Dear Sir:-

Your letters addressed to Wm. Bibichkow and Art Kapitanoff have both been referred to me regarding employment with our concern. After reading your letters over very carefully and from the recommendations also, I feel that we would have use for you in our plant. We have several places that we could use you in since there is a labor shortage in Chicago which is continually getting worse. We could offer you \$30.00 a week for the work you would do to start and the rest would naturally be up to you as far as earning more is concerned, depending upon how well you can do your job and how well you can fit into the work.

Kindly let me hear from you as soon as possible so that we can plan accordingly.

Very truly yours,

COMET MODEL AIRPLANE & SUPPLY CO.
