

Dear Classmates and Teachers

It is with regret that I must render this letter of resignation from the office of President of the Senior Class of 1944. It has been my pleasure and honor to have been chosen with your faith and to have worked with the congenial members of my Cabinet. I only hope that I have accomplished in part what was expected of me.

As of Monday, March 20, 1944, I will no longer be enrolled as an active student of Poston Two High School consequently I no longer feel entitled to continue in my present capacity. My activities will also prevent me from taking part in school functions.

In resigning from office, I entrust to my co-workers, the Cabinet and Council, the unfinished tasks, with complete faith that they will outdo themselves in my absence. To you, and to the advisor, Mr. Wells I wish you all a most successful completion of the Senior Class of '44.

Most sincerely yours,
Hidetoshi Ted Kato

STUDENT CARNIVAL Leaders Chosen

George Oki, Yano Okamoto, and Marie Sunada were chosen to head the carnival to be held on April 14-15 on this campus. George Oki, student chairman, and a faculty chairman are in general charge of the occasion. All canteen purchases are under the chairmanship of Yano Okamoto, food committee, and Marie Sunada, dry goods and prizes committee.

All the participating organizations have selected certain booths or concessions to sponsor. It was decided that forth per cent of the net profit will go to the sponsoring organization, while sixty per cent will be placed in the general student body fund from which disbursements will be made later, as approved by the S. B. council.

A few of the headlines of the carnival are the movie, Campus Cafe, a special dance, voice recording, and tamale sale.

The official name of the coming school affair will be chosen by a voting contest sponsored on the fourth page of this issue of the El Bullador.
