The Chaplain

(over)

I guess this found was made to
send a greeting for Mother's Day. Alice
& I are wishing you the best of everything.
He heard that Tom was 47, which she
thought he would be. She are only hoping
that the day isn't far off when we will
all be together again.

I'm sorry I haven't written in a
long time but since I've been busy day
and quite a few nights including
Sunday. I haven't found time I would
so have been letting Alice do all the
writing. I see her (Alice) as of late as
possible so we are just getting along
fine.

Will try to write as often as
possible.

Love Mto & Alice

Regards to all please
