High Tension Lines Damaged By Large Kite

A large kite crossed and short circuited high tension lines near Block 16 late Monday afternoon seriously impairing and necessitating complete replacement of the damaged lines, Homer Ricketts, senior engineer, stated today.

There are more than 4000 volts of electricity carried on each of these lines, he warned, and short circuiting these lines, besides blowing out transformers, may prove fatal to boys flying kites because of the electricity conducted through kite strings.

Boys are asked to refrain from flying kites within the center since it not only dangers their lives but may also result in destroyed transformers, which are hard to replace.

Homes Available For 500 In S.F.

Five hundred or more loyal Japanese-Americans are to be given temporary housing in San Francisco until they find permanent quarters following release from war-time relocation centers, according to the San Francisco Chronicle.

Space for 50 families and 200 single men is to be utilized near Fort Funston in quarters formerly occupied by the Coast Artillery. Another group, all veterans and their families, will be housed for the time being in units vacated by civilian shipyard workers at Hunters Point. The number to be housed there will depend on the number of applications received.

The San Francisco Housing Authority in disclosing the plan, said it was a "stop-gap" measure requested by the Federal Public Housing Authority and the WRA.

Families of 10 Americans of Japanese ancestry who served in the Army already are housed at Hunters Point, according to WRA officials and several others have been established in barrack-type buildings in the Lindenville project near South San Francisco.

Prediction was made that other areas formerly used by the Army will be made available on the Pacific Coast, since the Army has offered the fullest cooperation in resettling loyal Nisei.

Mess Hall Menus Must Be Followed

"Mess Operations desires to take all possible steps to make sure that residents eating in the mess halls are receiving what they are entitled to," explained Hayward.

Sunday 6 INJURED IN AUTO ACCIDENT

Six persons en route to this center from Stockton received minor injuries Sunday morning when their car crashed into a ditch and burst into flames after a blowout two miles north of the Oregon border near Roosevelt, according to Internal Security.

Those involved in the accident were Tony Supnet, 30-year-old Filipino and driver; Tarley Supnet; his Japanese wife, Alice Supnet; and son, Arthur Supnet; Mrs. S. Moriyama, daughter of Mrs. Tora Takahashi of 7604-E; and Mrs. N. Takahashi, mother of Alice Supnet.

They were brought here by Harry Wells and Howard Dow, both of Tulelake, who were at the scene of the accident shortly after it happened and who removed one of the occupants of the car just before it became a mass of flames. The six visitors were given treatment for cuts and bruises at the Newell Community Hospital immediately upon entrance to this center, and all were discharged Tuesday night.

WASH. RELOCATION OFFICIAL IS HERE

TOYOS COP 'B' LOOP CROWN MONDAY

EXHIBITION ELIMINATION TOURNEY THIS WEEK-END

The rampaging Toyos captured the coveted Class B League crown Monday afternoon at Field #2 when the Block 29 nine forfeited their game after four innings of play. The latter was trailing 4 to 0 when the contest was halted due to dusty weather. The titlists were awarded with a pennant and a miniature gold baseball by the Athletic Department.

According to further announcement, an elimination tournament with the four top teams, Toyos, Block 49, Pacers and Hinodes, participating, will be held Saturday and Sunday at 2 p.m. Playing Fields #1 and #3 will be used with the former the site for the final contest. The winning team will be represented a pennant by the Athletic Department. Schedules for the tourney were not available at press time.

BLOCK 49 TAKES PAIR

The diehard Block 49 outfit vaulted into second place over the week-end by bouncing the Pacers, 13 to 1, Saturday, and took the Block 29 boys on a 15 to 2 sleigh-ride on the following day. Iwao Nakatani hurled the pill to gain credit for the win in the first engagement; while Thomas Yoshida toed the rubber the limit in the Sabbath Day encounter. Five and six safeties were yielded by these Toyo moundsmen, respectively.

Against the Block 29 gang, the riotous Block 49 sluggers accumulated a scorching 10 tallies on eight dispersed clouts, in the opening flurry. Shortpatcher M. Kato and Satozu Harada, holding down the hot corner, tied for top honors in batting by lashing out four safeties at five attempts.

In the Pacer tilt it was Harada again along with Willi Hamanishi who copped top batting laurels. Both had three for four.

Block 49's solo setback came at the hands of the Class B champions Toyos early in the season. Toyos

INDEPENDENT SOFTBALLERS BATTLE FOR LEADERSHIP

With the last lap of the Independent Softball league in sight, the present race for the loop leadership in the American and National circuits turned into a mad scramble for the top spot as the Loafers Inn ten and the Athletics tasted their initial defeats Tuesday night.

Pending last night's crucial tilts, the strong Moonshiners, Loafers Inn and the star-studded Suburbans shared the lead in the National loop, and in the American circuit, the Athletics, Akagis and the Bruins were tied for first with four wins and one loss each.

SUBURBANS TOPPLE LOAFERS INN

Behind the two hit masterful chucking of Taiji Isono, the Suburbans of Ward II blanked the loop leading Loafers Inn ten, 3 to 0, Tuesday at Field #37 to remain in the race.

In the closely contested fracas, the victors depended on three miscues and a double by Mich Mizuno to ring up two digits in the third canto. The winners' final tally came home in the sixth when versatile short-patcher Hank Ogawa hit pay dirt on an error at first.

The Suburbans garnered four safeties from the offings of Sat Munekawa while Isono allowed only two scratch bingles and sent seven down swinging.

Loafer Inns' bid to score was squelched in the second canto when Isono whiffed two men in a row with one gone and a runner on third.

Mizuno smashed out two bingles to the lead the Suburbans' uprisings in the third and sixth innings.
