Dear Sharon:

Did you apply for redress, explaining your particular situation, with the Office of Redress Administration? Mr. Robert Bratt will be coming to Los Angeles soon to address a group at the Gardena Valley JACL meeting, where you might pose the question to him on a one-to-one basis after the meeting.

He's scheduled to speak Thursday, Aug. 30, 3 p.m. at the Gardena Japanese Cultural Institute, which is next door to the Nikkei retirement homes--which might explain the afternoon hour....162nd and Gramercy.

The other row to hoe (for JACL, as I see it) is to submit another bill to amend the law so as to cover all those little cracks in the 1988 law which would accommodate cases similar to yours, the people from Peru, etc....if that is submitted, and perhaps the letter you sent the Pacific Citizen might be shared with Jerry Enomoto of JACL-LEC as seed for getting another bill ready.

Thanks for your letter, etc.
