Dear Mrs. Gates:-

It seems hardly possible but we have been here four months already. Though there has been many improvements made, progress is very slow. The adverse weather is our main problem, people contracting all kinds of illness. We, too, had our share of colds, diarrhoea, and flu but have so far managed to keep body and soul together.

From the Seattle newspaper that we get, we try to keep up with the old town news, fighting back the terrible homesickness that tends to ease. In the outside world, all the rationing, new rules & regulations must be quite an ordeal.

The Masudas are still far away in Boston. There has been talk about getting them back here as the legal aid of one lawyer is insufficient in a community of 10,000 people. We miss them very much and are sincerely hoping that the move will be effective soon.

I am waiting for my trunk this time.

I have kept from asking earlier as we were
still undecided about possibility of re-locating
in Denver. As it seems very indefinite, we have
abandoned hope of release for the time being.
Will you please send the trunk collect to:—

MITSUJI MORISHITA.

EDEN, IDAHO.

Please note that all freight is to be addressed
to Eden and not Hunt or Twin Falls, some
complication nobody seems to be able to clarify.
I do not know how one proceeds about freight
dispatching but am understanding that the
railroad company will call at address. If
there is no such service, will you please hire
a express truck to deliver the trunk to the
railroad station or whatever point of collection.
As Railway Express is too expensive, I want to
have it shipped by freight even though
it takes twice as long to receive it. Should
there be any such extra service involved,
please let me know as I wish to
take care of all additional expense.

With the approach of the holiday season,
there are some wearables in the trunk that
we would like to use. The trunk in question
is the large black one left in the basement
right below the stairs all roped and ready
for shipment.

I trust all is well with you and
your husband. Please remember us to
Mrs. Farguharson and Miss Haines.

Thank so much for all your trouble.

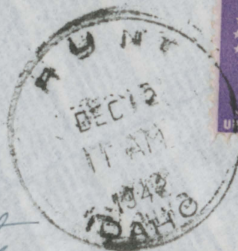

Yours very sincerely,

Ishi Morishita.
