Tulare Assembly Center, California

June 20, 1942

CLOGS FOR SHOES SUGGESTED

NEW COUNCIL MOOTS PROBLEM

With an air of solemnity, the newly installed Council assembled for the first time Monday morning, resolved in their aspirations to work harmoniously with the Center residents. As patriotic adherents of the American ideals and traditions, the Council has done much in promoting various projects for the benefit of the mass.

With the election of Tsuni Noguchi as temporary chairman, the Council buckled down to their multiple duties. Many of the improvements already seen within the grounds have been possible only through the cooperative efforts of this body.

Already, a rough draft of the proposed Center Constitution has been submitted by a committee appointed by the chairman. I. Mitsumori (chairman), Frank Sakamoto, Robert Hiratsuu, Fred Ito, and James Nakamura (ex officio) comprise the constitutional committee.

Mitsugi Oishi was appointed interpreter in the Council for the benefit of those who have language difficulties.

AT LAST! FIRST WEDDING

Good news! The 54 days of suspense in the Tulare Assembly Center has been broken by two Arroyo Grandeans.

Teruyo Hoshizaki and Shigomi Sugiyama will have a June wedding and become the first bride and groom of the Center when Reverend K. Imamura will perform the ceremonies. The wedding will be a private affair with only the immediate family present. The couple plan to continue living in their present quarter, F-5-1.

A long and beautiful friendship resulted in an engagement two years ago.

Miso Hoshizaki's father and sister, Tomisaburo and Tomiyo, respectively, are residing in this Center.

Rubber Saving Plan Launched

Suggested by the 15-day, nationwide scrap rubber campaign launched on June 15 by President Franklin Roosevelt, the Tulare News is sponsoring a drive in all Assembly and Relocation Centers for the conservation of rubber soles and heels by extensive use of wooden clogs and sandals whenever possible, it was announced today.

The already popular use of wooden clogs by the Tulare Center people and the recent announcement of the scrap rubber campaign suggested the use of wooden sandals in place of shoes.

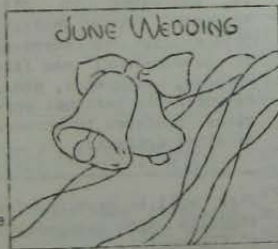

The possibility for such a revolutionary move was revealed when many people in the Center were approached on the subject.

Many of the first generation claimed that they did not mind wearing wooden clogs if it were around the barracks. Others said they did not travel far in the Center so the use of the new footwear may become popular and serviceable. The feminine group stated that wooden sandals will be comfortable and if proper straps could be applied there will be little trouble in using the new fangled.

The use of strong cloth for straps nailed to the clogs will do double duty, by conserving leather and rubber was also pointed out.

Several of the boys exclaimed that the use of the new footwear will save their stockings, provided they wear their clogs barefooted.

homes. The Tulare News urges everyone to join the campaign.

CENTER JAPANESE JOIN SCRAP RUBBER CAMPAIGN

Proving that the welfare of the nation is always with them, many Japanese in the Tulare Assembly Center are writing letters to caretakers of their property back home to bring out old tires, garden hoses and other rubber articles for the 15-day nationwide scrap rubber campaign launched June 15, by President Franklin Roosevelt, was revealed today.

5-3) former Oxnard produce manager, reported that he has instructed his Mexican neighbor to donate his old truck tires, weighing several hundred pounds towards the drive. He said that several of his tires are stored in the home of his neighbor in Oxnard.

Many others are reported doing the same with their old rubber goods, stored in their garages or in the cellars of their

Tadashi Tokuyama (K-

CENTER NEWS EXCHANGE

8 DEPA HOUSE GRAND

COLUMN TORIAL

What the Japanese people need most today, is unity of mind and purpose. The whole-hearted cooperation from every individual will speed up many of our projects in the Center. This means health and comfort for the entire populace.

When the new council is finally organized, much of the problems faced by the various departments will be lessened. Division of labor is the best solution. Each unit should be able to work out a plan whereby every individual can contribute and make Takara the finest Center.

ATTENTION! DIVISION OF ASSEMBLY AND RELOCATION CENTERS!

We need your cooperation in launching this new program on the conservation of rubber and leather by the Japanese people in the Centers. Our proposal is to encourage everyone in the use of wooden clogs and sandals whenever possible.

We feel that such a move on our part will contribute a great deal towards the National Defense program. Let it not be said that we are unable to do our bit even though we are in a Center.

Have you any suggestions for the naming of our Center streets?

SIGN UP FOR NURSES AID

NO CHARGES. AANONSEN

A nurses aid training class will start in the immediate future for women from ages 20 to 40, announced H. B. Caviness of the Personnel and Records Bureau. All who are interested are requested to sign up with Dr. F. Sueda in the Infirmary between 7 and 9 p. m. or at the personnel office at their earliest convenience in order that classes may commence immediately.

It is contrary to regulations for any evaluations for services rendered, according to Mils Aanonson, Center Manager. This applies to services of professional men like doctors, attorneys, etc., as well as personal services rendered by barbers or other artisans.

Work will be provided for students upon completion of the course.

STORK BRINGS BUNDLES

Tipping the scale at eight pounds at birth, the fourth baby in the Center was born at 2:04 p. m. Wednesday afternoon, June 17. The yet unnamed boy is preceded by his sister Akiko Oniyoko, 12 years. The proud parents, Mr. and Mrs. Joe Kido, who live in barrack 2-10-3 are formerly from Guadalupe. Dr. Howard Sueda was the attending physician.

Following the Kido baby by only 20 hour and 5 minutes, came the fifth

BUNDLES

baby born in the Center weighing six pounds, one-eighth ounce. The baby girl is the fourth of the family, which consists of Stanley 5, Helen 4, and Richard 2. She was born at 10:50 a. m. Thursday morning, sided by Dr. Herbert Hais. The Hais's who live in barrack 2-1-2, were also from Guadalupe. Both babies and mothers are reported to be doing fine.

about the terrible prevailing in this part of the country certainly something a lot of us here experienced. And after living here for over fifty days we still drip with perspiration (I do anyway.) However, it seems we aren't only locals suffering the effects of extreme heat. (Some consolation.)

Then too, this stack of ice-cream packages for the cleanest and best operated kitchen doesn't seem to be original. Stockton Center miscellaneous workers are also lucky recipients of these 'new rare dish'. International Yessireet what the Nanzanians quenched their thirst when their canteen sold its first batch at 4 cents a pound. We understand they sold like hot-cakes too. (When do we get our country, Santa Anita have already purchased over \$5,000 worth of War bonds and \$100 in Savings stamps from their post office. (Wonder how we stand.) What does Takara an Assembly Center that attracts over 1,000 visitors within a 10 day period? The Filipino, Chinese, Japanese, Negro, Jew, Italian, Korean, and American nationality were represented in the tent June time and it's graduation time. And this 'temporary isolation' isn't stopping the nice in carrying out formal exercises. Forty-six Calinas students received diplomas from school officials, bedecked in caps and gowns with befitting ceremonies. At Stockton, 82 Seniors, and 71 elementary and high school seniors of North

Portland, Oregon also received sheepskins at assemblies.

Talk about organization, the Fresno Center library seems to have it. One magazine and one book is the limit per person with renewals good for one day only. Books may be held three days, magazines two. A fine of 5 cents per day is charged for over-due books.

DEPARTMENTS HOUSED UNDER GRANDSTAND

Fifty-four individuals of eight departments enrolled into the north and south extension of the administration building early last week.

The north extension has the following number of workers under respective heads: Service division office heads, 3; Welfare Dept., 10; Recreation, 10 (all under R.P. Stump); Personnel unit, 9; Timekeeping, 5 (both under E. A. Anderson); and Center Ca-

...The south extension has 14 employees of Works and Maintenance under E.P. Stanley, and 5 employees under Chief White. A space is reserved for the five commissioners who will move in very shortly.

The purpose of the migration into the building extension is to bring the divisions together, facilitating transactions and making more space in the main office so that grandstands may be used for assemblies and shows.

34 ENROLL IN RED CROSS

Thirty-four persons were enrolled in the recently organized Red Cross class under the tutelage of Misses Lynn and Shupe, resident Red Cross instructors.

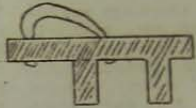

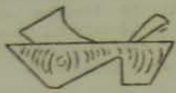

This first class will be taught to become instructors who will eventually conduct their own classes for the younger people. At present, there is no age limit in registering for the class.

Tulare News, Tulare Assembly Center

ROLL CALL SATISFACTORY
SAY AANONSEN, WHITE

FIREMEN DRILL

Under the direction of assistant Fire Chief Charles Tyler, the firemen encountered their first drill when they were suddenly awakened from their peaceful slumber Sunday night to practice for an emergency.

Fire Chief, E. Hoyt, who timed the drill, announced that the drill turned out quite successfully, despite the unexpectedness of the midnight try-out.

ART CLASS

To all those majoring in art as a hobby or an ambition, classes will be conducted on Thursdays

The roll call is progressing very satisfactorily, according to a joint statement issued by Center Manager Aanonsen and Chief of Police White. There are still some adjustments to make, but all problems will be taken up in the Council, and necessary changes will be made. The cooperation of the people is needed in order to make this "nose count" a success.

with signups beginning on Monday through Tuesday, June 22 and 23 at J-6-1, Center library.

Beginners art class will be from 4:30 p. m. to 5:30 p. m., while the informal sketch class (prerequisite---one year free-hand drawing or landscape) will begin at 7 to 8 p.m.

June 20, 1934

SHOE REPAIR READY

Because of various demands for shoe repairs, a prominent Tulare shoe repair man has been secured for the job.

Commissioner this Saturday afternoon, the repairman will pick up the shoes at the S-3 canteen 8 o'clock each day. Freewill contributions will be charged for repairs.

In the near future a shop will be established within the Center for simple repairs, disclosed Harwood F. Stump of the Service Division.

SPEED LIMIT

To avoid any casualties that may result by motorists traveling within the Center limits, Commissioner of Safety at the session revealed that the maximum speed of 10 miles per hour will strictly be enforced by the Police Department. This includes all vehicle drivers who travel on the grounds of the Center and there will be no exceptions.

PIANO CLASS

To all pianists and music lovers is extended the invitation to enroll in the new piano classes to be tutored by Miss Kiyoko Oda and John Fujisawa on Monday, June 25, at 7-6-1.

Classification of students will be in the order of beginning, intermediate, and advanced groups. Payment will also conduct an evening class in theory of music.

A large number registrants is anticipated.

NEW COMERS

Among the recent arrivals to Tulare Center, include Sei Matsunoto, Haruji Inanite, Masao Inamoto, and Tamekichi Kanon. They arrived here Tuesday afternoon, 2:30, by train. At present, the men are residing at F-2-13, F-3-4, H-2-1, G-18-6 respectively with their families.

PRESENTING

Loren Huyeke, new interim head, and assistant supervisor of the Center Service Division, was sent here by the Tulare School System. Married, he has one child, Peter, aged 3.

Upon receiving his M. S. and B. S. degrees at University of California at Berkeley in 1934, he became assistant instructor in Economics, and was a member of the Administrative and International study on Education, he attended the University of Southern California in 1930.

Very much interested in music, he composed the music for the Senior class Extravaganza. He was also responsible for two other musical revues held on the campus.

Huyeke has traveled extensively through Japan, Manchuria, Korea and China. Playing the piano, organ, tennis and photography work are among his pet hobbies.

While residing in Los Angeles, Loren was an Investment Analyst and Superintendent of the First Unitarian Church School.

-----O-----

Dr. John Y. Koyama, Optometrist, married, from Santa Maria, University of California at Berkeley '38 --his AB and Doctor of Optometry degrees--- was senior class president at Cal-- received the highest rating in the State Board--practiced in Stockton, Oakland, Sausalito, and Santa Maria, while operating in Santa Maria, had a branch office in Oakland-- prominent in Bay District and South Central Coast Buddhist circles-- past vice-president of CYSL cabinet-- president of SOCYEL and advisor to Santa Maria YRA-- an accomplished music enthusiast, playing piano, guitar, phoons, harmonica, violin, and accordian --an adept basketball and tennis player -- varsity letterman at Cal--hobby, fishing--fond of little children-- resident of Fresno Assembly Center before being transferred here on June 2.

TELEPHONES INSTALLED

Usage of the telephones installed outside the mess halls (except 7) will be available to residents for emergency calls, such as to the Infirmary or Fire Department. With the main switchboard located in the administration building, twenty-four hours service is given to the public. Upon calling, the person is asked to give the name of the party they wish. The public is requested to cooperate and make no unnecessary calls.

New Water Wagon

A two ton water wagon has been secured for sprinkling the Center grounds. Holding about 600 gallons, it will be used to sprinkle about 75,000 gallons of water per day.

For additional improvements, two hundred tons of crushed rock have been purchased from the United States Engineering Department. It will be placed around barracks and buildings for cement work to keep excess dust away.

JOIN CLUB

Are you from the age range of 8 to 12? A girl who likes to witness doll shows? Do you keep yourself amused by sewing clothes for your dolls?

Such activities will be in store for you this afternoon in L-4 at 4:30. If the attendance is satisfactory, there is a possibility that Director Grace Ingiya may formulate plans for a variety show.

CORRECTION

Toichiro Kawai, reported as being the oldest man in the Tulare Center in the last edition of the Tulare News, is not a MESA 79, but boasts 82 long years to his credit and still possesses his own teeth. Imagine that!!

- Set of encyclopedias

9. Mr. and Mrs. Nicholson, Pasadena-Los Angeles.
- Toys
 - Nursery and Kindergarten books

10. Toshiko Ikeda
- Dolls for children

11. Mrs. Ayako Omori, Lincoln Public School, Santa Barbara.
- Textbooks, Primary through sixth grades, workbooks and Drill lessons.

12. Mrs. Euseki, Pasadena
- Textbooks-Arithmetic and Readers 3rd, 4th, and 5th Grades.

TULARE NEWS TO BE FILED AT U.C.

In a letter received by the administrative office, the University of California at Berkeley library has requested for copies of the Tulare News for their permanent files. The compilation of the Center papers will serve as first hand data for future reference for students.

Get Your Haircut

Butch haircuts, bowl haircuts, haircuts a la rita, are among the "coiffures" that can be acquired at the barber shops located at the laundries of sections C and J.

Any one of the six barbers will oblige any customer at the popular fee of twenty cents in coupons.

Laundries in the L and M sections will also be converted into barber shops in the near future.

Mothers Attention

All children from 9 months to six years inclusive who have not been immunized against diphtheria are asked to report to the Infirmary for immunization on Monday, June 22, between 9 a.m. and 12 noon; in the evening between 6 and 8 p.m.

'PACIFIC CITIZENS' NEEDS AID TOLD

As previously stated, subscriptions to the 'Pacific Citizen' are available at the offices of the TULARE NEWS at 3-3-2.

This weekly publication has been a leading source of information on the befuddled Japanese situation. Every citizen should be up to date on the problems confronting the greatest evacuation in the history of the United States.

It is necessary that 5,000 subscriptions be raised in order that the paper may continue, it was stated.

SAVE RUBBERS

BABY MILK CLINIC BUSY

Enter very precautionary and sterile procedure, the Baby Milk Formula Clinic, under Mary McManis, is preparing baby milk for 31 children of one and two years of age.

A, B, and C types of milk are being made according to the amount of B.S.I. formula (powdered milk) used, and given to babies according to age.

Besides the Infirmary, the L mess hall distributes this milk four times a day for the K, L, and M section babies.

All high school and junior college graduates of June, 1942, who have or will receive their diplomas, notify Miss Helen Ozaka in J-6-2 at their earliest convenience.

Library Proves Popular at Center

The doors of the Center Library were thrown open to the book-loving public at nine o'clock this morning. Miss Sumire Sugita, librarian, and her assistant, Miss Yuki Tanaka, both former students of U.C.L.A. who majored in English, surprised the people with the excellent work they have done in organizing the library in such a short time. Shelves of fiction, non-fiction, and reference books were offered to the people.

Readers were surprised to find many classical books of Shakespeare, Hawthorne, Dickens, and other famous authors. Two of the newest selections on the non-fiction list are "Inside Europe" by John Gunther, and "Not Peace But a Sword" by Vincent Sheean.

Library hours are daily from 9 a. m. to 9:30 p. m.; sundays, 2 p. m. to 9:30 p. a.

COUPON BOOKS ISSUED

The issuing of coupon books started yesterday, June 17. Beginning with C section, call slips were sent out to heads of families or those who signed the coupon cards. They are being issued at the Center cashier's window on the north side of the administration building.

At present, the hours are 9 to 12 a. m. and 1 to 4 p. m., but provisions will be made for those who find it impossible to report during these hours, stated Center Cashier John J. Model. Coupons will continue to be sold for cash also, he explained.

Those who failed to get their April paychecks this week will have an opportunity to do so between 9 and 9 a. m. and 7 and 9 p. m. Monday, June 22.

BOOTH TO SPEAK SUNDAY

The public is again reminded to attend the joint service tomorrow evening at the grandstand at which time Raymond Booth from Pasadena will speak on "Things We Have in Common." Beginning at 8 p. m., Miss Grace Haglya will be chairman.

COLOR CARDS

To further prevent people from going to mess at the wrong time, color ward holders have been put up at all mess halls by the Works & Maintenance Section under E.E. Pixley.

Red and white cards will go in these holders to indicate who is to go in first or second.

All persons are asked to cooperate and go in as shown on the mess doors. Workers will go in before everyone as usual.

LITERARY SECTION

Lord Goosey

One day, a little worm was crawling in his rhythmic manner along the railroad track. Now being a very unusual and dignified animal, our hero insisted his acquaintances call him Lord Goosey Goosey.

On this particular day, Lord Goosey Goosey had decided to board the next train and see the sights of the world, and so he was now patiently waiting for the "6:45". Lord Goosey Goosey waited almost an hour now and impatiently tapped his feet-----all thirty of them.

"Guess I'll take a nap," Lord Goosey Goosey declared after a moment of thought, and he proceeded to scooze away to the lead of the train, right on the rail so that he would be sure to feel the vibration of the train when it was coming.

The train came, but Lord Goosey Goosey did not awaken from his slumber... Oh, Lord! Goosey Goosey!

life that lives

There is a life within one's self Beyond the reach of death. It shines so brightly that even night Cannot destroy its light.

Life is here and death is sure. The body rots and turns to dust; But the life within is the life that is, The life that really lives.

RADIO SHOP

An electrical appliance and radio repair shop has been opened in the Corporation yard under the operation of Jimmy Matsufuji and Aki Saruwatari.

Individuals desiring repair work on their radio, electric stoves or razors, irons, typewriters, etc., are asked to furnish their own repair parts.

Shop hours are: 8 a.m. to 5 p. m. daily on week days except Saturdays, when they will close at 12 noon.

NEW FEATURE

The Clare News has introduced a literary section for the first time in this issue. Any form of literature will be recognized for printing at the newspaper office. The section will expand accordingly to the contributions.

Florence Hasegawa, instructor of the advanced literature class, has offered to assist anyone who wishes any point in writing.

by marjorie hasegawa

Checkers & Chess Championship

TWENTY SEVEN TEAMS ENTERED IN 'A' & 'B' LEAGUE

The date set back two days, Tulare Assembly Center's Lawrence "A" and "B" Softball League will officially begin Wednesday, June 24. Men's Athletic Director, Harry Ota and staff will be conducting a league composed of twenty-seven entrants, ten squads in the "A" division and the remaining seventeen comprising the "B" schedule.

Special league laws outside of the official softball rules were passed by the recreational committee and team managers, which run as follows:

A, number of only one team; B, fifteen as a team roster; C, games commencing at 6:15 and 7:15; D, four full innings for official games; E, replay for tie tilt; F, shoes with cleats barred from field.

Teams which comprise the "A" bracket are Vegetable Cleaners, Policemen, Councilman, Sr. Firemen, Guadalupe, Pasadena, Santa Barbara, Ventura County, Santa Maria, and the L.A. Bulldogs. "B" leaguers are Bunkows, Compton, Carpenters, Arroyo Grande, Food Warehouse, Gardann Fluh, Jr. Bulldogs, Jr. Firemen, Oxnard, Butchers, Santa Barbara, Pasadena, Guadalupe, Mass Checkers, Tulare News, Mass C, and Gardens.

BULLDOGS WIN

Manager Carly's L.A. Bulldogs setback the highly touted Guadalupe Y.M.C.A. 11 to 9, Thursday in the "spotlight" game of the week. The losers took the batting honors with eight hits to the Bulldogs six.

INTRODUCING

The remarkable Junior Fire Bug squad from publicity sent fresh from their dugout.

Monday night at June 16th the Junior fire men won their 12th game by taking on the Warehouse gang. The

main man on this team is Tadashi Obara. They have played the Senior firemen four times and won four times. The seniors are very embarrassed. Then they played with the police three times and won three times by a big margin. They played the J kitchen and won very slowly. Then they took on the Pacifica team by the score of 13 to 0. Then the Warehouse gang thought they could take them on easy but they were very disappointed because the Juniors took them on by the score of 5 to 7.

SIDELINER by P.H.

Another big job completed, that of forming a softball league, participants and spectators should tip their hats to this Center's Recreational Leaders. Players can do this by reviving the sportsmanship which has been taught and practiced in this coming league competition. Even the cheer after each game to the victor from the defeated, would bring a smile from these industrious leaders.

Be prepared. Wishing no one had luck, but wise would be the recreational committee and every team to possess a first aid kit at every tilt. Also a water bag would come in handy.

P.E. COMPULSORY

Compulsory physical education classes are now provided for third, fourth, fifth, and sixth graders enrolled in grammar school. Under the able supervision of Masaji Goto, Assistant Director of Recreation and Director of physical training, activities are also provided for junior and senior high school students. Children not enrolled in school are welcome to attend classes.
