JEROME RELOCATION CENTER'S SEMI-WEEKLY
Vol. II No. 43 Denson, Ark. May 30, 1944

MESSAGE IS PRESENTED GRADUATES

Sermonizing here for the first time, the Rt. Rev. R. Bland Mitchell of Little Rock, bishop of the Episcopal diocese of Arkansas, delivered a heart-stirring and thought-provoking message at the baccalaureate services for the 139 graduating seniors of the Denson High School held Sunday evening in the new Auditorium before a large audience.

His baccalaureate message was a challenge to the young men and women who will soon be leaving the portals of high school to enter the "New World."

Superintendent of Schools Amon G. Thompson presided. The program, drafted by Grace Dildayincluded:

Prelude and processional by Director J. H. Rennick's High School band.

Invocation by Rev. Shinpachi Kanow.

Baccalaureate sermon and benediction by Bishop Mitchell.

Choruses by Directors Pauline Austin's and Mary Kasai's High School choirs.

Announcements by Principal Perry Carmichael.

Vocal solo by Sarah Kimura.

VISIT SHELBY

A group of 21 young women of this Center left here Friday for Camp Shelby where they attended the dance held by the 1st Battalion, 442nd Infantry on Saturday night at the Service Club No. 5. They returned here yesterday.

IT WILL BE IMPOSSIBLE TO MAKE ANY FURTHER CHANGES IN THE LISTS OF TRANSFER DESTINATIONS AFTER OFFICE CLOSES TOMORROW, MAY 31, 1944, STATED PROJECT DIRECTOR E. B. WHITAKER.

CURTAIN DROPPING BEGINS

Preliminaries to this Center's general transfer movements, scheduled to start with the Heart Mountain train trip on June 12 at 9 a.m., took place last week with about 21 families comprising 103 persons--families of "infanticipating" mothers and families of those relocating to Seabrook Farms --transferring to the Rohwer Relocation Center on motor vehicles.

Although it is still in the negotiation stage, two motor convoys may go to Rohwer before June 12.

The transfer procedure follows:

1. PROCESSING OF PREFERENCES--Processing of the preference requests, Form WRA-331 (Family Preference Request for Center Transfer) has been completed by the Processing Committee composed of Chairman Vance Martin, J. Lloyd Webb, Vera J. Saliba, Mrs. Rachel Sady and Minnie L. Mayhan.

The Heart Mountain list of transferees was submitted to the block managers on May 21, the Granada list on May 25 and the Rohwer list on May 26. The unlisted transferees on the Heart Mountain, Granada and Rohwer rosters will be transferred to the Gila River Relocation Center.

DETERMINING FACTORS SET

In determining the transfer destination of the transferees the Processing Committee adhered, in the order named, to the following criteria which were agreed upon by the Councilmen and block managers at their special joint meeting held on April 26 in Recreation Hall 14.

First: Health considerations, medical cases to be certified by the Medical officers.

Second: Families of servicemen for convenience of visit.

Third: Families of relocatees, including those contemplating relocating in the near future to the Central and Eastern States.

Fourth: Family ties, including father, mother and children living together.

2. WEIGHING OF PREFERENCES--At the block managers' meeting held on the afternoon of May 25 in Rec. Hall 36, Project Director E. B. Whitaker stated that those who felt that they were improperly listed should request, through their block managers, an interview with the Project Director's Transfer Committee within 24 hours after the transfer list has been submitted to the block managers.

FREIGHT AND BAGGAGE LOADING SCHEDULE

DESTINATIONS	ENTRAIN	FREIGHT	BAGGAGE
Heart Mountain	June 12	June 2, 3	June 11
Gila River	June 13	June 5, 6	June 12
Gila River	June 18	June 7, 8	June 17
Granada	June 19	June 9, 10	June 18
Gila River	June 23	June 14, 15	June 22
Gila River	June 24	June 20, 21	June 23

OBSERVE APPOINTMENTS

The Transfer Committee is composed of William O. Melton, Runo E. Arne, Charles R. Lynn, Gilbert F. Castleberry, Dr. Douglas R. Collier, Beryl Henry and Louis E. Rice.

Such interviews for persons who felt that they were improperly listed started on May 26. Appointments for interviews are handled by Masao Itano in Ad. Building No. 2.

The block managers are asked to accompany the persons seeking interviews to discuss their transfer destination and be on hand with such individuals at the appointed time as it is difficult to arrange second appointments.

3. TRANSFER NOTICES--After completion of the determination of the transferees' Centers of destination, each individual or family head, as the case may be, will be notified of his or their Center of destination and the time of the scheduled departure from this Project.

4. HOUSING ASSIGNMENTS--Community Analyst Dr. G. Gordon Brown, Council Chairman George Nishimura and Block Managers Supervisor Tozo Yahanda of the Gila River Relocation Center arrived here on May 24 to assign housing locations. Gila's Social Welfare Officer William Tuttle came here May 29.

Dr. Brown will be the WRA train rider on the first Gila-bound train leaving this Project on June 13 at 9 a.m.

Housing Director Howard R. Embree of the Heart Mountain Project and Housing Director Louis Fanslan of the Granada Center are scheduled to come here on or about June 1

(Continued on page 3)

CONSOLIDATED TRANSFER MOVEMENTS ANNOUNCED

(Continued from page 2)

to make housing assignments for the heart Mountain-bound and Granada-bound transferees, disclosed WRA Field Assistant Director Malcolm Everett Pitts of the Denver area who is in charge of the general transfer operations necessary to the closing of this Center.

Pitts arrived here on May 25 and left this Project on May 28 for Washington. He had been in Dallas, Texas, to make arrangements for the general transfer train movements with the Eighth Service Command there.

5. BOXING AND CRATING--Under the general direction of Assistant Project Director William O. Melton in charge of operations and under the supervision of Senior Engineer Maury A. Church, the orderly and uniform method for boxing and crating the freight, checkable baggage and household effects of the transferees is proceeding smoothly.

A locally trained evacuee crew is undertaking the packing and crating, where help is needed.

FORM 156 DISTRIBUTED

6. FREIGHT, BAGGAGE FORMS--Request Forms WRA-156 were distributed by Evacuee Property Officer Castleberry to the transferees on May 27 through their block managers.

Arrangements for shipment of the transferees' property stored in the Jerome Center warehouses and the transferees' bona fide pets should be made with the Evacuee Property Office (Legal Department) in Ad. Building No. 2.

7. LOADING OF FREIGHT AND BAGGAGE--Schedule for loading of freight and checkable baggage has been released by Castleberry.

According to the schedule, loading of freight and baggage will be under the supervision of Property and Warehouse Officer Walter G. Merrifield.

Transferees are asked to help with the loading of their freight and baggage on the trucks and also on the freight and baggage cars so that they will be on the spot to check that all of their property has been properly accounted for. Assistance of neighbors in loading will be necessary and greatly appreciated.

TRANSPORTATION ARRANGED

8. TRANSPORTATION--Arrangements will be made whereby trucks and other vehicles will pick up the transferees with their hand luggage at designated assembling points and transport them to the Jerome railhead. All hand luggage should be limited to bare necessities.

9. ENTRAINING--Upon arrival at the railhead, the entrainees will be instructed to go to the car near the standard carrying the placard with the letter of the car (A, B, C, D, E, etc.) in which they are to ride.

10. ROLL CALL--After the transferees are seated in the cars, the car monitor together with the representatives of the escort command will make a head check and name check of the occupants in that car.

11. TRAIN MOVEMENTS--Under proper escort the train will include coaches, diner cars, kitchen cars, baggage cars, transferee Pullmans, escort tourist sleepers and railway diner.

12. TRAIN WORKERS--They are for coaches--one train monitor, nine coach captains, nine car mothers, two K.P. superintendents, 12 kitchen police, two head waiters and 12 waiters or waitresses. For Pullmans--two cooks and six cook helpers to work alternately. Two formula girls for both coaches and Pullmans.

13. DETRAINING--Upon detraining at the Centers of destination, the Induction Centers will handle the housing assignments, arrangement for induction and employment of the Jerome transferees and receipt of their freight and baggage.

14. MOTOR CONVOYS--Each of the 10 motor convoys to Rohwer will be composed of passenger cars, ambulance, trucks for baggage and household goods, tow truck and escort vehicles.

15. PAY AND CLOTHING ALLOWANCE--Accrued work pay and clothing allowances will be sent to the Jerome transferees at their new addresses in the Centers of destination.

COOPERATION OF ALL IS ESSENTIAL FOR THE TRAIN AND MOTOR TRANSFER MOVEMENTS.

PERSONNEL TOPS BLOCK MANAGERS-COUNCIL, 13-2

Robert A. Allison's Personnel softball team copped the pink-colored paper championship drinking cup last Friday when they overwhelmed the Councilmen-Block Managers outfit, 13-2 on Chigger's Field.

As predicted the game was a "Comedy of Errors" on the part of the Councilmen-Block Managers, and also was dotted with commissions and omissions.

The Councilmen-Block Managers got their only two runs in the third inning when Kaoru Nagai slammed a single then stole second.

Next, Umeohi Henmi walked, then next batter Paul Muraoka hit a long three-base hit which brought in Nagai and Henmi.

In his hurried circuit around the bases Muraoka missed second and was counted out.

For the winners, Vance Martin and Enlow scored on Atwood LeMaitre's two-base bingle in the first canto.

Again in the second, Young Orsburn hit a home run to bring in William Brown for two more.

The fourth stanza proved to be the freezer for the winners when they brought in nine runs on seven hits.

After seven innings the score stood 13-2 in favor of the Personnel.

LeMaitre hurled all the way for the winners and allowed four scattered hits.

Leo Toyama started for the losers. Sasaki took over and allowed 11 hits between them.

All Star Nine Triumphs

FORMER STARS SHOW OLD FORM BUT FAIL TO WIN

Blasting out 11 hits and bringing home 14 runs, the mighty All Star Nine triumphed over the fighting Old Timers, 14-6 in a twilight game last Saturday on Block 21.

The score at the end of the fourth inning was 4-4 but the faster and younger All Stars proved too much for the Old Timers.

Two runs were scored in the initial stanza by the winners when Chono walked, Koda got a single and both stole around the bases.

In the fourth inning the Old Timers came to life when Yamagata came in on Kunishima's three base hit and Kunishima came home on Arakawa's single.

Coming of the fifth put the Old Timers into a temporary lead of, 3-2 when Ishii made home on Yoshikawa's sacrifice hit.

Four runs registered for the All Stars in the fifth canto when Abo got a hit and Chono knocked him in.

Then Koda brought in Chono, Yasui knocked in Koda, and Yasui slid into home on an error.

The sixth inning proved to be the "clincher" for the All Stars when capitalizing on Hurler Tsuda, the All Stars slammed out seven hits and profited by eight more runs.

Youthful "Lefty" Tsukamoto started on the mound for the winners.

He was relieved by Nishioka in the fourth and Abo took over one and one-half innings later to finish the eight-inning game.

Oldster Yasui started for the Old Timers and was relieved in the fourth by Sako.

Later Murakami replaced Sako who in turn was replaced by Tsuda.

Kurima took over the last two innings and handcuffed the opponents easily.

Yasui who started proved his old skill, allowing only 2 hits.

BOs ARE LEAGUE CHAMPIONS

Going undefeated for four straight games in the final round of softball play, the strong BOs copped the championship for the Old Men's League.

There is no championship play-off since they clinched the first round title too.

Out of nine games they have played during the recent season, the BOs lost only one game, a heart-breaker to the stubborn 4Fs in the initial round.

Representing Denson, the BOs trekked to Rohwer to play the Rohwer All Stars a week ago but unfortunately that game was rained out.

SPORT FORTIES

By HIRO MAYEDA

PAPER CUP WINNERS--Last year's A league Personnel softball team trounced the Councilmen-Block Managers to win a paper cup, showing their last year's form.

OLD FIRES SPARK--Although out-scored 14-6 in last Saturday's hard ball play, many of the Old Timers showed that old skill which won honors for them in the past.

MIGHT HAVE WON--The Old Timers are a sturdy outfit and might have won with a steady pitcher all through the game.

WEAK POINT--But on the other hand, looking at the score sheet, we find that nine bases were stolen by the All Stars indicating that years have slowed up the once fast Old Timers.

TRYING--Herb Kurima and Dick Kunishima of the Community Activities Section have been trying all along to slate games with Caucasian teams from the outside but due to already scheduled tilts and other reasons, teams have not been available. They may be able to get a game or two yet before this Center closes.

SOFTBALL--With interruption of baseball by rain, post-rain softball will be resumed.
