Dear Mamasan, Papisan & Mark:-

Many, many, thanks for  
the hospitality shown to  
us last Sunday. We all  
had a most wonderful  
trip to Los Angeles & we  
are hoping to go ~~again~~ again  
later on.

The wonderful meal Ma-  
masan & Leocoty served for  
us is really appreciated.

Also all of the nice flowers  
& other goodies you gave us  
to bring home.

Please remember us to  
the Miramiki boys & thank

them for the beautiful  
flowers - how ever on this  
I am not sure because  
I thought I heard some  
one mention that Mamma  
son had to buy them.

So please accept the above  
subject to what ever change  
are necessary.

We enjoyed every minute  
of our visit with you  
folks as well as with  
Mas + "Hotcha".

We all join in sending  
our sincere thanks + best  
wishes to each + everyone  
of you.

Gratefully  
Wm
