

WAR RELOCATION AUTHORITY

226 W. Jackson Boulevard  
Chicago 6, Illinois

February 9, 1944

TO: All Project Directors  
ATTENTION: Relocation Program Officer

This is the third Job Summary Report from the Midwest area office, including the district offices of Chicago, Indianapolis, Peoria, Rockford, Milwaukee, Madison, and Minneapolis. The dates on which these summaries are released have been changed, and they are now being sent out as of the first and the fifteenth of each month. The Job Summary Report coming out on the first of the month will be a full report, and the report coming out on the fifteenth will be a supplement.

We believe these summaries should give the center residents a very good idea of the general job offer situation and also of the housing situation in these various localities and assure them of the opportunities awaiting them on the outside.

  
Vernon R. Kennedy  
Relocation Supervisor
