## ARMY CALLS NISEI MEN

### HOUSEHOLD GOODS HERE

Four cars loaded with over 50 tons of evacuees' personal household goods came unexpectedly last week from Sacramento, it was announced by Ralph J. Mitchell, property officer. The shipment came from the government storage warehouse and the cost of shipping is paid by the government. At the present date some of the goods which have arrived have already been distributed while others will be held in the warehouse.

Persons who wish their personal and government-stored goods brought in may fill out requisition forms obtained from their block managers, Henry F. Halliday, senior administrative officer, announced. He also added that this is just a survey and when the delivery can be completed is not known.

### US WANTS VOLUNTEERS WHO WRITE JAPANESE

The following story has been released by the Military Intelligence Service language school, Savage, Minnesota. It is printed verbatim and is not to be re-published nor quoted in any newspaper or other publication outside of relocation centers.---Ed.

In an effort towards amelioration of its rulings under the Selective Service whereby enlistment of nisei personnel has been suspended since the outbreak of the war, and in response to urgent requests from nisei circles pleading that nisei men of draft age be granted the opportunity to prove their loyalty by enlisting in the armed services of the United States, the War department has now inaugurated a plan whereby such an opportunity is now presented to qualified nisei personnel.

This opportunity is being extended to nisei who can meet the following qualifications, and is open to both single and married men alike:

1. Applicant should have at least a high school education in this country, and must have a fluent command of the English language.
2. He must have an adequate command of the Japanese language, both oral and written. He should have facile use of "hirakana", "Kata-kana" and a good number of "Kanji" normally used in written Japanese.
3. He must be physically fit for field service.

Men meeting the above qualifications will be given the opportunity of volunteering for enlistment in the United States Army. Recruiting officers will be visiting this center in the immediate future, and further detailed information may be had from them.

Applicants, after passing the regular army physical examinations, will be inducted and sent to the Army language school for a further intensive training of six months, and upon com-

### FORM 74 REQUIRED

Evacuees who are contemplating on leaving this center for private employment must file application form 74 at the employment office, whether or not they have a specific job in mind, advised Clarence Moore, chief of employment and housing.

The application must be cleared in Washington before an indefinite leave can be issued. Such an advance clearance will prevent unnecessary delay when the evacuee has an immediate prospect of a job.

Said Moore, "Due to the large number of Japanese already in Denver, evacuees should consider jobs in western areas."

SPECIAL AGENT IN CHARGE  
NITA  
CHECKS  
The application checks covering a period from Aug. 15 to Sept. 15 are now available at the building opposite the fire department according to Delbert E. Love, fiscal accountant.

### DANCE TONITE

The Sadie Hawkins dance is tonight at the SH mess hall. The time is 7:30, 10 cents is the cost, stagettes are invited.

Get a guy, gal-let's go!

## WOMEN HEAR LINDLEY

Dwelling chiefly on the necessity and subsequent problems of evacuation, Project Director James G. Lindley addressed members of the Granada Women's federation who met Thursday in the 7H recreation hall. Mrs. Chizuyo Kanazawa presided at the meeting.

Other speakers included Paul J. Terry, superintendent of schools, who in turn introduced Dr. Enoch Dumas, principal of the elementary division; Herbert K. Walther, junior high principal; and Mrs. Lottie E. More, home-making department supervisor. Also present at the meeting was W. Ray Johnson, head of community service.

During the business session that followed, Mrs. Kanazawa arranged for a tentative nominating committee composed of one member from every block. This group will prepare a list of candidates for presentation at a meeting next Thursday.

## POST GRAD COURSES

The following classes are open to post graduate students: economics, physics (beginners), solid geometry, trigonometry, algebra II, senior science, agriculture (beginners and advanced), commercial law, bookkeeping II, and shorthand I. In two weeks English and social study classes will open.

Students may enroll from 9:30 to 11 p.m. in 8H-5F.

## TEACHERS

Residents with college degrees or those who can qualify are asked to register with Dr. Enoch Dumas, elementary school principal, for substitute teaching at 8H-9A.

Substitutes are needed for kindergarten, elementary, junior, and senior high classes.

Electric lines too close together are the cause of many minor fires, stated Verner Campbell, fire protection officer.

## CO-OP BOARD TO BE CHOSEN

With the selection of a nominating committee, the senior high students will choose a board of directors for the cooperative store in the near future. Over 275 students have bought shares in the store.

## NIGHT ART CLASS GIVEN

Fine and commercial art classes will begin next Monday evening from 7-9. Principal Charles Mulford announced yesterday. For further information, students are asked to contact the night school office.

Classes in drafting and basic clothing construction has the largest enrollment with 150 or more adults.

Thus far about 350 adults have enrolled for adult education with the women outnumbering the men 10 to one.

## REC ART CLASS

Tokio Ueyama and Koichi Nomiya, two well-known artists, who studied for many years in Paris, will supervise the art department under the recreation program, beginning Monday.

Classes will be held at the 7E recreation hall on Mondays, Wednesdays and Fridays. The hours are from 9 to 11 in the morning, 1:30 to 4:30 in the afternoon and 6:30 to 9 in the evening.

## LIBRARY HOUR CHANGE MADE

A change in the daily library schedules and night hours has been announced by the three school libraries. Adults are invited to use the facilities offered by all of them.

The senior high library is open from 8 a.m. to 5 p.m. Mondays through Fridays, Saturdays from 8 a.m. to 3 p.m. and 2 to 4 p.m. on Sundays. Libraries are open nightly except Saturdays and Sundays from 7 to 9 o'clock.

The junior high hours are from 1 to 4 on Saturdays and 2 to 4 on Sundays.

## Short TAKES

Amy Inouye, 7F-11E, became the bride of Fred Arimoto, 7F-12E, in a simple home wedding performed here Tuesday afternoon by Rev. Agatsuma of the Granada Protestant church.

"There is some confusion as to the correct name of this center, judging from the incoming letters," stated Joe McLelland, reports officer. "Although the post office address is Amache, Colorado, the name of the WRA project still remains, Granada Relocation Project," he concluded.

There are a limited number of jobs awaiting export chink scabs in Alabama according to word received at the Pioneer office.

For further details write to P.O. Box 1387, Birmingham, Alabama.

Parties and gatherings in recreation halls must be okayed by the recreation department and forwarded to the police department for a permit.

Mess hall gatherings must be okayed by the mess department and forwarded to the police department for a permit. Permits for gatherings may be obtained at the police office, 6F-6D.

Boys and girls are asked to attend the Protestant church choir practice in 8H-11E, every Tuesday and Thursday at 7:30 p.m.

The following girls left the center on Wednesday to fill jobs as houseworkers in Denver: Suzie Yamaoka, Setsu Furuno, Lily Marita, Amy Ishizu, Peggy Taniguchi, Lois Kammura and Yae Yokoi.

A meeting of the Amache little theater group will be held on Tuesday, Nov. 10, at 8:00 p.m. in 8H-11E.

All persons who are interested in acting, directing, stage design, make-up, costumes or properties are invited to attend.

Director Robert Dierlan and assistant Cherry Yoshitomi will instruct the group.

## MANAGERS TO PLAN TOUCH GRID LEAGUE

Teams wishing to enter nine-man touch football leagues are to send their managers to a meeting 7:30 p.m. Monday at the 75 recreation hall, announced Koe Yoshida of the recreation staff. A and B leagues are planned and the managers are to discuss rules and regulations and draw schedules.

## INTRAMURAL FOOTBALL

Plans are being made to form an intramural touch football league among the junior high school boys according to Coach John Hoke. Rules and regulations used in tackle football will be observed except for the use of body blocks and tackles. The girls under the direction of instructors Freda Mahoney and Wayne Kishi, are well underway in volleyball at the playground.

## MASUOKA IS SPORTS HEAD

Pete Masuoka, former Santa Rosa junior college star athlete, has been named a successor to Hilton B. Starn as center high school recreation leader, the education department announced this week.

Starn resigned to seek employment outside the center. Masuoka starred in football and track at Santa Rosa High School and Santa Rosa Junior College.

## SANTA ANITA ELEVEN TO BATTLE SEPOL

The top-notch touch football duel is to take place tomorrow afternoon at the 100 playground when Sepol and Santa Anita tangle for the center's gridiron supremacy. Both teams are lined with seasoned players. The contest will begin 2 p.m. Heading the Santa Anita aggregation will be Ted Makishita, Woody Oenaka, Dave Masuoka and Hiroshi Ito. Sepol will rely on the famed backfield quartet of Pete Masuoka, Johnny Harwood, John Ito, and...

This afternoon, gridiron from Livingston and Modesto will take to the field at 100 playground to settle the 6-6 deadlock of two weeks ago. Modesto is a slight favorite.

## ADULT SERVICES

Adult Protestant church services will be held at the 100 recreation hall as well as at the 75 recreation hall tomorrow at 9 a.m.

## MORE ON VOLUNTARY ARMY ENLISTMENT OF NISEI

(continued from page 1) plation of the bureau will be sent out into the field with combat troops. The duties definitely will not be of espionage or courier type of work. A limited number of students who show special aptitude and temperament for teaching will be retained at school as enlisted instructors with rating of sergeants or better. Prospective applicants and those interested should try to settle personal affairs and be ready to leave this center with the recruiting officers.

The response to this plan for Nisei to enlist in the Army will be looked upon as the acid test to whether or not the requests for opportunity to enlist being made through various Nisei publications are made in real sincerity backed up with action. The first step in re-appraising the status

of Nisei under the Selective Service, and the standing and treatment to be accorded to Nisei under future changes in the Selective Service, as well as their post-war status, will depend to a great degree on the Nisei reaction to this plan which Army officers sympathetic to the Nisei have worked out with a small amount of deliberation and trouble expounding the Nisei side of the picture with the Selective Service system.

## Thumbnail SKETCHES

A traveler, historian, and athlete is Rev. Lester E. Suzuki, chairman of the English division of the Granada Christian church.

For six years preceding the evacuation order, Rev. Suzuki was a minister at the Los Angeles Japanese Methodist church and helped to construct the first nissei chapel in the United States.

Rev. Suzuki spent his early childhood in Hawaii and later moved to the mainland. He graduated from San Jose high school in 1927 and was the first nissei to receive a degree from San Jose State college when he graduated in 1932. During his college years he was a varsity track star.

A year of study at the Iliff School of Theology in Denver and further post graduate work at the Drew Theological seminary in New Jersey followed, and in 1934 and 1935 he received degrees of bachelor of divinity and master of arts at the seminary. His first experience as a full-fledged minister came at Wapato, Wash., in 1935.

In the following year, Rev. Suzuki made a extensive tour throughout the Far East and visited Shanghai, Hongkong, Manila, and many Japanese cities.

Rev. Suzuki has had personal contact with such reknown men as Bishop Abe, organizer of the Japanese Church of Christ, and Father Divine, idol of millions of negroes.—Suyee Sako

## SUB-OTAGE?

SAN FRANCISCO, Nov. 6.—The Japanese "subside submarine" of Pearl Harbor made local headlines again.

The two-man submarine captured after the attack on Pearl Harbor collided with a Greyhound bus as it was being towed on a truck to the civic center to be placed on exhibition.

At a downtown corner it swung wide and the propeller blades knocked against the bus window. One woman received minor cuts, according to a recent A.P. story.

## YWCA PROGRAM TO GET UNDERWAY IN CENTER

A temporary advisory Suzuki.

committee met last week to plan a well-rounded center YWCA program, the first activity of which is to be a get-together rally.

Members of the advisory committee are W. Ray Johnson, Rev. Lester Suzuki, Rev. Masao Hirata, Keiji Matsuhira, Madames V. Ramsland, Lottie More, Margaret Walthers, Akira Arai, Koto Hattori, Kiyo Doiuchi, Rio Kashiwagi, Thomas Saito, Rokuzo Ohi, George Y. Takeyama, Tomomitsu Yamasaki, and Misses Catherine Luby, Hans Uno, Yuri Domoto, Dorothy Takechi, and Alice

The purpose of the YWCA: "To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians."

"In this endeavor we seek to understand Jesus, to share His love for all people and to grow in the knowledge and love of God."

Further information on the YWCA and its activities are to be had at 10H-5A, and at 12C-2B, according to members.

## SCOUT HEADS AID PLANS

Louis E. Glinkman, chief executive, and Jack Brittain, field executive of the Rocky Mountain boy scout council, were present at a meeting of the center scout leaders at 7E recreation hall Monday evening to answer questions and advise the leaders on future organization.

Mikio Fujimoto, former scout commissioner of the Merced assembly center, was appointed chairman for the nominating group of the district scout committee.

## FOUR-MILE HIKE

A four-mile observation hike is planned by the boy scouts tomorrow at 9 a.m.

## BABY GIRL BORN

Mrs. George Kimoto gave birth to a baby girl at the Merced hospital on Oct. 30, according to word received here this week. The father, George Kimoto, 12F-2F, is now working near Denver. Both are former Modesto residents.

## COLLEGE BULLETINS

Descriptive literature from colleges and universities is being filed in the high school library, 8H-5A, for the use of the general public wishing enrollment information, according to Paul Terry, su-

## MORE MILK MAYBE

The possibility of obtaining larger quantities of bottled pasteurized milk than are now being received daily was reported by Dr. G. A. Duffy, chief medical officer, this week.

However, due to the uncertainty of the plan, a requisition for a larger supply of S.M.A., powdered milk and evaporated milk has been made to supply the babies under a year and a half.

## GRADING STARTED

Preliminary work of grading the blocks to drain the water away from the barracks and mess halls during the wet weather has been started and will be carried on as rapidly as more equipment becomes available, announced Louis Temple, senior construction foreman.

Blocks requiring extra-heavy grading will be attended to at a later date, he added.

perintendent of education. All available newspapers from other WRA centers have been forwarded to the public library, publication director, Onki Tanigaki, announced. Ten center papers will be on file, he said.

## LONG-LOST COUSINS REUNITED

Long-lost cousins are traditional joke characters, but Goichi Maeda, 6H-3D, really found his as an indirect result of relocation to Colorado.

It all happened when Kantaro Maeda, La Junta hotel proprietor, recently met Masaki Hiratsuka, a res-

ident of the center, who was on a business trip in that city. Maeda asked Hiratsuka to contact for him any former residents of Otake-machi, Suiki-gun, Hiroshima, Japan, who now live at Amache.

Hiratsuka's search led him to the apartment of Go-

ichi Maeda. After checking names and dates, Maeda discovered that the La Junta hotel man was a cousin from whom he had not heard for the past 30 years.

After an exchange of letters, the cousins are planning a meeting here next week.

## DENTAL CLINIC RULED CITED

All persons under 18 years of age must be accompanied by their parents or guardians for dental appointments, announced Dr. George H. Nagamoto, chief of staff, Friday. This is in compliance with the Colorado state law that requires the signature of the parent or guardian.

Despite the inadequate amount of supplies, the dental clinic is handling an average of 70 patients a day. At the present time, the work is limited to extractions and fillings, but on completion of the laboratory, all types of dentistry will be possible.

The clinic is located in the 4th ward of the hospital. The hours are from 8 to 12 a.m. and 1 to 5 p.m. daily, and from 8 to 12 noon on Saturdays.

## POLICE DEPT.

The police department announced that their temporary headquarters are located at 6F-C&D and their two sub-stations are established at 11F and 11H recreation halls.

The department has divided the camp blocks into three districts and reports on each are to be handled by the three district offices.

## Letters TO THE EDITOR

### TO THE EDITOR:

With the whole world upset, life must go on as usual. So, would someone take pity on two lonely Japanese-Canadian road workers? We like to go places and see things, but can't; so the next best is to hear about them. Ace is 23, five feet, three inches, and would like to correspond with boys and girls between the ages of 18 to 23. Rusty is 19 and five feet, two inches, and would also like to correspond with boys and girls between the ages of 16 to 18. We like all outdoor sports, dancing and shows. Our hobbies are practically everything under the sun. Will exchange snaps with everyone who writes, so come on, sling some ink our way. We'll be waiting.

## TEXTILES

An adult class in textiles and interior decoration is being held every Monday, Wednesday, and Friday evening from 7 to 9 o'clock at 8H-6C.

Mrs. Shizue Watanabe is the instructor, a night school announcement said.

### TO THE EDITOR:

I've noticed many block managers are passing out a roll of toilet tissue to every person in their respective blocks. I realize why this action has been taken but I am wondering if they haven't overlooked something.

The complaint is what are individuals who cannot go back to his own block during the day supposed to do?

Is he or she supposed to run home for his musical roll or string it around his neck every time it is necessary to go to the latrine?

What if the distance to home is too great? Then what happens?

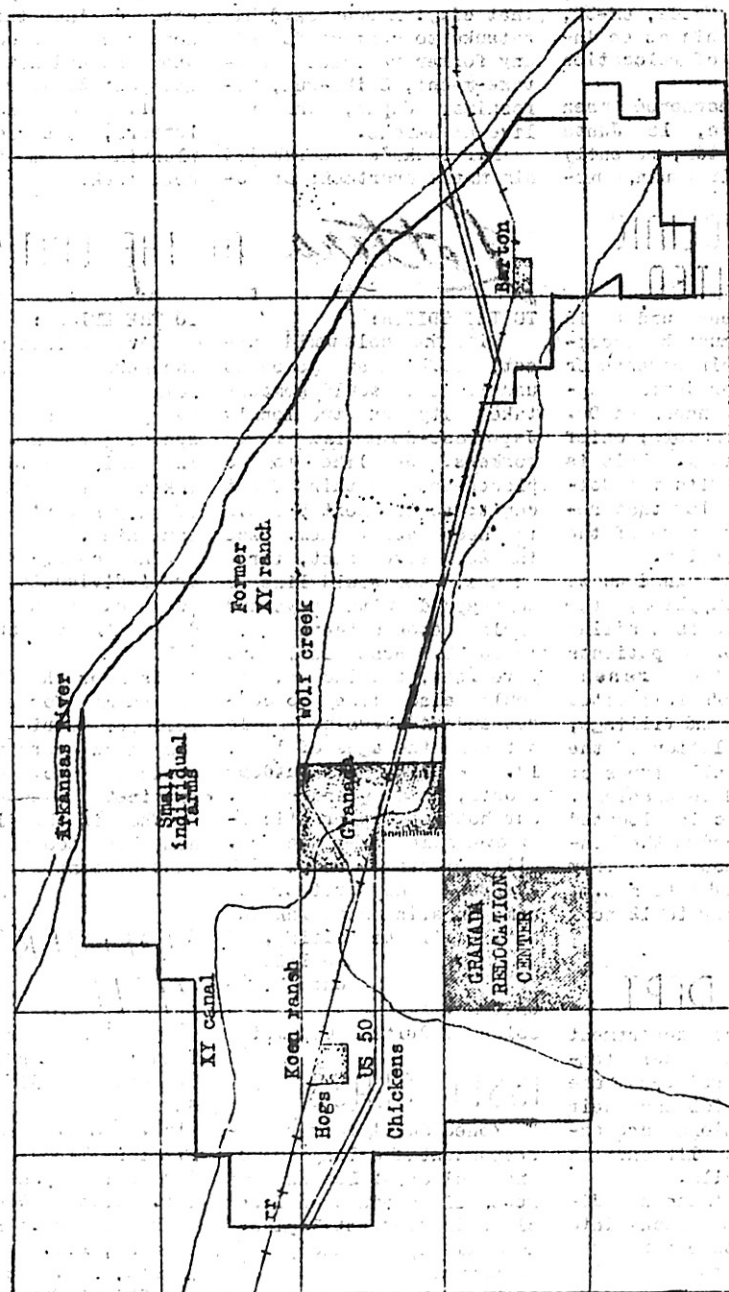

Suyoo Sako

This map of Granada project is a reproduction from map prepared by the U. S. department of agriculture. The site of the camp, the former XY ranch and Koen ranch, and the location of the project vegetable and farm areas have been

added by the staff artist.

Contrary to popular belief, the town of Granada is excluded from the project area. The squares indicate one square mile showing approximately 15 square miles as the area of the Granada center.
