## SPECIAL SPORT STORY

### BLK. 5 REDS TAKE CHAMPIONSHIP!

Breaking with vengeance the star-studded Blk. 5 Reds swept the Center's "World Series" classic by completely annihilating the helpless and pitcherless Poop-outs in two straight games 12 - 1 and 31 - 12 before a record two-day crowd of 5000 fans.

Paced by the brilliant pitching of half-pint Mike Taneuchi and the perfect bat performance of 17-year old sensation, Sammie "Sam-

bo" Kimibayashi, who connected 6 for 6, the Poop-outs proved to be easy prey as doped out for the peerless Reds.

In one of the wildest affairs ever witnessed on the softball diamond, the clinching game was a thriller until the fatal sixth, the inning which the glorified "Oldtimers" will never forget.

Taking the defense in that frame with only a

mere run separating them from the Reds, 10-11, the confident Poop-outs weren't even set in their respective positions when the bottom dropped out completely.

After the smoke had cleared away, twenty Reds had trickled across the home plate on twelve hits which included a round tripper, four doubles, seven walking tickets and

### CENTER-ITES TURN IN 1500 RECORDS

According to latest reports released by the Center Police Department, approximately 1500 phonograph records in the Japanese language have been turned in by the residents of the Center.

The Police Department reassured the owners that records were not classified as contrabands and that as soon as their contents were inspected they would be returned.

### ELECTION BOARD TO BE CHOSEN BY BLOCK SUPERVISORS SOON

With the completion of election plans last Thursday, activities and interests in the coming election showed a definite upswing this week.

Present indications point to a hotly contested race in some of the blocks and nominations are expected to mount perceptibly before the Sunday deadline.

Candidacy forms have already been prepared and may be obtained from the timekeepers in each of the messes.

Five signatures of qualified voters are required on the petition instead of 15 as previously announced, before it can be accepted by the Election Committee.

All completed petitions may be turned over to the Election Committee.

An election board of 6 members for each block will be chosen by the block supervisors after the registration of voters has been completed.

### CENTER STORE TO SELL CAKES!

"The Center Store has made arrangements with Lengen-dorf Bakery to carry full-sized cakes. Each week we will have Angel cakes along with a special and they will sell for 49 cents each," announced Mr. W. J. Henlon, Store Executive.

"Ever since the Center Store opened there has been a great request for good cakes, and we are happy that this arrangement has been made," concluded Mr. Henlon with a smile.

He also assured Center-ites that the usual cup cakes, jelly rolls, banana slips and cookies will ride in on the Lengen-dorf delivery truck.

The long-awaited cakes will be available Thursday.

### CLAIM PAYCHECKS

All persons who have not as yet called for their paychecks for June 10 to July 9 are requested to do so at the cashier's window within the next few days or the checks will be returned to San Francisco.

### 2 INTERNEES JOIN FAMILIES

Two internees from Bismarck, North Dakota, returned to their families in the Center last Sunday.

They are Tossuro Masui, who is now residing at 5-93-D and Shokichi Morino, who is staying at 9-170-C.

### SEWING CLASSES FORMED

Three drafting and sewing classes are now in full swing under the supervision of the Adult Education Program.

Instructors, Mrs. F. Yoshioke and Mrs. K. Yamashita are both situated in 1-11, while Mrs. K. Yam-nouchi is located in Block

10; Mrs. H. Unno at 1-11.

Altogether, approximately 100 interested women have signed up for the course.

The general plan of the teachers is to emphasize the instructing of fundamentals instead of following straight courses.

EL JOAQUIN  
ELECTION TIME

Our NEIGHBORS

SANTA ANITA.....  
Got a load of this, you "superior" females....Boys' Census Taker S. Zojima, "I always thought that girls wore the neat caps, but I've changed my mind completely. When I go into units wholly occupied by women, I see shoes, stockings and blouses strewn all over the place. Then when I go into bachelors' quarters, I notice the whole room spick and span."..... To quote Biorco--"Female, n. One of the opposing, or unfair, sex."

EDITORIAL  
HARMONY IN THE CENTER

Center activities have increased in tempo since May 10 when the first volunteers entered the grounds, and at the same time this growth has been coordinated into a well-organized system.

Visible signs of improvement are seen in the results of the meet contests posted early in July by Mr. L. C. Shaffer, Director of Mess and Lodging.

Mr. B. T. Parsons of the Works Division is overly pleased with the accomplishments of the Hog Barn crews of skilled workers.

And the ever-busy Service Division under Supervisor Ed Levy has made wonderful progress in every department. Jack McFarland has set the wheels of 20 recreational activities rolling to keep everyone physically fit.

These, then, point out conclusively the well-knit organization that we now enjoy--thanks to wise counsel, careful planning, individual initiative and hard work.

FRESNO.....  
"For better acoustics and efficiency a complete new stage is being constructed in the Center Bowl.....Boys' and girls' dressing rooms will be built in the wings"..... unquote, GRAPEVINE.....And here we are with but one sound picture thus far.

COOPERATIVES

END PRINCIPLE OF COOPERATIVES--OPEN MEMBERSHIP

No persons shall be denied membership in a cooperative unless it be known that they wish to join for purposes of doing harm to the organization. Religious beliefs, political affiliation, occupation or nationality should exclude no one. There are always those who feel membership should be limited, but this is contrary to the principles of cooperatives.

"The more who share with us, the greater the benefit's for all to share."

TAMFRAN.....  
War!!!.....An all out campaign to exterminate rats has been declared.... A bait of corn meal and chocolate will be used, also poisoned barley. Residents were asked to warn their children..... If they're like some of the kids here, Tamale wouldn't bother....Tamale also hopes that they can get the bigger rats.

RANCHO'S POLL

WHAT'S YOUR FAVORITE?

Tomorrow is the final day for polling the Center's favorite melodies. Center-ites are urged to submit their choices in the El Joaquin Letter Box today.

Number One song now is "Who Wouldn't Love You", one of the favorites of the other waves.

Tied for second place are the following: Glenn Miller's "Moonlight Serenade", Tommy Dorsey's rendition of "I'm Getting Sentimental Over You" and "He Wears a Pair of Silver Wings," one of the newer numbers.

Forty-six pieces are listed thus far including many old favorites, such as "My Buddy", "Indian Summer", "Deep Purple", "Sunrise Serenade" and "Tuxedo Junction".

The three songs polling the most votes will be featured at this Saturday's dance.

SHELLY, IDAHO.....  
Says the Manager of the Shelley Farm Labor Camp... "Due to scarcity of rubber, I suggest all the farm laborers put in a good full work while in the field to avoid any unnecessary trips made by the farmers who are furnishing your transportation.".....That's the best "rubber line" yet.

# MR. M. TAYLOR...

"Very well, indeed. Quite interesting work. My association has been quite pleasant here," responded good-natured Millard Taylor, Supt. of the Food Warehouse, who possesses a ruddy complexion and a soft Southern drawl.

He was born on May 28, 1889, at Lebanon, Tenn.

Of interest to sport lovers is the fact that Taylor was a former diamond performer in the Texas hardball league.

Transportation being his life work, he has traveled extensively in the U.S., Canada, Mexico and Cuba.

"The most beautiful woman -- in Salt Lake City and Chickasha, Okla.," concluded Taylor. No, he is not married.

## CHAMPIONSHIP REDS MEET ALL-AMERICANS TAKEUCHI FACES TERANISHI AND KAGAWA IN MOUND DUEL

**WORLD SERIES HIGHLIGHTS**  
**THE WORLD SERIES HEROES**  
....Hurler Mike Takeuchi, who chucked a 3-hit masterpiece in the opener and then came back in the final game to rescue the Reds again, and 17-year old Sam Kamibayashi, who hit the classic's jack-pot by smashing out 6 for 6 for a 1000 pct. batting.

**THE WORLD SERIES GOAT..**  
...From orchids to onions. That is the distinction held by hurler Fred Ito. The hero of the Major League All-Star game became the goat of the Series by blowing skyhigh in the wild 6th of the final tilt.

Selling Ted Kamibayashi had the honor of hitting the first home run. Of the four that were hit in the Series, Archie Miyamoto's four-ply clout into deep center was the longest blow and easily sailed over 300 feet.

The Major League's "Big 4", Fred Masai, Mas Okuhara, Frank Horita and Frank Kamibayashi, were slightly off in their famed offensive role for which they are well noted.

three errors.  
Unable to solve the blinding speedball hurling of Takeuchi, who horse-collared the Poop-outs to only three blows, the Sunday night classic saw the wholesale rout of the National kingpins. The losers held a temporary single-run lead until the second inning, but never saw it again after that. Sam Funamura slaved out a free pass, stole second and then came home on Rogan Miyanishi's double to rightfield for their only tally of the contest.

Classiness told the tale in the Series. The Poop-outs lacked the essential speed which the youthful American League champion abundantly pos-

# A. I. ALL-STARS SELECTED

## CHAMPION REDS DOMINATE SELECTION WITH 10 PLAYERS

With the conclusion of the powerful American League and the Center's "World Series" the EL JOAQUIN presents the American League All-Star selection picked from the cream of the 150 softballers who battled it out almost two months for championship honors.

### MAJOR LEAGUERS AND HOW THEY LOOK AND COMPARE

Editor's note: This is the first part of the article on the drafted Major League players. The other part will appear in the next issue.

With the stars of the Senators, Bears and the Center Champion Reds' stars all shipped down the river to the various other teams, the question arises now as to who'll be the top contender for the new Major League pennant.

The lowly Kiwanis probably cashed in on the best deal when they acquired the services of All-Star Men Okuhara and Frank and San Kamibayashi. Player-pilot Will Kagawa can certainly make use of the contribution because with the Kation and Okuhara Brothers forming the keystone combination their infield will be one of the classiest in the circuit.

However, pulling the prize individual star was the Trojans who got Frank Horita, the celebrated "king of swat," along with Butch Hayashi and George Esbs. With the above trio bolstering the squad, the once mediocre Trojans should be up there in the thick of the title chase.

With hustling Kiichi Hiramoto, fleet-footed Keizo Okuhara and Ted Kamibayashi bolstering their squad Manager "Wimpy" Uyeda's Aristocrats should become one of the serious contenders for the flag. The addition of Hiramoto at second base is just what the doctor ordered because this position and the backstop has been the weak spot of an otherwise strong Aristocrats. He and shortstop Monte Urakami should form one of the most dangerous double play combinations in the loop.

The hottest team in the homestretch of the recently concluded American League was the rampaging Bombers and with the transfer of Reds' Freddie Masai and Tak Horita and Bears' Sanji Fukuyama and Kiyo Shimozaki, they should be able to continue at the same hot pace.

succeeded. Plenty of Reds' hits could have been captured if the "Oldtimers" legs wouldn't have buckled down on the run.

The Reds' murderous offensive drive practically drove leftfielders San Funamura and Elmer Tsunekawa into a coma, by sending seventeen assorted hits down their throats. How they ever stood up against the steady barrage is a miracle.

The acrobatic fielding of Reds' super infield of Frank and San Kamibayashi, Tak and Frank "Mazzie" Horita and Kiichi Hiramoto was spectacular, and it was a beauty to watch them execute their precision-like fielding. The quietests were charged with only three miscues for the two games.

The losers, however, gained some consolation

## HORSESHOE CHAMPIONS

The smooth slingin' horseshoe pitching duo composed of "Chungo" Mikami and Mike Takeuchi was crowned All-Center Double Horseshoe Champions Sunday afternoon, when they defeated the team of George Shima and Stan Takehiro by the score of 50-19. In the semi-final events, the George Horita-Goo, Kagawa combination bowed to Shima and Takehiro, while Mikami and Takeuchi defeated S. Mikami and E. Kamita.

when they pulled the fielding gem of the Series, a split second triple play.

Kiichi Hiramoto's hot liner was nailed by right-fielder "Tiger" Ogawa, who then promptly threw out San Kamibayashi at first, and from where Frank Mirikitani relayed to second to nab Ted Kamibayashi for the final out.
