

With election slated for this Friday, our money is across the board on Li'l Neebo to win, place, and show in any popularity contest. **WE CAN'T TAKE IT**

There was a phone call from the education department (she said) to the office yesterday asking if any of our staff members would care to enroll in the high school seminar course in journalism.

'No, ma'am,' we said politely, after we had counted to ten. And it was a quarter of an hour (and on our busiest day) before we could convince her that we didn't want any, thank you.

This morning, after a sleepless night of rage at the insinuation, we find

RESIDENTS WILL GO TO POLLS FRIDAY

Sectional Leaders To Be Chosen in First Election

Friday, from 7 a.m. to 7 p.m., all residents of the Center who are 21 years old or over, will go to the polls to vote for their sectional representatives.

"Voters are urged to vote for any one they please," said Dr. Yoshio Nakaji, Chairman of the e-

lection committee. He emphasized that the names of candidates submitted to the voters by the committee are merely suggested and have not been endorsed nor recommended.

Write-in candidates must be over 21 years old and must reside in the section they are to represent. A plurality of votes will decide the winner.

All voters must bring their registration slips and attached ballots to the registrars stationed at the polls.

Each voter's polling place is designated on each registration slip. Voters must go to assigned polls.

"Write-in candidates," Nakaji said, "should have sufficient support already lined up in order not to waste or to scatter the votes of their backers."

ISSEI ENTHUSIASM HIGH OVER COMING ELECTION

"Enthusiasm over this election shown by the issei is tremendous," said Masao Igasaki, official advisor to the council.

"Most issei are voting for the first time, and they are excited over this

new experience, and they like Self-Government."

The new inductees from Santa Clara valley will have a chance to participate in this election which was postponed a week for their benefit.

Many issei, according to Dr. George Hara, District III registrar, are anxious to see nisei run for office.

"Women, too," he said, "are taking this election seriously. Some of them are voting for the first time."

An issei from Mountain View said, "It's a new experience for us. Most of us came from Japan where

NO DANCE

Due to its conflict with National Defense work, tomorrow night's dance has been cancelled announced Ty Saito, director, today.

They Didn't Know Seabiscuit Once Lived There

Almost everyone living in the stables has claimed that they are living where the famous Seabiscuit once roomed and hayed.

But ask Al Connors, policeman on duty in Dist. I, and he'll put you wise to the exact stall where the Santa Anita Handicap winner of 1940 actually lived.

"Seabiscuit," genial Al will tell you, "lived in Barrack 28, Units 24 and 25. He was so famous that

he had the partition knocked out and had two stalls all to himself."

A PACEMAKER reporter, sent to interview the people living in Units 24 and 25, was met at the door by Mrs. Uta Michikami and Miyoko Hirano.

"Do you know what horse once lived in here?" he asked them.

"No," they answered with some wonderment. "What do you mean?"

"Seabiscuit," said the reporter.

"SEABISCUIT!" the two women shouted in unison.

"SEABISCUIT!" they shouted and ran back into their home--Seabiscuit's home--to wake up, Kiyono Hirano and Hiroko Eya who were taking naps.

"And here," said Miyoko, "we had been telling all our friends all this time that Seabiscuit had once lived here!"

Democracy Must Be Won

Democracy is not a divine, god-given gift handed to men on a silver platter.

Democracy is a structure of human society for which men have fought to attain -- and for which men are now fighting to maintain.

It is not a thing that one may ignore when the going is easy and then whine and criticize about later when one finds himself in disagreement with one of its aspects.

Santa Anita residents are going to the polls on Friday to elect the man of their choice as their sectional representative in the Self-Assembly.

This is representative democracy.

The Self-Assembly is the sole body which will represent Center residents and act as a liaison between the management and the people.

Your voice will not be unheard in this Assembly.

But, to guarantee this, your voice must be heard at Friday's election.

Your voice is your vote. Use it now!

SUCCESSFUL FIRE DRILL HELD IN GRANDSTAND LAST FRIDAY

First school fire drill was conducted last Friday morning with successful results, according to Dick Kunishima, Teachers and Leaders' Training division head.

Five minutes after the alarm was sounded the children's department was entirely cleared.

The whole Grandstand building was cleared in 8½ minutes.

Mozart and Bach To Be Featured

Mozart's "Serenade for Strings" and Bach's "Gavotte" are among the selections to be played at the third weekly musicale Sunday evening at the Grandstand.

Last Sunday's program, in the Recreation hall, featured the Men's Glee club directed by George Zaima, and a women's trio including Kay Kumai, Kimi Nemoto, and Dorothy Takii.

SANTA ANITA COUPLE WED IN PASADENA

PASADENA, May 28.--In a civil ceremony conducted here today, Hiroaki Hirakawa and Fujiko Morokuma, both residents of Santa Anita, were married.

After obtaining their license at the Pasadena marriage license bureau, the two were married by the justice of peace. They were accompanied by Mrs. Umeyo Furuta, close friend of the bride.

Recreation Field Office Opens

A new field office has been opened at Bar. 64, Unit 19, the Recreation department revealed this week.

George Isoda is in charge of the office, which will be used to post schedules, bulletins, standings, averages, and results. Field assignments will also be issued.

The Recreation department emphasized that the new office is different from the stock room at the north end of Anita Chiquita.

Minor injuries are to be reported to Frank Shiwo and Harold Hirasuna at the stock room, and more serious cases must go to the hospital. Accident reports must be filed with the Recreation department.

Girls' Play Day Date Postponed

The girls' club department has been asked to co-sponsor its Play day, the girls' athletic department announced today. The sports affair has been shifted from June 20 to the early part of July.

Closer cooperation of the two departments in all activities is planned. Until the duties of each are determined, drill team practices have been postponed. All girls are asked by the sponsoring groups to watch the PACEMAKER for further announcements.

we were required to pay tax to vote, and most of us couldn't afford it."

Masayoshi Kojima, issei, joked, "A lot of grandfathers and grandmothers will be going out to vote. The nisei had better behave."

"But beneath it all," one observer said, "there is something more fundamental to this whole election. It is something that concerns the welfare of everyone in Santa Anita."

"This election will lead toward the settling of many important problems in the Center."

OYAMA RITES TOMORROW

A memorial service for Robert Oyama, killed in an automobile accident in Iowa on May 8, will be held tomorrow night at 7 o'clock in the Jockey grandstand

(west of the Main grandstand near the laundry).

The Rev. Yuzuru Yamaka will officiate with close friends of the deceased in attendance.

FULL ADDRESS SPEEDS MAIL

FIGHTS DRAW 2500 FANS

Fifteen exhibition boxing bouts, presented by pugilistic enthusiasts to collect money for the purchase of equipment, drew an estimated crowd of 2500 to the ring near the Anita Chiquita field Monday.

The crowd donated over \$40 and were well repaid by the excellent bouts.

Top contests were Charlie Tajiri vs Horace Sagara, Hank Yonemoto vs Yone Igu-chi, Katsu Nakamura vs Nobe Takahashi, and Ben Nakasone vs Tom Tanaka.

Those interested in joining boxing classes sponsored by the Recreation department may sign up.

NAMES SOUGHT FOR DIRECTORY

To expedite the delivery of second class mail, Center subscribers are requested by Leo Mauch, post office superintendent, to inform their publishers of their full addresses.

Full names should be given along with complete addresses containing district, barrack, unit, and street or avenue.

Heads of the latest families to enter the Center are asked to report to their respective sub post offices to have their names included in the directory. Persons who have moved should report their changes of address.

LOSE ANYTHING LATELY?

LOST, FOUND OFFICES COMBINED INTO ONE

All lost and found departments in the Center have been combined into a single division at Information Center No. 1, Guy E. Wilkinson, Personnel Relation officer, announced today.

Clothing, jewelry, mess buttons, watches, identification tags, and other articles found at Santa Anita may be claimed at the office, Bar. 36, Ave. 5. Only a few of the articles turned in during the past several weeks have been claimed.

Namer To Get Neebo's Picture

Li'l Neebo's godmother, Mrs. Fredrick Mittwer, who named the little kid now capturing the hearts of thousands in the pages of the PACEMAKER, will be presented with his portrait tonight at the weekly sing.

The tune-fest is scheduled for 7 o'clock tonight in the Recreation hall.

LOVE LIFE

Unshaven, bleary-eyed editors stumble about the PACEMAKER office as the staff struggles through the ordeal of putting out ten pages in two days.

Yesterday's six-page job was a picnic, we think, as we groan and look forward to being awakened at 6 a.m. on the morrow.
