McFARLAND d. BRANUM

"It's a good thing I didn't win. I'd run him out of business!" exclaimed Clint "Kooler" Branum, who lost a super bet on the "World Series" to Jack McFarland, when the favored Reds crushed the Poopsies. "I'll take him down there (Center Store) and MAKE him eat some."

The winner of the bet was entitled to eat all the popcicles he could from Tuesday till noon today.

As yet Jack has only collected half the winnings—that is, a sucker. Since he hasn't been feeling up to par, he'll "make it up some other time."

CENTER-ITES SEE SILENT MOVIES

Charlie Chaplin and Harold Lloyd silent movies entertained the Center-ites Thursday and last night.

According to Mr. Jack McFarland, the total cost of movies up to date has been \$90. A fairly good sound movie costs \$35—\$15 to \$17.50 for the film itself and \$7.50 a night for the sound projector.

The Krieger Motor Comp. of Lodi through the efforts of Paul Shimada loaned the projector free of charge for the showing of "Tundra."

NEW FIRST AID CLASSES

Another class for a Standard First Aid course will begin next Thursday at the Visitors' Barrack, 9 to 11 a.m. All who are interested are asked to sign up at 1-6-A. Paul Shimada is instructor.

needed to fill George Uyeda's class. Signup will be held at 1-1-E or at the Rec. Office.

Anyone who is 16 years or older, or who has passed his sophomore year in high school is eligible for the course.

PANCHO'S PEERLESS PICKS

Harry James' popular "Strictly Instrumental", chosen top song of the Center, will be featured at tonight's dance from 8 to 9:45 p.m. on the outdoor pavilion.

Tommy Dorsey's version of "I'm Getting Sentimental Over You" and Glen Gray's "Moon Glow" placed second and third.

"Indian Summer" and "Moonlight Serenade" -- were tied for 4th place.

RAMBLING REPORTER

'IS ELECTION DESIRABLE?'

"Do you consider election desirable at this time?" and "why?" were the questions that the Rambling Reporter wanted to have answered and this is what he got.

- SAN FUKAMURA: "I think so. It will remove much complaint about block supervisors and will give people a chance to put in their own choice."
- JUN AGARI: "Yes! There won't be much criticism if popular election is held. People will be freer to go to their representatives and discuss problems."
- RUTH ISONA: "No, I'm perfectly satisfied."
- KEN HASEGAWA: "Haven't formed any opinion."
- ART IWATA: "Very desirable. Arbitrary appointing of Supervisors wasn't very fair. This will get more cooperation."
- TAKE WAKIMOTO: "Yes, sure! Give everybody a break. Fair election will result in qualified leaders."
- CHRISTINA KUBOTA: "Why not! This time is just as good as another!"
- WALT OKAWA: "We should have it. I agree with Jun. It's better now than never and the supervisors will command more respect from the blocks."
- SHIMIZU CHIKARAISHI: "Election is necessary to get well-organized block supervision."
- TAD AKERA: "Well, we still have some time to go so we should have election and get the right people in there."

EDITORIAL

PLUG FOR THE COOP

Of immediate interest to the Center-ites at this particular time is the coming election of the block supervisors. It is important enough to warrant the full attention of all residents of voting age, and the success of the election will depend upon the response accorded to it on Wednesday.

However, as important as the choice of our leaders is to us in the assembly center, we must not overlook the form of government that we are to have in the relocation center. A self-sufficient cooperative plan is to be instituted there, and there is a distinct need for our community members to know the principles of this system so that our eventual transfer to and settlement in the WRA Projects could be accomplished with the minimum of confusion and wasted efforts.

Our series of articles on cooperatives were started for this reason and my aid the Center people to gain some knowledge of this plan.

COOPERATIVES

PRINCIPLE #3

Money invested in a cooperative, if it received interest, shall be limited to a fixed percentage which shall not be more than the prevailing current rate.

Any business needs capital to start and those that invest in a cooperative should be rewarded, but only in the form of interest at the rate that prevails in the business world.

This principle may not apply to us in our relocation project but is an important principle for any cooperative started voluntarily.

FORTY STUDENTS DISPLAY WORKS AT ART EXHIBIT

For the Center's first art exhibit works of forty students, watercolors, pencil sketches, portraits and still life drawings are on display at the Edex Hall, which opened its doors to residents last night at 7:30 and which will be open all day today and tomorrow, whenever the hall is not in use.

TWO CLASSES

There are two two-hour art classes, morning and afternoon, under the instructorship of Louie Shima and Hiroki Mizushima.

The students have been doing pencil, color crayon sketches and finally, watercolors of landscapes and figures.

If materials are available, the students may work with charcoal, linoleum, block print and oil.

'CREAM OF THE CROP'

The class, which dwindled in number from the original 80 to 40, is composed of the "cream of the crop" according to Shima. He also said that individual styles are stressed to allow freedom of expression.

WORKS DIVISION

CENTER ELECTRICIANS BUSY; REPAIR BURNERS, REPLACE FUSES, ETC.

Who is the man wearing a tropical helmet, carrying a tool box and walking around in the noonday heat? Who is the man shinnying up the telephone pole to fix the flood lights for the dance?

Who is the man willing to repair any Center-ite's electrical equipment before or after working hours? Who is the man who is called out on the average of two times a night? Who is the man with the engaging smile and very beautiful wife?

Yep! None other than the Center's electrician, Tom Hatal.

Installing wiring, maintenance work, such as, repairing burners in laundries and showers and replacing fuses keep Tom and his four assistants--John Tamura, Yone Uchiyama, Tatsuna Sakai and Henry

MESSES 3-5 TIE FOR FIRST

"Mess #3 wins the sanitation contest for the third successive time! However, Mess #5 really went to town and managed to pull even with Mess #3. The contest was too close to award either mess, No. 5 high-pointing on courtesy and neatness of waiters and Mess #3 winning, as usual, on just plain ordinary cleanliness, plus apparent good management on the part of both chefs," declared Mr. L. C. Shaffer, as the third contest came to a successful close.

NEED MEN'S VOICES FOR CHOIR

The All-Center Choir, which is under the baton of Toshio Kaneda, is held every Tuesday night at 7:30. The group is getting ready for a program. There is a need for men's voices to fill out the parts more fully. This group is open to anyone interested in participating in group singing and who enjoys music.

BUGLING CLASSES FOR SCOUTS

Bugling classes will be started for any Boy Scout interested. Scouts are requested to sign up with their respective Scoutmasters and also to bring instruments if possible. Stanley Takehiro is slated to be the instructor.

ELECTION, AUG. 5.

"Mess #2 and Mess #9 deserve honorable mention as runners-up. Mess 8 and 9 both are commended on their cereal display at the end of the dining halls. As a matter of fact, all kitchens have made wonderful progress during the last thirty day period. But all of them couldn't win," he continued.

Both Mess #3 and Mess #5 will be awarded an equal prize on next Tuesday night. It's ice cream this time.

The Block #5 janitors also took top honors for "wielding a mean scrub brush". They will partake of ice cream Tuesday night at Mess #5 with the #5 kitchen winners.

The two August contests will end on the 15th and 31st, respectively.

PRESENTING MR. H. CLIFFORD, CHIEF STEWARD

Busy at work preparing menus and orders for the next day, Chief Steward Harry N. Clifford, formerly director of WPA at Monterey, California, stopped long enough to reveal that he was born in Arkansas in 1891 and is a widower with one girl. As a former ball player, he is still a rabid baseball fan.

"I have found work here very pleasant," opined the Chief Steward.

11 WORKERS RETURN

Eleven men returned Thursday morning from the sugar beet fields of southeast Idaho. They are S. Hashimoto, M. Nakamura, S. Sakai, H. Teramoto, T. O-sake, S. Murakami, A. Kusano, S. Fujita, K. Yonesato and S. Nakamura.

SPEED DEMONS

SLOW DOWN!

"Traffic regulations for this Center are 10 miles per hour on the streets used by pedestrians and 20 miles per hour on other streets. All persons violating these limits will be subject to restrictive measures."

With amazement and incredulity the audite Presscrew (bells) scrutinized the latest army regulation.

"10 miles per hour is the limit on the track," said a wise old member, his whiskers flapping in the breeze.

"No," interposed mother with a majestic flourish of his gnarled meat-hooks, "a man could run a hundred yards that fast. If it takes 13 seconds to run 100

yards, a man could run 7-7 yards in 1 second, 26,720 yards in 1 hour, or 15 miles per hour."

"Bt," doggedly insisted the bewhiskered sage, "that is breaking regulations."

"Yes," chorused the two, wagging their noggins in agreement.

"Mess!" shouted a disturbing element. "Roast pork and ice cream."

Onward roared the six hundred.

"We," declared the whiskerino, wistfully searching the horizon for some trace of the flying Press, "should form a track team. Regulations or no regulations." -- S.H.

BOARD OF REVIEW

100 SCOUTS ACCEPTED FOR AWARDS

Approximately 100 Boy Scouts' applications passed the Board of Review held last Thursday night.

Mr. Owen Locke, Field Executive of Boy Scout Headquarters, was in charge of the meeting. Jim Okino, Camp Commissioner, had all the committeemen there to pass the applications.

21 ENROLLED IN PIANO CLASS. KANEDA INSTRUCTS

Twenty-one students are now enrolled in the beginners' piano class, which is held Tuesday and Thursday mornings at the Edex Hall under the instruction of Miss Grayce Kaneda.

The pupils have already learned to read musical notes and play simple pieces. Artistic playing and technique are also emphasized.

There are seven students in the advanced class. In this class artistry is developed by stressing individual needs. Progress is slow since there is only one piano in the Center.

ANOTHER STORE RECORD

The Center Store witnessed a four-star sellout yesterday when 5 dozen cakes, including Angel Cakes and special cakes, 4 dozen jolly rolls and 14 dozen doughnuts literally vanished in exactly 29 minutes and 60 seconds after 9 a.m.

On Monday another similar shipment will arrive in the same quantity.

Attention! Center-ites! Candidacy forms must be signed only by those who are registered voters of their respective blocks.

SHUT-INS

Betty Fujisaki had an appendectomy at the County Hospital.

The latest measles victims are Jeanette Omi, Hitoshi Matsukura, Henry Okazaki and Henry Wakabayashi.

New chicken-pox patients are Tommy Iwanaya and Phillip Wabikawa.

Mr. Locke announced

that official word was received from National Headquarters that Scouting will be offered to the boys wherever they may be relocated.

They also discussed plans for Field Day and Court of Honor which will be held on August 5.

BUMBOWS, YANKEES, TERRORS AND POOPOUTS DOPED

Editor's note: This is the last of the articles on the new Double "A" League.

With the Beishiki Brothers, Ted Ohashi, Joe Sakagawa, Jack Maeshiro and Bertram Hari as the nucleus, the combined squad of the Bums and the Rainbows, who have named themselves the Bumbows, should be able to put out a powerful ten.

The purchase of Senators' Kuni Kawamura, George and Reno Tomura will give Manager Shogo Maruoka's Yankees the necessary bal-

With the "World Series" and All-American - Reds' classic just an outdated headline, all eyes will now be focused upon the first Double "A" League which will be inaugurated tomorrow afternoon.

This newer and stronger loop was realized only because of the dissolution of the championship Blk. 5 Reds, who like true sportsmen, gracefully consented to be drafted into other ball clubs.

It was a great sacrifice upon the part of Skipper George Horita's squad to disband at a time when they were carving softball history, but their regards for the best interests of the Center would allow them no other course.

The Reds will remain true champions in memory and we can only wish the following Reds the best of luck: George Baba, Mike Takeuchi, Etsch Hayashi, Frank Horita, Tak Horita, Keiichi Hiramoto, Sam Kamibayashi, Mrs Okuhara, Kei-ko Okuhara, Fred Masai, Ted Kamibayashi and Frank Kamibayashi.

That All-Americans vs. Reds battle was the best ever witnessed and we'd like more of that type of contest was the opinion of the Center's diamond addicts.

Because the star-studded Reds will all be separated, the possibility of another All-Star ten matching the "World Series" champions might be difficult, but after the conclusion of the Double "A" loop or before we are relocated, two picked All-Stars from the above league or a Lodi-Stockton affair would be a natural.

Sports, such as the recently concluded softball carnival, is the morale builder deluxe and the Center's Recreation Dept. under the directorship of Jack McFarland is doing an excellent job of it.

KAGAWA REDS' RALLY FAILS BEFORE 3,000 FANS 3-2. F. KAMIBAYASHI BAT STAR

In a story book finish southpaw George Kagawa out-pitched Mike "The Kid" Takeuchi in a superb mound duel to enable the powerful All-American ten to shade the champion Blk. 5 Reds 3-2 before a record crowd of 3000 fans, who were treated to the best played game of the season.

Going into the last frame with a dangerous single run lead the All-Americans staved off a desperate Reds' rally that saw the bases populated when second sacker Frank Arata pulled down Frank Kamibayashi's high fly for the final out.

Unprognosticable Butch Hayashi started the futile attempt by sending a soaring double into the barrack after Kieichi Hiramoto and Sam Kamibayashi had flied out. Keizo and Mas Okuhara filled the bags by catching a free pass, but Kagawa worked Frank Kamibayashi into flying out to Arata to nip the rally.

The victors' runs, all unearned, were scored in the first two innings when they took advantage of Takeuchi's brief wildness, which later proved to be disastrous for the losers.

Besppectacled Frank Kamibayashi grabbed betting honor by slugging out two doubles and also scored the Reds' two runs.

DOUBLE 'A' SWINGS INTO ACTION

The fast Double "A" Softball Loop will swing into action tomorrow with eight tens in the race. 2:00 - Yankees vs Dodgers Poop-outs vs Trojans 6:40 - Bumbows vs Terror Aristocrats vs Pirates

HOW THEY SIZE UP IN THE 'A' LOOP

(Continued from page 5) ance and speed to make them a strong contender for the Double "A" flag.

The youthful Blk. 5 Terror, who will incidentally field the youngest team in the circuit, will be loaded with flashy, defensive stars and a strong-armed hurling corp, but may lack a trifle in the hitting department.

The All-Center Poop-outs, who ran away with the National League pennant, will step into faster competition this time. The "Old-timers", who played bridesmaid to the now legendary championship Reds in the "World Series", is stacked with former diamond stars and has the skill to adjust themselves into any type of competition.
