

POSTON II BUDDHIST CHURCH LEADERS AND SUNDAY SCHOOL TEACHERS

Nearly two years have elapsed since evacuation...its disruption and hardship. Through the turmoil of world conflict and its effects, the Buddhists of Poston have come through with faith in Lord Buddha always guiding them. Living and practicing by his teachings have made many Buddhists better Buddhists, even though living a camp life in such a place as this desolate desert of Arizona. Dust....wind....the torrid sun....camp life all tends to create discomfort and arouse temperaments; but with the Sunday School, Seiten classes, YBA, and special services spreading the gospel set forth by Lord Buddha, the need for understanding one another and getting along with fellow men under adverse conditions, were realized.

Much credit for leading to this harmony among Postonians can be attributed to the worthy and unselfish efforts of the Buddhist leaders, members and those who believe and follow the teachings of Lord Buddha.

The years to come will bring everlasting peace to all who keep faith in Our Lord.

Yoneo Gota July 1944

Despite the fact that the field was unlimited, very few Busseis have decided to walk the path of matrimony.

We send best wishes to these couples with these thoughts:
No more apart, but one in love forever,
United stand against a common foe.
Along lifes' upward pathway you shall go.
No longer for the self, but for each other,
Thus earthly love shall broader,, stronger grow,
And thru this love life's deeper truths revealing
Before our eyes the upward pathway show.
