

TULE LAKE REUNION

1942 — 1982

California State
Historical Landmark
No. 850-2.

Tulelake Reunion
Sacramento, California
May, 1982

It was 40 years ago when many of us were first evacuated to Tulelake. Although evacuation was a traumatic experience, the brighter side was that we were able to meet and make many new friends.

Since Tulelake, we've gone our separate ways and lots of things have happened. This reunion gives us the chance to get together with some of our old friends to talk about the Tule days and bring ourselves up to date.

Hopefully, this reunion will be as enjoyable for you as it was for us putting it together. If participation is a good indication, our reunion has to be great.

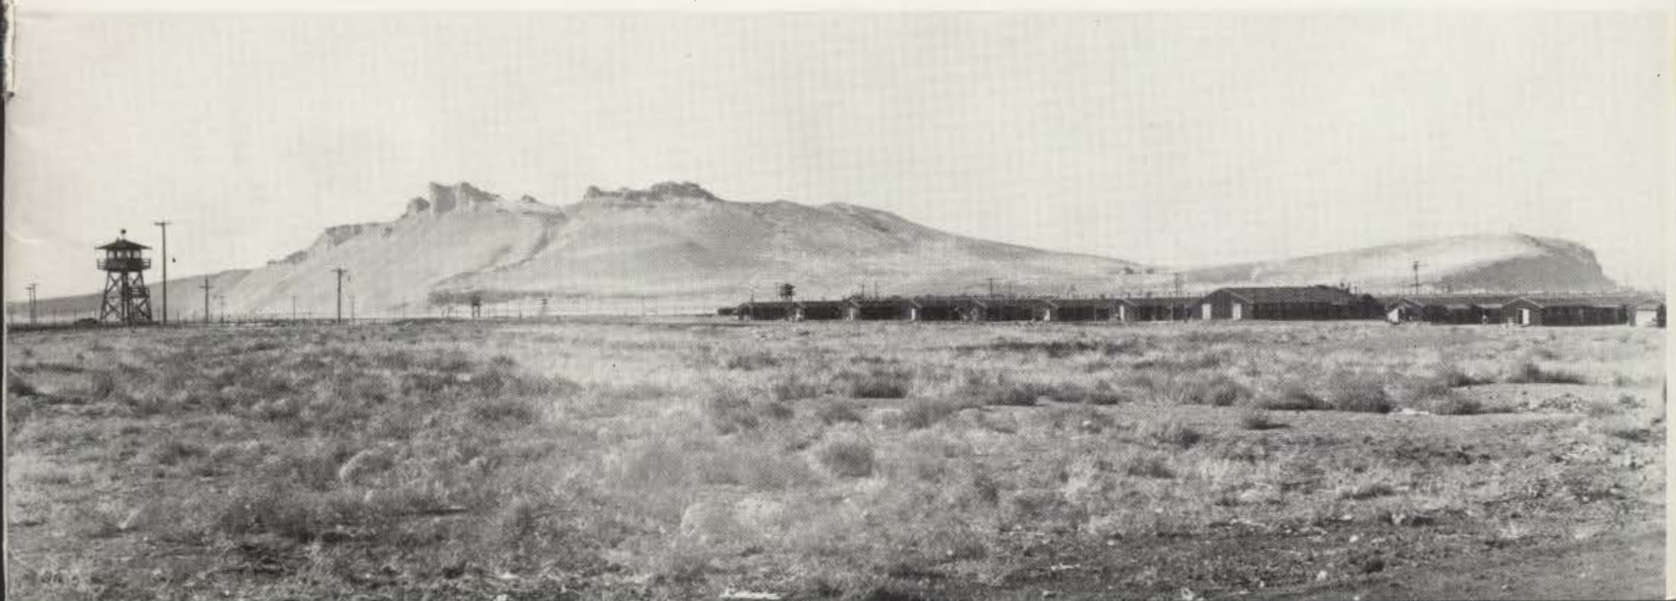

The entire committee welcomes you and, for your support, our grateful thanks.

With regards,

TOM T. OKUBO
Chairman

PAYROLL UNIT

I am a citizen--
Let no slander
Slur my status.

In the other war,
I stood with countless others
Side by side
To fight the foe
My arm was just as strong
My blood fell
As bright as theirs
In the defense of a new world
More precious far
Than any tie of land or race.

If in this holocaust
It be decreed
My loyalty be tested
By submission,
What is the difference
If the end be same?

LOYALTY

--Sada Murayama

My reason may be tested--
Not my heart.

O, what is loyalty
If it be something
That can bend
With every wind?

Steadfast I stand,
Staunchly I plant
The Stars and Stripes
Before my barracks door,
Crying defiance
To all wavering hearts.

I am a citizen--
I can take
The bad with good.
