarence E. Pickett and H. L. Morris of the American Service Committee in the current issue of the Mid-Monthly Survey, companion magazine to the Graphic Survey. They say that resettlement and community acceptance may be a solution to their problems, or may at least mitigate some of the hardships caused by evacuation.

WAC APPLICANTS TO BE NOTIFIED FOR EXAMS

Rivers girls who have submitted applications for enlistment in the WAC will be notified about the time and place they will take the examinations, according to Lt. Elizabeth Holman, WAC recruiter who visited Rivers recently.

Girls who have taken applications but had not filled them out and given them to Lt. Holman can send them at any time to:

FORCED RESETTLEMENT RUMORS DISPELLED BY WRA DIRECTOR

Persistent rumors that some or all relocation centers would be closed, and that evacuees would be "forced" to resettle called forth from Director D. S. Myer a statement that

REPATRIATION

GRIPSHOLM TO SAIL SEPT. 1

Exchange ship Gripsholm will sail not later than September 1 from Jersey City, New Jersey, the project was unexpectedly notified yesterday.

This leaves "exactly ten days for the Gila residents whose repatriation was requested by the Japanese government to board the ship on the other end of the continent," William Tuttle, welfare head, pointed out.

Tuttle said that he and his staff are making hurried preparations in order that the affected residents in the community may reach Jersey City in time. Number of exchangees from Rivers is not known as this goes to press.

Hurried plans become necessary when a new note from the Japanese government stated that no exchange was possible unless the Gripsholm sailed not later than September 1.

the WRA had no plans to close any center in the immediate future.

The entire statement:

I am anxious to correct an impression which has been created in some places that some or all the relocation centers are to be closed in the near future. While it is true that the range goal of the War Relocation Authority is to enable as many as possible of the eligible evacuees to relocate, we realize that it will be a slow process. We have no plans for closing any relocation center in the immediate future. As relocation takes place and more people move outside, we expect to close some centers but this will not take place in the near future. There will be no compulsion to relocation outside of centers although we hope that an increasing number of people now living in relocation centers will find it to their advantage to relocate and become self supporting.

WOLTER

SEGREGANTS WILL NOT LOSE JOBS

Workers who are to be segregated will not be terminated compulsorily until 24 hours before the scheduled leave, stated Hugo Wolter, community management head.

Special efforts will be made to get in time reports and termination notices for transferees when the time for move comes, and the finance section will give special consideration for the payrolls of those persons being transferred.

Evacuees will not be given time for the period of preparation for travel while enroute, unless they have compensatory time earned by overtime work.

EDITORIAL

HONEST NEWS

We have taken the announcement that the employment rolls must be reduced to 4,575 by September with more calm than protest. But when we are given bad news honestly and given facts, which we do not misunderstand, we make no unreasonable protest.

We are dismayed by the order for so many of us will be idle. But many of us are looking to a further horizon outside the barbed wires, and this immediate problem thereby loses much of its edge.

Means To Cash Net Checks Told

Camouflage checks held beyond the 90-day period can be redeemed by forwarding said checks to the Southern California Glass Company, Los Angeles, with a request that the cashing privilege be extended sufficiently to allow the bank to honor them, it was announced by a Community Enterprises representative.

GIRL RESERVES PLAN SOCIAL

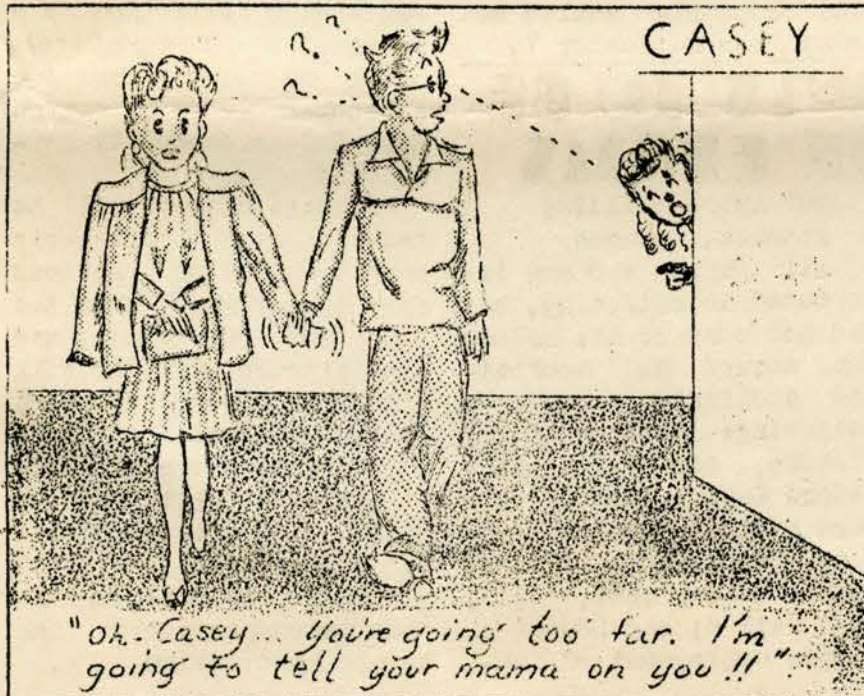

To promote inter-club friendship, GR District 5, Tri-Cirs, is having a get-together tonight with GR District 4, the Ocatillas at rec. hall 60 beginning 7:30 o'clock. The theme, "Tramper's Twirl," will be carried through, with the girls dressed as tramps.

LAWYER KIDO EXPLAINS LAW

 aspects of a bill introduced by Congressman Leroy Johnson. The purpose of the bill is to create a commission to investigate disloyal activities of Japanese nationals and citizens and to deport from the Western hemisphere all those found to have given aid or comfort to the enemy, advocated overthrow of the U.S. government or expressed loyalty to a foreign trade.

Judge Fisher seriously doubts the constitutionality of the act:

"It is open to very serious doubt whether Congress can constitutionally empower an administrative board to exercise an authority which is intrinsically judicial power."

LETTER:

GILAN RELATES ADVENTURES

The following excerpts from the letters of an evacuee girl who left Rivers for a domestic job in Washington D. C. is indicative of the general tone of the many letters received by center residents from others on the "outside."

This girl was left in charge of the household and two children while her employers visited in a distant city just two weeks after she first reported for work. She was well thought of by her employers and treated like a member of the family.

"This zig zag town is awfully confusing to a country lassie whose mind goes one way and not in a circle. Come to Washington if opportunity ever raps on your door. It is very educational.

"Servants are so hard to get that people in this city do not want to give them up under any circumstances.

"Church members have are wonderful, they certainly treat you like a welcomed guest. I had a nicest visit with my former superintendent of nurses of Glendale. She likes orientals -- she speaks highly of them.

"The cost of living is still rising; gas problems are climbing higher and higher; Washington is terribly uncomfortable and sticky.

"The cost of food and everything is very high here, but my new found freedom is worth any hardship that I have to put up with.

"I am continually being invited to the homes of new friends. I am made exceedingly welcome by all."

Canal Buddhist Summer School

Canal students from 5 to 15 years can still register for the Buddhist summer school session. At present, there are 300 students enrolled, with the school being held Monday through Friday. The Rev. T. Hojo is the adviser.

DOGS INOCULATIONS START TODAY

Free anti-rabies inoculations for dogs in Butte started this morning at 64 rec. hall, and will be continued at the Canal police station Monday morning at 9 o'clock.

For dogs missed this time, owners must make appointments later with the Health section of the Butte hospital.

Dogs not treated must be kept tied, said Chief Fred Graves.

Formula Milk Delivery To Mess Changed To Dist. Snack Station

Beginning Monday, formula milk for babies will no longer be delivered to every mess hall, but to district snack stations, announced Dr. D.R. Collier, chief medical officer.

Bottles with sterile water will be given to mothers at the stations at 2 o'clock. All mothers will have to stir in the powdered milk themselves at home a few minutes before nursing time.

The hospital requests everyone to take the bottles to the block manager's office by ten Monday morning, all washed and cleaned.

The baby snack will be given out as before at the

Grew's Report From Tokyo In Japanese

The Japanese American Committee for Democracy announced the release of its translation of former Ambassador Joseph C. Grew's REPORT FROM TOKYO in the Japanese language. The book will be available about the middle of Aug., and the price will be \$1.25.

This is the first book to be published in America in the Japanese language since Pearl Harbor. Written by former Ambassador Grew upon his return to this country, after 10 years of service in Japan as the representative of the United States, this book was issued last November so that the entire American public might have the benefit of his knowledge and experiences in Japan.

'BON ODORI' TO START AT NINE

The unpredictable and changeable weather of Arizona automatically forced the postponement of the 'bon odori' festival last weekend, but the committee is determined to see it through tomorrow evening from 8:30 at lot 53.

A half-hour opening service will be conducted under the chairmanship of William Takatani, with Project Director Leroy H. Bennett as guest speaker.

The Rev. K. Imamura will speak briefly.

At 9 o'clock, music for the ondo will be turned on, and hundreds of enthusiastic Butte and Canal residents--some clad in colorful kimonos and others in western outfits--will dance the traditional 'bon odori' and varied ondos under the leadership of capable instructresses.

Cold drinks will be sold by the YBA, and the Girl Scouts will vend shaved ice. Volunteer workers are needed to help at the YBA booth, it was announced.

The entire community is extended a cordial invitation to participate in tomorrow's events.

POSTON FLOODED AND WINDSTORM

Poston Relocation Center was hit Monday by a sudden wind and rainstorm that knocked off roofs of several buildings and flooded camp No. 3, according to an Associated Press report.

Two adobe-school buildings, under construction, were unroofed and the fly roofs on six warehouses were blown away. Walls of two buildings adjacent to the school structure were damaged by flying debris.

Residents of camp No. 3 were forced to wade through knee-deep water throughout the day to reach dining halls and showers.

Change Made In Bus Schedule

Schedule for buses leaving for Phoenix has been changed from Mondays and Thursdays to Tuesdays and Thursdays, according to C.M. Hanna, transportation head.

Relocators are asked to go to the cashier agent the day before departure to assure the promptness of bus leaving on time.

Engeikai Tonight

Engeikai tonight at Butte amphitheatre beginning 8:30 p.m. Donations will be taken by GR district 3, "Y" Coeds.

STATE

COPY OF CO-OP AMENDMENT SENT TO COMMISSION

Project Director L. H. Bennett has sent a certified copy of Gila Co-ops amendment to the Articles of Incorporation to the Arizona Corporation Commission for filing, it was announced yesterday.

Arrangements have also been completed for publication of the notice of filing in the Coolidge Examiner. The notice will be published in the Pinal County newspaper once a week for seven weeks in accordance with the law.

Some action by the Corporation Commission regarding the suspended cancellation of the Rivers Co-op's license is expected shortly.

ARIZONA DAILY STAR LAUDS GILA NEWS COURIER EDITORIAL COMMENDS EVACUEE ATTITUDE

Arizona Daily Star commented on a NEWS-COURIER editorial of August 5 which pointed out that freedom of expression during this war is better preserved than during the last World War when anything German was ostracized, hamburgers were changed to "liberty steaks," and German music banned.

In the same column, the Arizona Daily Star cited the case of one Caucasian subscriber who wrote in suggesting suppression of news about certain other Americans who differ with him on matters of politics and labor.

"It is a strange commentary on human beings," the Daily Star concludes, "that the calm and studied

support of freedom of expression showed came from an individual at present confined in an evacuation camp while the plea for suppression of free speech should arrive in the same mail from a man apparently enjoying freedom. Or is it?"

WASHINGTON

Nursing Class Open To Nisei

Garfield Hospital in Washington, D. C. will accept a number of nisei girls for entrance into their nurses training class beginning in mid-September.

The hospital has 500 beds, and will qualify under United States Cadet Nurses Corps.

The school course is two and a half years. Room and board plus \$15 cash allowance will be given for the first nine months, \$20 for the next twenty-one months, and \$30 for the last six months.

For full particulars, contact the outside employment office at 69-6.

Last Moment Plan Gives Gila Series With Mt. Mountain Nine

Out of Block 28 way and from Butte Baseball Ozar Zenimura came welcoming news last Thursday morning. Word was received that Manager Russell Hinaga's San Jose Zebras were enroute from the Heart Mountain Center for a series here from the early part of next week.

After some reports that proposed series here in Butte and Canal had been abandoned, a telephone call was received saying they were leaving last night.

According to Rivers' Butte branch baseball director, the visitors—some 14 strong including a couple of versatile players able to pitch and play other positions—are expected to arrive about noon Tuesday morning.

The games are expected to start Thursday night or possibly Wednesday with Major League's first-half-winning Guadalupe or the 2CAC Champion Rough Riders playing the first game in their respective camp.

Pending outcome of Major League's flag race, the schedule for the series is yet unavailable. Upon their arrival they are expected to get together with Director Zenimura and 2CAC (Canal City Athletic Conference) Baseball Commission Chairman Harry Kono to work this out. At a 2CAC managers meeting last Thursday night, it was hoped to have about four games in Canal with each eye team playing one game apiece. This series is expected to be of about eight games.

The veteran Hinaga's squad which captured that center's six-team league crown with five straight wins carry some well-respected baseball figures. The roster which will make the trip here includes about four pick-up players.

The visitors will include: Thomas (Tom or Chesty) Shiro Okagaki, Kay Kiyoshige, Tamara, Adrian Tatsuo Yamamoto, George Minoru Hinaga, Russell (Russ) Noboru Hinaga, Chitoshi (Chit) Akizuki, Kazuo Yamaki, Ryozo (Rosio) Matsui, Jack Kiyoto Tono, Edward Mitsuru Yamaki, Babe Nomura and Tosh Asano.

Firemen, Block 28 Tie Again 8-8 Championship Play-off Begins

A six run ninth inning splurge gave Firemen their season's third tie with Block 28, 8-8 last Wednesday night. Five walks between singles by Tad and Roy Nakamura in the final frame evened a 3-2 margin.

Neither starting hurler finished—Junius Sakuma was replaced in the third and Masato Kinoshita in the ninth.

Min Kinoshita and Isamu (Shorty) Tomooka led the hitting assault.

The game was a replay of a previous tie and the clubs were slated to have it out again last night.

The championship play-off is scheduled to begin tonight. If Firemen won their second replay of a tie with Block 28 last night, they will be included with YMBA and Pasadena in second half's title runnings.

At this writing (yesterday noon), last night's result is unknown with a drawing being held among respective managers to
