

RELOCATION OF STUDENTS

Students of college age may be given the opportunity of continuing their education, according to plans discussed at the meeting of a committee on student relocation at the Government house Thursday.

At the meeting were Dr. W. O. Mendenhall, president of Whittier college and Pacific Coast chairman of the National Student Relocation council, and Mrs. Marian B. Rieth, executive secretary of the Southern California headquarters of the council.

The first step towards relocating students will take place Monday when questionnaires, accompanied by instructions from the management, will be distributed by census takers to all nisei residents of college age.

AMORY ANNOUNCES FREE COUPON BOOKS

Distribution Will Begin Monday From Center Cashier's Station

Distribution of free coupon books to Center residents begins Monday at 9 a.m. at the cashier's station west of the main post office, H. Russell Amory, Center manager, announced today.

Coupon books will be issued only to heads of families and those considered as individuals. An individual is

any person who has passed his 16th birthday but who does not fall within the definition of "a couple."

A couple is defined as man and wife, whether legally married or living as common law husband and wife.

Books will be distributed in accordance with the following schedule: \$1 for each person under 16 years of age, \$2.50 for each individual and \$4 for each couple.

A family, Center cashier Clyde Lambourne explained, includes the parents and children who have not passed their sixteenth birthdays. The maximum allowance for each family is \$7.50.

An example of a family residing in the Center:

Father, mother, grandmother, son 19, daughter 18, son 12, daughter 8, son 6, and daughter 4.

HOLIDAY SPIRIT PERVADES ANITA FUNITA OPENING

In spite of difficulties with the amplifying system which delayed the opening ceremonies and the talent show last night for more than two hours, a patient, good-natured crowd of over 15,000 waited to give the two-day Anita Funita a rousing send-off.

Earlier in the afternoon the Boy scout drum and bugle corps paraded throughout the Center with a gay encouragement of decorated wagons and trucks advertising the ala Fourth of July festivity.

High above the entrance to the Grandstand, a gigantic impish Neebo waved welcome to the swarming, laughing throng.

With the race track where once famous race horses pounded down the stretch as his background, Center Manager H. Russell Amory gave the address officially opening Anita Funita festivity.

Santa Anita Entertainers Highlighted in Talent Show

The biggest and the best variety show yet staged in the Center, though held up till after 9 p.m., found the entertainers undaunted and the enthusiasm of the audience of 15,000 still in a holiday mood for the Anita Funita talent parade last night.

The two-hour show fea-

Last night's talent show will be repeated Sunday night, announced Al Nozaki, Anita Funita general chairman, today.

turing 18 numbers presented the cream of Santa Anita's entertainers, many of them professionals, in a varied program ranging from jazz to classics and from song and dance to instrumental numbers.

George Seno's solo of Jacques Wolfe's "De Glory Road" was one of the many hits of the show. On the classical side, Helen Matsunaga's violin solo of Wieniawski's "Romance from Concerto" elicited praise.

The father as head of the family will be issued coupon books totalling the maximum amount of \$7.50 which would be considered for the use of the father, mother, son 12, daughter 8, son 6, and daughter 4. The grandmother, son 19, and daughter 18, will receive \$2.50 each.

Cashier windows issuing free coupon books are open Mondays, Wednesdays and Fridays, 9-11:15 a.m., 12:15-4 p.m.; Tuesdays and Thursdays, 12:30-4:30 p.m. 5:15-8 p.m.; Saturdays, 12:30-4:30 p.m.

Non-workers are to obtain their books before

4 p.m., so that workers may have an opportunity to get theirs after that time.

"As each person receiving coupon books must sign his name several times, it may take many days to supply everyone," Lambourne said. He suggested that residents refrain from forming long lines during meal times as the windows will be closed.

Proper identification will be required of each person applying for a book, Lambourne cautioned.

Windows selling coupon books for cash will be open Mondays, Wednesdays and Fridays, 9-11:15 a.m. and 12:15-1:15 p.m.

Six Dentists Added to Staff

Six more dentists with licenses to practice have been added to the Center dental clinic, it was revealed today by the Service division.

The clinic is now the largest of its kind and is now able to handle many more emergency cases.

The hours are 8 a.m. to 5 p.m. Mondays through Fridays and 8 to 12 noon on Saturdays.

COOPERATION ASKED

Weekly sanitary inspections are in accordance with army regulations, the Housing section stated today in requesting the cooperation of Center residents.

STUDENT RELOCATION PLANS MADE

(Continued from page 1)

These questionnaires are to be returned Thursday between 8 a.m. and 5 p.m. to the special NSRC table which will be set up in the Recreation hall. At this time, a representative of the NSRC will be in attendance to answer questions.

Prior to Thursday, the office of the Service division will be open to aid in filling out the questionnaires.

"Everyone interested should fill out one of these blanks because this is the only agency authorized to

deal with this matter," officials advised.

Those who have already arranged for entrance but have not received clearance on travel permits should also fill out these blanks and note their status on the back.

"In case of doubt, fill it out," advised Dr. Mendenhall.

"We want to encourage graduate students who do not find an outlet for their resources at the Center to continue to fit themselves for professions such as medicine," Mrs.

NOTIFY BANKS

Evacuees who have failed to notify their banks of their present addresses should do so at once to facilitate mailing of statements and other notices, the administration advised today.

Seno Guest on Classic Program

Shugo Seno is to be the guest soloist at the music appreciation program 6:45 p.m. Sunday.

Seno will sing four numbers: "When I Have Sung My Songs", Ernest Charles; "Serenade," Schubert; "Cosack Love Song," Richard Kountz and "Old Mother Hubbard," Victor Hutchinson.

Tschaikowsky's "Andante Cantabile" and "Nutcracker Suite," MacDowell's "To a Wild Rose" and the second, third and fourth movements of Beethoven's Fifth symphony. Music lovers are asked to be prompt as the doors will be closed at 6:45 p.m.

Hardball Meeting Called

Hardball managers have a meeting 7:30 p.m. Tuesday at the Recreation field office, 64-19.

SCOUTS SCHEDULE CAMP-O-RAL

Santa Anita scouts will have their first camp-o-ral beginning Wednesday on the new camp grounds west of the main track.

Merits will be given each troop on the development of their own tracts of land. Lean-tos and other specimens of campcraft will

be considered in the judging which takes place on Wednesday and Thursday.

Inter-troop competition in first aid, compass, fire-building, knot-tying, campcraft and other scout activities are planned for Friday and Saturday. The public is invited.

Rieth said.

The survey will include high school graduates, college students and college graduates interested in graduate work. This data will be matched with the results of the survey conducted by the Eastern committee of the NSRC of the colleges approved by Federal authorities which are willing to accept nisei students.

The selection of students will depend on financial and grade standing and the number of students applying for relocation.

Superstitious Horsemen Solve Problem of Jinx

Have you noticed that there is no Barrack 13 nor Unit 13 in the stable area?

The answer is obvious. Horsemen, like almost everyone else, believe that 13 is a jinx number and so the thirteenth stable and all thirteenth stalls were numbered 12A.

This bit of information comes from Charles "Fibber" McGee, Center policeman. Genial McGee is an old hand around race tracks, having shod horses for over 30 years.

He has been at Santa Anita since it opened in 1934 and has worked for

such notables as the Vanderbilts, C. S. Howard, Mae West, Robert Taylor and Bing Crosby. Says McGee, "Bing is the nicest and finest man I've ever worked for."

"All the stables gener-

ally had pets around to bring good luck," McGee explained. "The Milky Way farms of Stable 7 had 'Herman' a large white goose, while the Altadera stables, No. 51, always had from three to five black cats though they were taboo in other stables.

"Many had billy goats around as companions for the horses to ease their nervousness."

McGee says, "The Santa Anita race track was built at a cost of \$2,000,000." So we are now living in a \$2,000,000 home. Boy, what class!--by Yuk Kimura.

Scouts Collect Ton of Paper

A ton of old newspapers was collected by the Center's scouts in their second house-to-house canvass on June 27.

The Scout council asks the community to continue to save its old newspapers. The proceeds will be used to buy equipment.

Three Funeral Services Set

Funeral services for Mike Yoshiyaki Hattori, 28; Tatsuhai Uyeno, 62; and Yasutaro Hirotsuka, 61, will be conducted next week in the Jockey grandstand.

The Hattori services will be held Monday at 7 p.m. He died Sunday, June 28, at San Diego. He is survived by Kazu, his wife; Kiyomi, daughter; Mr. and Mrs. Yutaka Hattori, parents; Toyoko and Mrs. Fumiko Hosaka, sisters; and brother Ben at the Center. Another brother, Willie, is at Fort Snelling, Minnesota.

The funeral services for Uyeno, who died Wednesday at the Center hospital, will be held Tuesday at 7 p.m. He leaves Kiku, his wife; Haruka, son; Teruko, Chisako, Mrs. Haruki Sakamoto and Mrs. Paul Nagamatsu, daughters. All are at the Center except Mrs. Nagamatsu who is at Parker Dam.

Children residing in District III will report on Monday between 8 and 10 a.m.; those in District IV are to report on Thursday.

The children are to return a week after the test for a Schick reading.

Complaints by mothers that they must wait at milk stations for formulas were answered today by Dr. Norman Kobayashi. He pointed out that this inconvenience is due to lack of cooperation by mothers in not returning bottles promptly.

H. R. Amory Addresses 75,000 At Opening of Holiday Fete

(Continued from page 1)

In a humorous vein, he traced the background of the event which he "learned from Lil Neebo." During his speech, Amory introduced Al Nozaki, general chairman of Anita Funita; Sam Seno, talent show chairman; and Chris Ishii, creator of Lil Neebo and decoration chairman.

Previous to the disruption of the public address system, local members of the American Legion and the Boy Scout drum and bugle corps marched on to the stage to open the program. Presentation of the colors was made by the Boy Scouts.

CREATIVENESS SHOWN IN HANDICRAFT EXHIBIT

The creative ability of Santa Anita's, amazing in scope and genuine quality, was displayed with the opening yesterday of the Handicraft show at 32 Discovery avenue and 36 Equipoise avenue.

The show was the first feature of the two-day gala Anita Funita festivities scheduled for July 3 and 4.

At 32 Discovery avenue, the seminar life class in action drew the largest crowd. Next in interest was the miniature paper reproduction of the Center, complete with grandstand, mess halls, and barracks, made by the boys of the

kindergarten.

J. Shimo's bust of Gen. Douglas MacArthur; Bob Kuwahara's pen and ink drawing, "The Mad Czar"; Tokio Ueyama's still life; Tom Okamoto's picture of a child; Emily Araki's and Jim Araki's portraits of Charles Boyer and Irene Dunne, respectively; and Hideo Date's exquisite lithograph of a cat, "The Hunter," were all viewed with intense admiration.

At the display at 36 Equipoise avenue, the miniature garden by R. Ichinotsubo; the shellacked dresser and stool made by Eddie Jonokuchi; the handsome wall-papered chest of drawers made by Ken Matsumoto; the wood-carving, "Tiger" by Harry G. Koizumi; the redwood greyhound by Tat Shinno; the painted "getas" by Masaji Murai; and the tiny, decorative "getas" by B. K. Imamura aroused much favorable comment.

Other outstanding works are by Masato Kato, Roy Yoshida, N. Imanishi, I. Iwasa, Joyce Sakaye, Amy Uno, Jack Yamasaki, Mits Nishio, Roy and Harumi Komai, and the Mesdames Yamamoto, Ihara, C. Itami, C. Nakatani, and Fukushima.--by Miyuki Aoyama.

Classes Begin In Architecture

Classes for laymen in the appreciation of architecture start Monday, at 36 Equipoise avenue, the Adult Activities department today announced.

These classes will be held on Mondays and Wednesdays, 7 to 9 p.m. Ken Nishimoto will conduct the course which will stress the theory of architecture.

FOLK DANCING SET FOR THIS AFTERNOON

Folk dancing on a large scale is to be staged this afternoon from 2 o'clock in the Recreation hall.

Yuk Okamoto will call the formations. Ikue Imon and Rose Hiraga arranged the affair. All girls' clubs will participate in the dancing.

Frank Ono led the 15,000 present in the singing of the National anthem.

Then came the two-hour wait which held up proceedings until parts needed for repairing the amplifying system were obtained through the assistance of Amory.

"We are sorry for the delay in the program," said General Chairman Nozaki. "We wish to express our appreciation to the Center residents for their splendid cooperative spirit."

Tom Chino was responsible for much of the planning and organization of Anita Funita activities, Nozaki said.

Hardball and softball disputes which are beyond the jurisdiction of umpires will be settled by a board of arbitration, it was today revealed by the Recreation department.

The board includes Mas Igasaki, Russ Hinaga, Sam Minami, George Yamagata, Hi Higashi and John Yamamoto. The men were originally selected by hardball managers and were adopted by the softball leagues at Wednesday's meeting.

Takehita Hurls Against Mizufuka

A team of outstanding A softball players face the champion San Diego Falcons in an exhibition game this evening at 5:30 o'clock on the Anita Chiquita field.

The game is to be held in conjunction with the current Anita Funita celebration.

Shiro Mizufuka, tricky Whittier moundsman, has been chosen to start in the box for the All-Stars.

Mizufuka's cohorts include such stars as Shig Murakami and Koo Kawada, co-winners of the league batting championship, and powerhouse hitters Tak Kobayashi, Min Iwashika, Dick Kunishima and Carl Iwashita.

Aki "Killer" Takehita is the starting pitcher for the Falcons. Takehita has been unbeatable so far this season.

Free Men in a Free World

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with inalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

It is for these principles, stated in the Declaration of Independence, that this great democratic nation is now fighting, united in purpose with every other nation determined that the fascist beasts shall not rule the world.

Today, on the 166th anniversary of the symbolical birthday of the United States of America, we reaffirm our faith in, and our allegiance to, the basic tenets of democracy upon which our country was founded.

Disrupters, who are consciously or unconsciously aiding our enemy, would insist that certain conditions necessary for our total war effort (i.e., rationing of supplies, conscription of men and industry, and evacuation of people) are not "light and transient" conditions and therefore violate the principles of democracy.

We who are Americans by birth and belief must beware sentimental "champions" who would question "for your sake" the decisions arrived at by those on whom rests the responsibility of our future as a democracy.

Both this group and race-chauvinists who would deny citizenship to the American-born Japanese are enemies of democratic America, for while the latter seeks to make this a war of one race-hating fascist country against another, the former would deny that this war against fascism must be won at any cost. Both groups would destroy this nation and its democratic institutions.

America's victory will mean that we shall live as free men in a free world. America's defeat will mean slavery of all peoples in a fascist world.

TALENT SHOW

We hear through devious means that at the Tanforan assembly center, they hold social gatherings in their laundry rooms.

To guarantee that their parties will be clean, no doubt.

Sing before breakfast

A profound discovery that going to work early in the morning must affect radio announcers too was made by us the other a.m. while yawning through a tough morning after staying up half the night putting out the PACEMAKER pink.

'KFI, Los Angeles,' the announcer said. Then:

'Correction. This is station KECA.'

We wonder who he's working for now.

How'd that happen?

And we wonder too why we didn't see the item in the Tanforan Tote that a six-hole 'gold-course' is being planned at that center.

The Pomona Center News caught it and asks, 'Aren't we off the gold standard?' Thanks, awfully

In the winner's circle today is Kay Shimazu, auxiliary policeman, whose voluntary good deeds are noted by Anna Sakaizawa.

He is responsible, Anna says, for the many boxes piled in the PACEMAKER office on which elderly men sit in the shade of the pepper trees in front of the building on hot days.

Who's zoo

Something new has been added, Miyuki Aoyama says, to the log-dog-with-the-stout-snout display at 28 Porter's Cap avenue.

This time it's monkeys--three of them--and we'd like the privilege of naming them. Not Win, Place and Show, either, as we suggested for the first three babies born here.

Does Adolf and Benito give you any clues?

Hey, Rube

With most of Anita Funita's events about over, we pause to say that we still think a carnival's success depends on candy floss, gyp games and a callopie.
