## Treasury Department Unblocks All But Limited Number Of Evacuee Accounts On Army Clear List

WASHINGTON. — To aid WRA in its relocation and liquidation program, the Treasury Department has informed the WRA that they unblock all but a limited number of the accounts of evacuees on the Army clear list.

Through the Project Director, forms to request unblocking or deferrals will be forwarded to the Federal Reserve Bank in San Francisco. The bank will determine what the statements on the individual accounts are complete. Individual blocking orders will be mailed in care of the Project Director, and private banks will be notified.

Evacuees in these categories are ineligible to apply for unblocking orders through this special arrangement with Treasury: (1) persons not on the Army clear list, (2) those who have been granted deferrals, (3) persons who have represented or acted as agents for any person outside the continental United States on or since July 26, 1941, and (4) persons who now hold funds belonging to blocked nationals.

Those who are not eligible may, however, apply for reconsideration of their cases by filing Form TFO-1 with the Federal Reserve Bank of San Francisco. Business enterprises may apply for unblocking through the same procedure.

Unblocked persons and business enterprises are subject to

### Rancher in Yuba Threatened for Hiring Japanese

MARYSVILLE (Yuba Co.), Calif. — Federal, county and Camp Beale military authorities Thursday started an investigation after Harvey B. Whitten, operator of a ranch employing Japanese Americans, was threatened by the officials he was threatened with violence by two men in armed service uniforms in Marysville, Tuesday night.

The uniformed men, Whitten said, resented his hiring of recently released Japanese Americans on his Placer County ranch near Wheatland.

Whitten telephoned to W. E. (Bill) Urness of Sacramento, representative of the WRA, whom he conferred with Sheriff Charles J. McCoy and representatives of the provost marshal's office at Camp Beale. Whitten said one of the men who threatened him was dressed as a marine and the other a soldier.

Sheriff McCoy visited Wheatland to check information that the two lived in that vicinity.

### Nisei Secretary in Rochester WRA Office Joins WACs

ROCHESTER, N. Y. — Following her induction into the Women's Army Corps a few weeks ago, Miss Mikayo Yamamoto, 21, formerly of Los Angeles and Poston, left this city on April 30 for basic training at Fort Des Moines, Iowa. She had been employed for the past year as secretary in the local WRA office.

"I am very happy to be accepted into the WAC and to have the opportunity to take a more active part in the war effort," Miss Yamamoto said.

Born in Los Angeles, Calif., Miss Yamamoto was attending Los Angeles City College at the time of evacuation. In May 1942 she and her parents, Mr. and Mrs. Ichizo Yamamoto, still reside while at Poston, Miss Yamamoto worked as a secretary in the Law Department. She relocated in September 1943 to New York City and was employed in the WRA office there until her transfer to the Rochester office.

## Report On Japanese Given Calif. Senate

SACRAMENTO. — A Senate intercommittee on Japanese resettlement held before the last week a report stating that the committee is vigorously opposed to the return of Japanese to California before the end of the war.

The committee also recommends the most careful scrutiny of Japanese language schools if they should be reopened.

Sen. Donnelly (Turlock, D.), is chairman of the committee, other members of which are Fisher (Rt., Barkerfield; Slater (D.), Santa Rosa; Quinn (D.), Eureka and Hatfield (R.), Merced County.

### Report Quoted

"It is highly desirable that some means be found to eliminate or alleviate the condition in California resulting from the dual citizenship of Japanese, both because of the possibility which Japanese may have American citizenship, they in many cases place a higher value and a higher loyalty upon their Japanese citizenship."

Unfortunately, this appears

to be entirely a Federal question and a matter which is beyond the jurisdiction of the State of California."

### Allen Land Law

Between 1943 and 1945 the committee held hearings at Modesto, Turlock, Merced, Watsonville, Salinas, Modesto, San Francisco, Los Angeles, and Tulare Lake on Japanese resettlement.

The committee reports that it found the alien land law had not been properly enforced in California at any time since its adoption in 1913.

The Federal Government, which opposed the law at the outset, has been against ever since, the committee states, and this has made enforcement difficult.

Gov. Warren signed legislation last Wednesday designed to remove constitutional restrictions on the alien land law, prohibiting commercial fishing licenses to alien Japanese fishermen. The measure makes all persons ineligible for citizenship ineligible for fishing licenses.

The report also states:
