Foreword

We are going into a rapidly changing world. All through our school days we have been preparing for this time to come—the time when we could go out into the world to make our own way. We have been educating ourselves for the new world into which we will step.

During these past two years in Poston II High School, we have been looking forward to the time when we would be able to leave here. Now many of us will relocate to towns, cities, farms, colleges, technical and trade schools—and most important, many of our boys will leave for the armed forces.

In this annual we, the El Chaparral staff, have pictured the story of our 1943-'44 high school life. We hope that this year book will help to preserve the memory of all the happy and joyous times we had together.

*Mr. McLaren,
Here's wishing you
principal lots of
happiness!

DALLAS C. McLAREN
Principal

Dear Mr. McLaren,

It has been indeed nice working under you. These last two years will be one of those memorable moments of my life.

Extending my sincerest appreciation for your friendship and worthy guidance. May your future be one of happiness and success.

Sincerely
Bob Kanagawa

Dedication

To MR. ROBERT K. KANAGAWA we dedicate this 1944 El Chaparral for his untiring effort during the past two years in doing everything possible toward making Poston II High School like other high schools under such abnormal conditions.

In him, we have truly found a fine character — sincere, friendly, personable. To a teacher and friend who has unselfishly carried on extra teaching hours and shown such enthusiastic interest in school activities, we, the student body and faculty members, express our appreciation.

The past year has not been easy, but I believe we can agree that in many ways we have made real progress. Our adobe brick classrooms are comfortable and attractive; our books and supplies are more plentiful; our school activities have been numerous and successful.

But perhaps above all else, our spirit of cooperation has been the key to our progress this year. The patient and cooperative spirit of students is sincerely appreciated by all faculty members. The many instances of courtesy and good will have made all our associations pleasant and profitable.

And so I congratulate all of you and wish for you all the worthwhile things in life.

Sincerely,
DALLAS C. McLAREN

"Gosh, it's certainly dusty today!"
 "Naw, let's stick it through."
 "Do you think we should call it off?"

That's the Juniors talking all right. Each time their social events met up with foul weather, they just kept at it and hoped for the best. And if our guess is right, they were always paid well at the end with calm weather, a swell social, and everyone having the time of his life.

The good socials held in spite of the bad weather are as follows: The Junior Candlelight Installation sponsored by the old cabinet members on the night of November 6, 1943. No sooner had the last couple left the "Desert Inn" on the night of December 18, 1943, after having a perfect Christmas Get-Together Social, that the plans were underway for the most outstanding and most important social of the year—Prom night. A most picturesque scene—soft, melodious music, couples swaying and everyone having fun—all spelled out the most successful event of the year—the Junior-Senior Prom.

The Sophs

Topping off the new year for the class of '46 was a combined candlelight installation and social planned by the outgoing cabinet members.

Gangway, it's time for the ever traditional Sophomore Hop! Within the magnificently decorated "Desert Inn" couples swayed in rhythmic fashion to the soft melodies of the topnotch bands. Heading the successful event that will be recalled by many a person, were popular Sophomore Prexy Tatsuo Tazumi and that truly ambitious Vice Prexy, Henry Terao, ably assisted by the cooperative fellow members of the class.

To fill in the gaps in their class pocketbook the Sophomores all pitched in to put over a boomerang of a popcorn sale. "Hurry and get your popcorn now!" was the familiar cry heard everywhere.

The Fresh

Boarding the cruiser of higher education, the Freshmen set forth on a four-year pilgrimage in search of wider knowledge. With Paul Dohi as captain, assisted by a capable and cooperative crew, the cruiser sailed safely into port reporting a smooth, eventful trip for the first year of the voyage.

Sports

Sports for Poston II High School came in with a bang and fizzled out at the end. During the first semester, Mr. George Inagi, boys' physical education instructor, was largely responsible for the large and varied athletic program. But upon his resignation from the faculty, this program died a slow death.

In all the sporting events, Unit II was greatly handicapped by its size and stature. Always the smallest, the Wildcats fought on, many times proving that they were "small but mighty."

Poston II brought the "crown" three times in the inter-unit baseball league. Intramural basketball was held with the strong Huskies, with Taro Yokoyama as captain, running off with the championship.

In all athletic events "good sportsmanship" was emphasized by coaches and players. The "C" football team, captained by Tommy Matsumoto and Satoshi Hirayama, received the tri-unit sportsmanship trophy.

In track Unit II did not win, place or show. Having only a very small squad the track team, which was considered tiny, had not a chance against the larger fellows from Units I and III.

Row 1—H. Motoike, Y. Okamoto, K. Shiba, N. Nakano, T. Kojima, G. Ohno.
Row 2—A. Terao, J. Tsuboi, S. Hayashi, H. Kajihara, P. Matsuo.

Football for Poston II was a tough season, for Unit I and Unit III fielded trigger teams both in size and brawn.

A'S

The A's did remarkably well with only one sub, but they dropped three straights against their opponents; two of them heartbreakers. Lacking an extra point man, they muffed their conversions in two games and lost because of it.

B's

The Wildkittens, because of their incapacity to defeat Unit I, lost the championship to Unit III.

Twice tying Unit I, 0-0, the Wildkittens were vanquished, 13-0, by the visiting Bears. Coming back, the Kittens snarled and scratched on to a 6-0 win over their bigger opponents.

B's and C's

C's

Heading for what seemed an inevitable championship, the Wildcat C's fell into a slump from which they never pulled out of. Going strong at the start, they took Unit I, 6-0, and rode the Unit III Bears for a 6-0 ride. Then they ran into Old Man Hardluck, who handed them 6-0 and 19-0 defeats when they played Unit I and Unit III in the second round.

Basketball

A's

The A's were the only team not lacking in height, but they got off to a bad start. They dropped their first game to the Unit III Bears, 20-16, in an overtime. Scrambling to their feet, the Wildcats tore into the unsuspecting Bulldogs and tore out a 22-24 victory. Returning to their own hunting grounds, they smacked the visiting Bears on their haunches, then whirled around and scalped the Parker Indians.

Then, to Unit I and the A championship—it was there they went, they saw, and they were defeated. Despite the fine work of Captain Kats Shiba, Tosh Toyota, Sus Hayashi, and Tall Rei Irino, the Bulldogs put it through from all angles of the court.

B's

The B's had a powerful and deceptive team built around Captain Ed Honma, Ben Dohi, Tats Tazumi, and Norio Kokka. Smashing the Bulldogs back into their kennels, 30-26, then raiding Unit III, they took the bacon away from the Bears to the tune of 29-26, in an overtime thriller.

Still rolling, the Kittens visited Unit I and managed to put one in 15 seconds before the last whistle to break the tie score. Then Unit III came growling back, seeking revenge for the trouncing they had received, and amidst a light shower, they waded through the Kittens for a victory. But the three straight victories were good enough to convince the league that the Kittens were the champs.

E. Honma, O. Ichinaga, N. Kokka, B. Dohi, T. Tazumi, P. Hironaka.

C's

Hank Lyemura, putting in an overtime free throw, won the first league game against the Unit I Bulldog C's. While visiting Unit III, the wind turned the game into the hands of the Cubs when the ball was consistently blown away. Hitting the road again, the team went to Unit I and defeated the Bulldogs in a game which was theirs all the way through. Last, but not least, the C's defeated the Bears in a game which meant the Championship.

D's

High scoring John Namba led the mighty Wildcat D's to the championship in four straight wins. Steam-rolling over their opponents by scores like 30-2, 24-4, the little Wildcats displayed plenty of promise for Poston II in the basketball seasons to come.

Track

Fielding a tiny squad, Poston II had tough going against the larger teams from Units I and III. In spite of the handicap, the C's came through with a victory in the Inter-camp meet by one point margin over the Unit III C's. Stellar point gainers for the C's were Tommy Matsumoto in the 660, broad jump, and the hop-step and jump; Shig Imoto in the 60 and 100; and Hiroshi Kamei in the high jump.

In the B's, records were established by Jack Oda who ran the 1320 yards in 3:53. Roy Kato was clocked 1:30 in the 660 yards, while the other iron man on the squad was Mits Ikeda in the dashes.

G. A. A.

The Girls Athletic Association of Poston II are regular athletes and good sportswomen. In spite of the hardships encountered by them—chiefly, the untimely resignation of their Physical Education instructor Miss T. Etow—they kept up their activities in a spirit which typifies the good sports they are.

Esther Nanamura carried the responsibilities of the first president and a hard task it was, for this is the first year of the organization.

Sports weren't the only activities, however, as they sponsored the G. A. A. Benefit Dance.

This year the sports enjoyed by the girls were namely speedball, basketball, volleyball and badminton. Headed by Tea Etow, girls physical education instructor, the energetic girls were up on their toes every minute. Familiar cries heard from the playing fields and courts were:

"Kick it! Kick it!"

"Nice block!"

"Gosh, the wind's too strong for the birdie."

Although the girls lacked good fields on which to play, and sufficient equipment, they progressed in their work and really had fun doing it.

Student Government

With more activities as their keyword for the year, the student body carried on a much varied and an extensive program with capable Student Body Prexy Orden Ichinaga as head, assisted by the student body cabinet and council.

A very cooperative group started the year with the student body conducting a "spring cleaning" at the 210 campus. At the first "back-to-school" assembly, faculty members were introduced while Orden Ichinaga took over the office of president upon the resignation of George Obana who left for the University of Utah.

In order to get into the adobe building at the earliest possible date, student volunteers earnestly worked during their free hours digging ditches, cleaning windows, painting, and doing other odd jobs. Finally on November 9, moving day was declared and a very happy group carrying chairs, tables, and books moved to the adobe building on the new high school campus to make its new quarters.

Arrangements for-assemblies to be held bi-weekly on Fridays began at the end of February.

The student body showed its ability in forming a bigger and better school government when the study rooms were put under the supervision of students, due to the loss of many teachers. Also rules for conduct, regulations and procedures for socials were originally drafted by the Calendar Committee and established by the council.

Through the efforts of the Student Film Committee, headed by George Oki, educational films were secured to show to different classes and organizations.

Plans for public schools' week were well received and appreciated by the parents and other visitors.

Innovations for this year were Sympathy Cards sent out by secretary.

Jr. Red Cross

The Junior Red Cross has successfully completed its second year of active service to the people of Poston.

Its program for the year was large and varied. It included the sponsorship of Accident Prevention Week and essay contest, making of Christmas cards and wreaths which were distributed at the hospital. The largest of all their undertakings was the drive to raise funds to start a Toy Loan Library for the children of the community.

Nat'l Honor Society

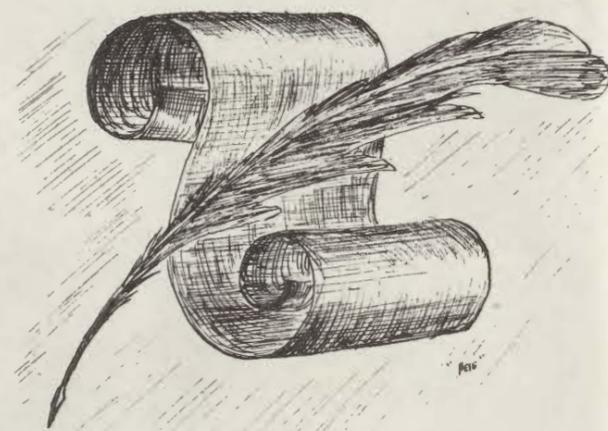

Members of the National Honor Society, as the name implies, are the "brains" of the school. But being honor students does not mean they are "book-worms." One must be a leader, have a good character, be able to carry responsibility, in addition to having a B or higher average.

Quill and Scroll

Quill and Scroll, International Honorary Society for High School Journalists established for those students doing outstanding work in the literary and connected fields, was organized at Poston II High School this year. Members of El Bullador, El Chapparral, and El Curriente had to work diligently in order to receive membership in the Quill and Scroll whose requirements of members are many and difficult. The charter was received early in April and the members were officially initiated.

Headed by President Gene Nakata and aided by Advisor Mrs. Viola Kerber, the Art Club has successfully completed projects of poster making for the Community Enterprise, carving of basketballs and plaques for the local Y. B. A., along with many other contributions to the school.

The Spanish Club was formed to create an interest in Spanish, fellowship among Spanish students, and a better understanding of the language.

At the Spring Fiesta, the Spanish Club sold typical Spanish foods, tamales and enchiladas, which sold out immediately. At various meetings, which were held regularly, Indian pictures were shown and Spanish games were played. The Spanish Club has successfully completed its first year, a truly successful one.

El Chaparral

One of the most treasured of high school keepsakes in a year book. El Chaparral, rapidly going on to its second anniversary, is our annual, and we hope, one of the treasured keepsakes of your high school days.

The members of the staff have been striving throughout the year to make this book a bigger and better one, recording in word and picture your life on the high school campus.

Snapshots of the campus add zest to the book, while gay and amusing cartoons give it spice.

After final assembling, which was skillfully handled by Editor Itsuko Miyanaga; Associate Editor, Sachiye Mizuki; Business Manager, Dorothy Matsumoto and aided by faculty advisors, Miss Catherine Wrenchey and Mr. Robert Kanagawa; the staff brings to you our finished product—The El Chaparral of 1944.

El Bullador

"Hurry up with that copy!"
 "Did you get that stencil cut?"
 "Who has the first page?"

All these quotations were familiar around room 18, headquarters of El Bullador. Still in the first year, El Bullador is widely read over the campus.

The name El Bullador was derived from the Spanish word "bulla" meaning noise, and the Spanish suffix "dor" meaning one who does or makes. The total combination comes out "noise maker." The staff prefers to think of it as the "El Bull" or the "Bull Slinger."

A four-page, mimeographed paper, published bi-weekly, El Bullador has been accepted by the Quill and Scroll. All the work—reporting, writing, editing, and publishing is done by the student staff under the advisorship of Mr. R. C. Wells.

With an able bodied group of members and cabinet the F. F. A. put on the remembered Harvest Ball reigned over by Queen Miyoko Hironaka and her attendants, Alyce Kuwabara, Sadayo Hatashita, and Ritsuye Hatashita. Taking their first opportunity early in the year, the Greenhands were initiated official members.

Probably the most beneficial to the members was the actual study and partaking in the work on the project. The Agriculture boys worked diligently on their poultry and hog raising projects assisted by advisor, George Nishimura, and coordinators, George Yamanaka and Sus Endo.

Jr.-Sr. Play

Quiet! Everybody ready! Curtain going up! It's time for the Junior-Senior play—"Ever Since Eve!" For the first time in the two years history of Poston II High School a play was presented by the Junior and Senior Classes for their parents and friends.

Given before large, enthusiastic audiences on April 4, 5, and 6, "Ever Since Eve", a lively three-act comedy, proved to be a huge success. The play was acclaimed a "hit" by all who attended while many disappointed people were unable to get seats.

The success of the play was due largely to the untiring efforts of co-directors, Miss Joan Smith and Norio Kokka; prompter Aileen Oita; props manager Mr. Robert C. Wells; and all the production crew, stage crew, construction crew, prop crew, and make-up crew.
