

# El Joaquin

SEP 19 1942

VOL. 11, NO. 2

STOCKTON ASSOCIATED CENTER

WEDNESDAY, JULY 15, 1942

## COUPON BOOKS MONDAY

### 2ND PAYROLL SOON

The payroll for the month of June 10 to July 9 of approximately 1159 Center workers in the three classes, the unskilled, the skilled and professional, was assembled, tabulated and sent to the main headquarters in San Francisco Monday night.

"The pay checks should be here in a week or ten days," announced Mr. R. Frost, Chief of Personal Accounts.

### CLOTHING

## INSTRUCTIONS ANNOUNCED

Issuance of clothing heretofore restricted to workers and their families and to unemployables will soon be available to everyone in the Center according to the latest information from the Social Welfare Department.

In order to prevent confusion and delay, each applicant is requested to follow these regulations: (1) have your ID card (2) apply for family group, not individuals, or your application will not be recognized (3) application can be made by any member of the family, but application must be signed by the HEAD of the family.

The amount of clothing available is limited to monthly accumulative governmental allowances. They are:

- \$2.25 for infants-1 year
- 2.60 for children 1-5
- 2.15 for males 6-16
- 2.85 for females 6-18
- 3.82 for adult males
- 4.61 for adult females

Until further notice the Social Welfare Booth will follow this temporary schedule: Monday--application, Tuesday--signing of application, Wednesday--package distribution, Thursday--application, Friday--signing of application, and Saturday--signing and distribution.

### Midsummer Mix-up!

A starry sky, a soft breeze and scintillating melodies--it's the "Midsummer Mix-up" for the dance lovers this Saturday evening, 9 to 11 p.m., on the outdoor Pavilion.

Everybody, come out and be part of a merry, merry mix-up.

### STARS GALORE

## TALENT REVUE SATURDAY

An all-star studded (to borrow a favorite expression of the Sports Dept.) Talent Revue will be featured this Saturday at 2 p.m. on the Platform, according to Mr. M. Nakamura and John Kono, co-chairmen.

The best of the Center have been recruited to offer their abilities to entertain the Center-ites with both English and Japanese selections.

The Ouchida sisters will again share the spotlight with other performers--vocalists, semi-sen artist, hula dancer, harmonica soloist, monologist, and actors. A complete program will be printed in the EL JOAQUIN in Saturday's edition.

Masao Wakai will be in charge of the P.A. system. Residents are asked to bring their chairs.

## O-BON FESTIVITIES TONIGHT!

### 8:00 TO 11:00 FOLK DANCE

The shimmering hues of brightly colored kimonos will be lacking, but Center residents are expected to turn out en masse to witness over 500 dancers participate in tonight's colorful O-Bon Festival dance in front of the grandstand.

The dance is scheduled to start at 8 p.m. and will end at 11.

Red buckets are a temptation to the Center-ites. Maybe, if they were painted purple, the buckets would be left in their proper places. These brilliant scarlet buckets are for fire emergencies only. DO NOT USE THEM FOR OTHER PURPOSES.

Strict measures will be taken by the Police Dept. if the Center-ites refuse to heed this warning.

### EDITORIAL ON EDUCATION

Education plays a dominant role in the life of every growing child. It is as valuable to their mental development as recreation is to their physical health.

Thus, some weeks ago, the Center organized an educational system whereby classes for children, high school students, and adults were started. Handicapped to some extent by the lack of supplies and facilities as well as trained teachers, the work in this department, however, has shown a marked degree of progress.

Attendance to all classes, especially the primary grades where cookie, fruit, and milk are given to the youngsters daily, has been excellent, but there is a small number of juveniles who are not enrolled.

If the parties responsible for these children would undertake to see that these youths are listed in any of the various classes, the youngsters would benefit from their efforts.

### COOPERATIVES

#### WHAT AND WHEN

A Cooperative is a business enterprise owned and controlled by the producers or consumers, the control of which rests EQUALLY with all the members, and the gains of which are distributed directly or indirectly to its members.

In a consumers' cooperative the ownership and operation of the marketing organization are in the hands of the consumers; and in the producers' cooperative the ownership and operation of the manufacturing plants and other productive enterprises are in the hands of the workers. All cooperatives are based on the idea that the consumers or producers are to benefit by any gain from the enterprise.

Of historical importance is the achievement of the 28 weavers in Rochdale, England, who in 1844 started out with a capital of only \$140. This is the beginning of the consumers' cooperative movement. This Rochdale cooperative was successful from the very start. In ten years it had a membership of 900 and a capital of \$35,000. From this humble beginning the cooperative movement grew until we have 75,000 societies throughout the world, membership of 70,000,000 and a business of over \$16,000,000,000.

The successful cooperatives have followed the Rochdale plan. The principles of the Rochdale plan will be discussed in the following issues.

TULE LAKE....  
What a mess!....  
mess halls are now in operation.

Snake a leg, you loafers.....A levy of \$20 per month is to be charged against any person eligible for the W.R.A. Work Comm who refuses to work.....  
What's more, \$20 for every dependent of the slacker.

More proof that there is no lake in Tule Lake... Colonists are asked to use as little water as possible.

NERCED....  
He signs himself Mr. Waiting.....Excerpts from letter in "Gripe Column"..  
"I am a patient man....I'm really getting mad, tired of just waiting for the things which others are getting and me--just waiting".....  
So stated Mr. W. in his unusual request for benches and tables.....  
"They (carpenters) are putting in partitions in toilets and showers. We are all He-ken and not mice--the partitions don't seem to be needed--but being men we must write to our girl friends once in a blue moon, and one table is worth a dozen toilet partitions....."  
PINEDALE....

Exodus.....4000 to the lake of no water--750 to the land of sun and sand.. Now "we're going to Tule Lake" rumor mongers, here's the statistics for the "lake".....Approximate date is 11,000; Pinedale will make it 15,000....But ---Pancho and Tazale would like to know where they're going.

#### NORTH PORTLAND....

Cakes weighing 50 lbs. each were baked for the 4th.....40 lbs. of flour and 30 lbs. of sugar were used for each cake.....That's a lot of dough.....and my oh my, what we couldn't do to our lemonade with all that sugar.

**GOOD-BYE, Mr. Mundell**  
 Bidding farewell to a gathering of well-wishers, Center Manager Harold Mundell left the Stockton Assembly Center at 11 o'clock yesterday morning to take the 11:20 train for Santa Fe, New Mexico. "I'm sorry to leave," stated Mr. Mundell, "and I'm wishing the Center-ites the best of luck."

**WHAT A MESS**

**CLEANLINESS - MESS #3  
 WINNER OF FIRST CONTEST**

"Judging was difficult, but Mess #3 won due to its consistent cleanliness day after day. Those conscientiously trying for first place should pay #3 a visit and get some pointers," stated Mr. L. C. Shaffer, referring to the first mess contest held in the Center. "Messses #4 and #5 were close seconds."

The winning crew was awarded a "flock" of luscious Honey Dew melons. In addition, they were given the privilege of having a big "blow-out" last nite at the Edex Hall.

Afternoon chef, Robert Okimoto, commented, "I am grateful to the mess boys and to the Block 3 residents--especially the Block Supervisors, Ted Oseto and Al Kawasaki--for it is because of them that our mess has won. We will try to keep up our record." Frank Egawa is the morning chef.

"Block 4 janitors won the janitors' contest, which was also a difficult one to judge," said Shaffer.

The broken dish contest was called off because four mess halls had no broken dishes.

The second contest has already begun and will end on July 20.

**PRESENTING MR. W. H. HANLON, JR.**

William H. Hanlon, Jr., the Center Store executive, is a 50-year old Sacramento-Californian.

Graduating from Santa Clara College in 1914, his vocational interests later resulted in his employment in the U.S. Dept. of Agriculture. His marriage has been honored by three children, one of whom is now in the Air Corps.

He enjoys playing golf but stated, "I couldn't catch a fish even if they tied it on to my line."

Mr. Hanlon remarked, "I think the people here have

been helpful to me, and I have a fine group of boys and girls helping me."

**FINGER-SPICED MEAT CHOPPERS  
 PRESENT AMAZING STATISTICS**

The "Local Union Five" of the butcher shop have put out these amazing facts.

During the last two days (Sun. and Mon.) 28 finger-spiced meat choppers have butchered 4,000 pounds of beef, 2,000 of veal and 600 of mutton. They also sliced 800 pounds of bacon and 1,500 of ham.

The union (baloney boys) is headed by Frank Watkins, supervisor, and T. Ijuin, the boss, with the assistance of Joe Ohare, Joc Kabuki, Ren Tomura, Haruo Shironsaka, Sugar Takahashi, Gerry Shiots, Jogi Kennotsu, Johnny Akaba, S. Ogata, T. Kaneda, M. Fujimoto, T. Yonemoto, S. Ogasawara, G. Yasunaga, S. Hattori, K. Kubota, T. Iseui, Y. Kihara, T. Mishimori, G. Sato, L. Sato, R. Sato, W. Sakasagawa and Tomita.

(Continued from page 1) further announcement is expected soon.

In order to obtain the free scrips for the two months, the applicant has only to sign the coupon books. The necessary details will be worked out beforehand by Gordon and the block representatives.

**Who dood it?**

This Center is not sponsoring a rubber drive as yet, so the residents (the children maybe?) are asked to stop collecting rubber fixtures from the latrines. These fixtures are difficult to replace.

**STATISTICS DEPT.**

A new department has been formed under Kiyoshi Shimasaki in the Division of Finance and Records was the announcement made by Supervisor R. Millet.

This new department will handle all statistical work --graphs and charts---connected with the Center Store, shoe shop, clothing issued by the Social Welfare Department, coupon books and mess hall reports.

(A note in The Public box)

How much water does this camp consume per day?

-Anon-

The amount of water consumed in this Center for a period of one month adds up to approximately 8 million gallons which amounts to 6.34 gallons per person per day. The cost of this enormous quantity of water is \$467.68.

**No Rollcall Tonight!**

9 p.m. roll call will not be held tonight in order that the O-Bon Festival Dance may continue without interruption or delay.

**Pad of Bye'n'bye**

Wednesday:	7:00 p.m.	Card Party
	and after roll call	Study Hall
	8:00 p.m.	Bon Odori
Thursday:	9:00-11:00 a.m.	Home Nursing
	2:00- 4:00 p.m.	Home Nursing
	4:00 p.m.	Beginners' Dancing
	7:00 p.m.	Community Singing
Friday:	3:00 p.m.	Beginners' Dancing
Saturday:	2:00 p.m.	Talent Revue
	9:00-11:00 p.m.	"Midsummer Mix-up"

Page 4  
**FIRST AID**

**HISAKA ALMOST PASSED OUT**  
A worried, legard, white and shaken person came dashing into the Press Office, last Saturday. It was Art Hisaka. "Who wrote that article about First Aid instructors?" he demanded.

The poor fellow didn't see his name on the list of those who passed the Instructor's Course. In fact, he was the only one omitted! What if his name hadn't been

sent into Nat'l headquarters to be credited for the course? Onigoshi!

It seems that the reporter who received the list of names did not get that of one Art Hisaka. Therefore, he didn't put it out in the EL JOAQUIN. But all the time his name was heading the list!

By the way, the one who blundered--was me.

**SCOUTS SLATE MANY ACTIVITIES - FINGERPRINTING DEMONSTRATION**

Mr. Chris Nichols will present a demonstration and lecture on fingerprinting to all Center Boy Scouts this Sunday at 9 a.m. in the Visitors' Booth.

An everyday activity for the Scout is passing various merit-bridge tests which were made possible through Mr. F. T. Parsons of the Works Division.

There are over 120 subjects, the most popular here being First Aid, cement work, personal health, firmness, carpentry and handicraft.

There is a councillor for each badge. All scouts passing the merit bridge tests are required to present to the councillor handbooks and certificates signed by their scoutmasters.

Troop 91 has exceeded its membership quota of 57 boys. Others wishing to join must be on the waiting list.

A Board of Review will be held on July 23; a Court of Honor, on August 5.

**SHUT-INS & HOSPITAL NOTICES**

The latest measles victims are Fred Srko, Yoko Iwahashi and Frank Shimizu.

Mrs. Sumiko Mishiura, Mrs. Yoko Nakamura and Mr. Masayuki Ishihara are all confined in the County Hospital for appendicitis.

All those between the age of 6 months to 2 years please report to the Hospital from 1 to 2 p.m. today for whooping cough vaccination.

Diphtheria injection will be given to those who

**BEAVERS AT WORK**

Thirty-eight woodcarvers in the Jr. class (under 18) will meet today at 3 p.m. at Block 10; the same number in the Sr. class (over 18), on Saturday at 2 p.m. at Block 10.

Ray Ettore and Ken Hergio are instructors.

The handicraft classes are no longer open, as there are already too many persons to handle.

**COOPERATION AND COURTESY, KEYNOTE OF MESS #5.**

What! In a mess again?!? Yes, right in the midst of messes is Mess #5 waiting patiently (?) for its share of publicity.

"Cooperation is the keynote of Mess 5," decl. red Ben and M. Harada, chefs.

They are assisted by cooks: George Iida, Ted Uchinoto, K. Yonezumi, K. Hozbo, J. Takashina, I. Fukuda, P. Sako, T. Yamashita, I. Tsubota, S. Yokoyama and

**FIRST AID CLASSES SWELL; TEACHERS, WARDENS ENROLL**

Great interest in the First Aid Standard course has swelled the number of classes and persons, according to Mr. Jack LeFevre.

Chief Don Murphy is working out the details to give the course to over 100 Aid and Warden.

The two junior classes for Boy Scouts (12 and under), which are no longer open for sign-up, are supervised by Paul Shizuda and George Uyeda.

A sign-up for girls, who are over 16 and who are working, will be held at the Recreation Office. The class will be in the evening with Grace Eagle instructing.

Issai classes will be organized later.

The time and place for each class will be arranged to avoid interfering with other activities. So all those interested are asked to sign up.

M. Nonaka.

K. Yamashita is the head waiter. His aides are: K. Fujii, C. Tanji, E. Sano, K. Mitta, N. Tanimoto, M. Takahashi, M. Kamita, Y. Kamita, T. Fujioaka, K. Ito, M. Mikami, F. Mikami, J. Mikami, T. Pakushina, I. Yoshimoto, K. Okada, I. Kawato, T. Namba and E. Yamazumi.

The five efficient waitresses are: Tomiko Sugimoto, Haruyo Yamashina, Suzuko Watanabe, Toshiko Ooto and Kimi Horita.

Smiling Suzuki (Geo. L.) is the stock clerk. He is helped by H. Ito.

The vegetable men are: K. Kusada, K. Ishii, S. Shoji, Y. Niishi and T. Fujioaka.

They have 8 janitors to keep the place spick and span. They are: M. Yamashita, K. Goto, A. Goto, T. Pakushina, M. Okahara, H. Mikawa, M. Hayashi, and C. Kimura.

Guess who the timekeeper is! Right! George Ishida. He gave us the dope!

The Recreation Dept. is contemplating another All-Center track and field meet which has been tentatively set for Saturday, August 1.

As far as the Independence Day cinder meet is concerned, it can be described as a total flop. Short notice, which turned the entries into a skeleton crew because of lack of time to get into condition and improper supervision of each event proved to be the difference between a successful and a dry affair.

If competently arranged and conducted with officials for each event, the coming trackfest should prove to be one of the Center's biggest sports attractions.

There is a host of present and former college and Prep stars in here who have made a name in the track world, so with them as a nucleus and along with the rest of the scanty-panted athletes if given ample time, the events should go off in championship style.

Competition should include Senior and Junior Divisions and possibly a girls' event, too.

Baseball addicts remember Shot Iwamura, the former diamond star of the State champion Lodi YEMA Templars.

Well, he is now training down at Fort Bliss, Texas. The former Northern Calif. Japanese Baseball League batting king who incidentally still holds the record with a high .500 average and who has been rated in 1940 along with San Pedro Skippers' Tee Okura and Ich Hashimoto as the classiest outfielders in the State says "life in the Army is okay and that also includes the Lone Star State's Hisei-Spanish beauties, too."

## SPORTALITIES:

KARL KAWASAKI, Terminus Judo Instructor, 6-157-A

One of the spotlight judoists on the Pacific Coast and is the holder of the very high fourth rank. Was a star first sacker for the once famed Stockton Yamoto nine of the roaring twenties.

(continued on page 6)

# POOPOUTS WHITE-WASH GIANTS 6-0 FOR 11<sup>th</sup> STRAIGHT CARDS POUND KIBEI 18-4

The All-Center Poop-outs' drive towards the National League pennant became closer and surer as they batted out their 11th straight victory by white-washing the Giants 6-0. The superb hurling of Jim Okino, who limited the Giants to a mere 3 hits, kept the "Old-timers" in the undefeated column.

Pounding out 17 hits, the Cardinals lambasted the KibeI 18-4 to stay right behind the Poop-outs. Jim Hiramoto and Sat Oune led the damaging attack with 4 and 3 hits apiece.

In a closely fought tilt the Grapepickers eked out a 4-3 win over the Hell-divers to move out of the cellar.

The Spartans behind the beautiful two-hit chucking performance of Kenmotsu trimmed the KibeI 6-5.

RESULTS:	R	H	E
POOP-OUTS.....	6	7	0
GIANTS.....	0	3	2
J. Okino and N. Matsumoto; Kamidai and Tsutsui.			
CARDINALS.....	18	17	3
KIBEI.....	4	6	4

## WEST SLAMS EAST IN SUMO TOURNEY

The West Sumo team slammed the East grapplers by a score of 14-8 last Sunday nite.

Highlighting the tournament were the 3-man elimination matches won by Will Kagawa, James and Tom Kiriu and I. Fukushima.

## REDS' MASAI LEADS BATTING RACE IN A.L.

Fred Masai, classy Blk. 5 Reds' second sacker, took the lead in the American League's batting race with a fat .463 average as released by the Rec. Dept.

Although slugging the apple at a .500 clip, Bums' Sus Yasuda's average is marred because of his participation in only six games.

SEATTLE..... 10 13 4  
R. Arco and R. Okimoto; R. Funamura and F. Yokoi.

# BUMS SWAMP RAINBOWS 26-6 YANKEES EDGE BEARS 16-15 ARISTOCRATS DEFEAT BOMBERS

The second place Bums had another one of their good days when they lashed the Rainbows 26 - 6 on a 19-hit bombardment, which was led by first sacker Ted Ohashi and outfielder Ich Ogata with 3 hits apiece.

In a free-scoring tilt, the Yanks squeezed the Bears 16 - 15.

The Aristocrats bolstered by the addition of slugging Monte Urakami, a former Bears' ace, won their third straight tilt to move into first division by defeating the Bombers 12 - 7.

## State League

The newly organized State League will start competition this morning at the Recreation Field when four evenly matched teams go into action. Entered are the Red Yankees, Blk. 9 Elephants, Blk. 7 Zebras, Blk. 6 Tigers, Blk. 4 Lions and the Blk. 3 Grayhounds. With the exception of the Red Yanks, all the players are over 40 years of age. The Yanks' average is 13 years old.

Opening games: Tigers vs. Elephants, Red Yanks vs. Lions.

# PING PONG MR. LEVY MEETS REV. UNNO

"The All-Center Open Singles ping pong tournament will be held this coming Thursday and Friday at the Block 10 Recreation ground from 1:30 p.m. to 8:00 p.m. Supervisor of Issai recreation, Mr. M. Nakamura, Supervisor of Issai recreation.

A special feature of the tournament will be an exhibition match game between Mr. Edmund Levy, former Sacramento City titleholder, and challenger, the Rev. Unno, also a one-time champion, on Friday, 8 p.m.
