Howdy dowdy!!!! — I am sure that you will eventually be able to sleep soundly ah nights. We both seem to suffer from insomnia — But I think a change of scenery will be most essential. In the meantime I wish you best of everything —

F O R E W O R D

We, the annual staff, have tried to tell you in this last TEMPO, the story of the students in Heart Mountain.

Evacuation has brought many misfortunes, but let us look into the future with faith in ourselves and in the place where we may once again experience the freedom we have longed for.

D E D I C A T I O N

We, the TEMPO staff of 1945, dedicate this yearbook to those who sacrificed their education to serve their country in the time of need.

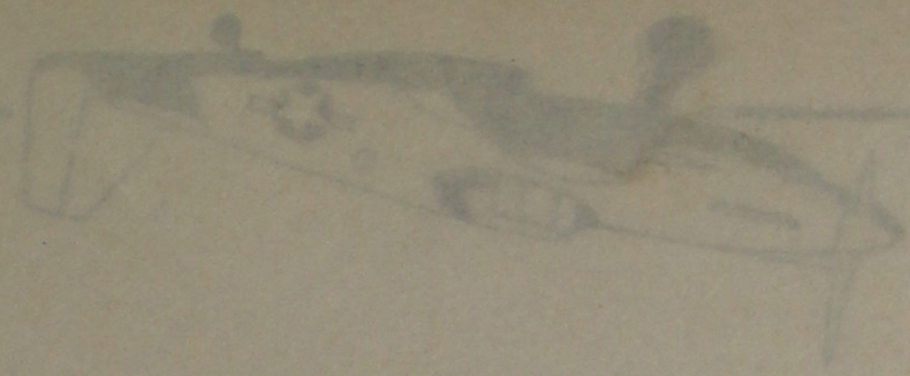
This is the last year that Heart Mountain High School will be in existence. When you have scattered here and there, some of you to attend college or other schools, some to enter the armed forces, some to earn your living, I hope that the lessons you have learned here will prove valuable to you.

If you can control circumstances instead of being mastered by them; if you can meet all occasions manfully and act in accordance with intelligent thinking; if you are honorable in all dealings; if you treat good naturedly persons and things that are disagreeable; if you hold your pleasures under control and are not overcome by misfortune; if you are not spoiled by success--then, you and your teachers have done a good job here.

Congratulations to the yearbook staff and to those who helped you in overcoming the obstacles of having it published. May this TEMPO signify to you time well spent and serve as an incentive for you to set out with courage and stout hearts. March forward and let freedom live and work!

Clifford D. Carter
Superintendent of Education



This book is a symbol of creation--things which now exist and were unthought of three years ago. I refer to such things as friendship and the spirit of co-operation, achievement and scholarship, good fellowship and school spirit, here where Heart Mountain formerly towered above barren prairies.

These pages portray the spirit of Heart Mountain High School. That spirit which could not have been developed without faith in your fellow students and instructors, without a spirit of service and sacrifice, and without a feeling of confidence, that, even in these troubled times, humanity is overwhelmingly good.

May these memories of Heart Mountain High School serve to inspire you and give you faith in the future. I congratulate you and your instructors on a good job well done and the staff of this yearbook for portraying it so well.

ATHLETICS

VARSITY FOOTBALL

Outweighed 30 pounds per man the light and tricky Eagles outcharged and outran the Cody Broncs in an hour and a halfscrimmage and held the Broncs away from their goal line.

Before their first game, the Eagles elected Mas Ogimachi and Yoichi Hosozawa as co-captains.

Staging a thrilling finish, the Eagles won their opening encounter by defeating the Worland Warriors, 7-0. The touchdown was scored in the last 35 seconds of play. The pass from Babe Fujioka to George Yahiro, right half and leading ground gainer for the Eagles, accounted for the touchdown.

Coach Jack Sakamoto organized the Eagle eleven, whipped it into shape and stayed long enough to see his proteges defeat Worland, then packed his bags and left for Cleveland to await his army call. Babe Nomura, former high school ace, was named to succeed Sakamoto as head coach of the Eagle football team. Tak Nomura was added to the coaching staff to aid his brother and line coach, Yuk Kimura.

Playing head-up ball throughout the contest, the high flying Eagles rambled over the hapless Carbon County Coyotes from Red Lodge, Montana, to the tune of 60-0 in a wild gridfest.

Before an estimated crowd of 2,500 football fans, the Eagles juggernaut rolled over the invading Lovell Bulldogs 32-0.

The favored Heart Mountain all-star eleven battled the stubborn defense-minded Eagles to a dull scoreless deadlock. The All-Stars outweighed the lighter Eagles 35 pounds per man.

The luckless Heart Mountain Eagles dropped a tough 19-13 decision to the Casper Mustangs in a hard-fought game before a record crowd of 4,500 cheering fans. It was their first defeat in two years of interscholastic grid competition. Bov Pearce, 210 pound candidate for all-state honors at the full back post, was a little too much for the light Eagles. The Casper line averaged 180 pounds while the Eagle forward wall tipped the scale at a little less than 150 pounds.

The Eagles, being the strongest grid team in the Basin area, claimed the Big Horn Basin Title. The defending Champions, the Powell Panthers, refused to play the Eagles so by comparative scores the Eagles rate an edge over the Powell Panthers.

The Eagles will not have a grid team next year, but they should be proud of the record they have accomplished. This year the Eagles scored 112 points to the opponents 19 (not counting the Cody scrimmage). In two years of interscholastic competition the Eagles have piled up 150 points while allowing their opponents 19 points. This is something the High School should be proud of.

Capt. Mas Ogimachi

Capt. Y. Hosozawa

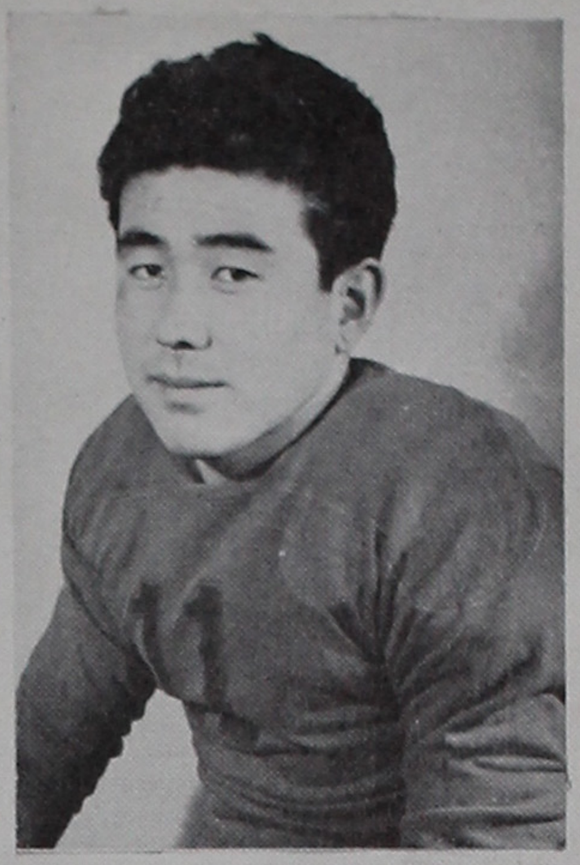
One of the finest defensive player ever to play for the Blue and White team. His specialty was blocking punts. In the first three games, he blocked eight punts. He is well known for his shapely "legs."

One of the most outstanding fullbacks to ever don a football suit. Just get him started and then you'd better get out of the way unless you carry a Bazooka. He chopped the line to pieces with his powerful plunges.

Capt. Hosozawa bats down a Worland pass. Shuzo and Poly Sumii backs up the play.

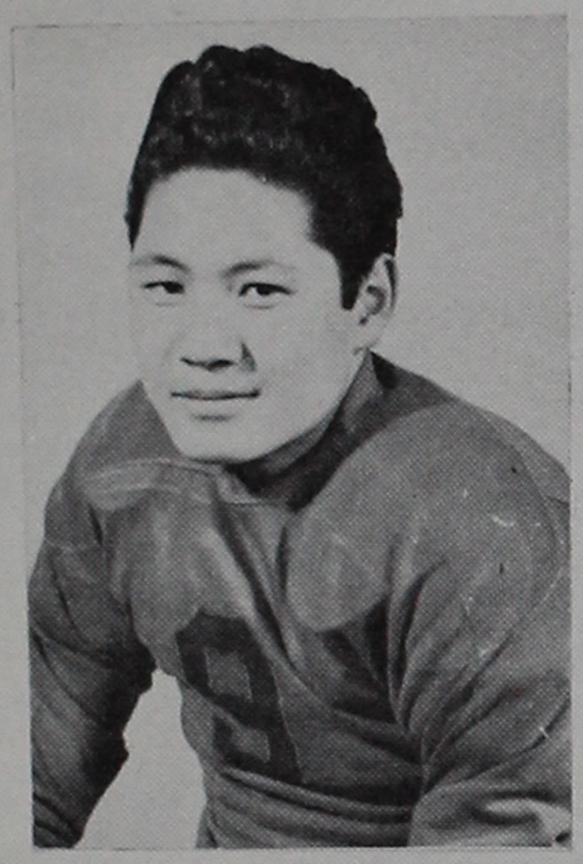
Shuzo Sumii bats down a Coyote pass.

A power of strength at the center of the line. He was always fighting 60 seconds in a minute. His savage blocking was remarkable. He is called "Rabbit" by everyone because he works fast just like a rabbit.



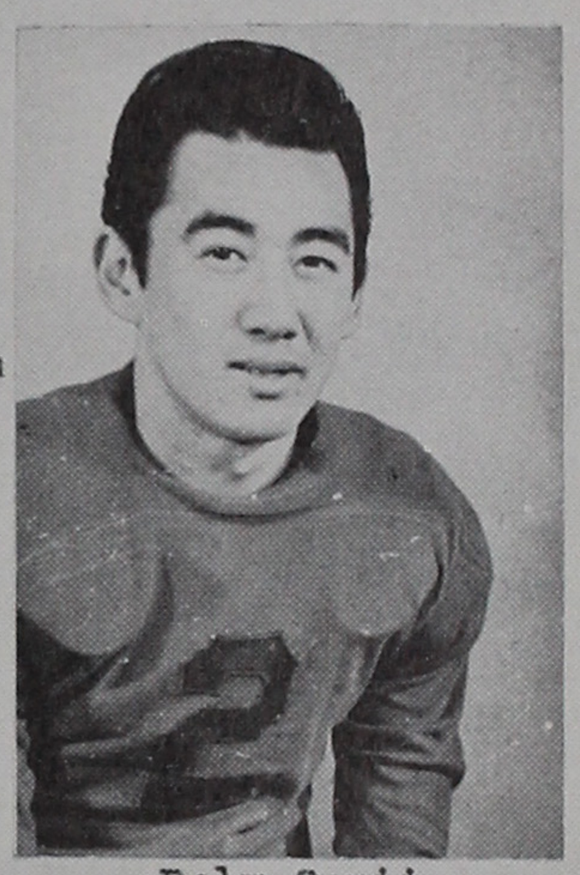
Jim Shiraki
Guard

He's called Glue-fingers. He was another Don Hutson because he rarely misses a pass. When asked where he played before, he said, "I used to play a little night football.

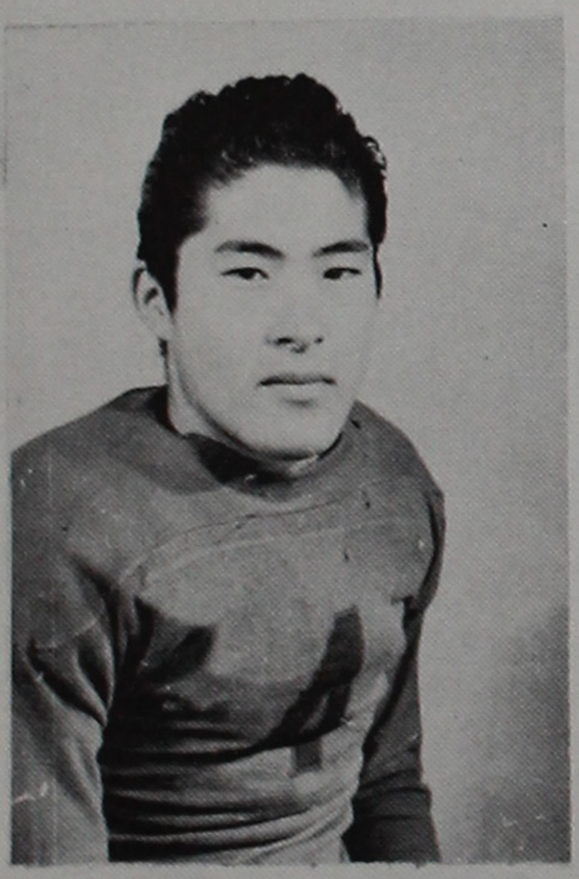


Shiro Teramoto
End

He was feared for his straight arm. Many players received his palm in their faces at one time or another. As General Patton would say his motto was"Forward to the goal-posts."

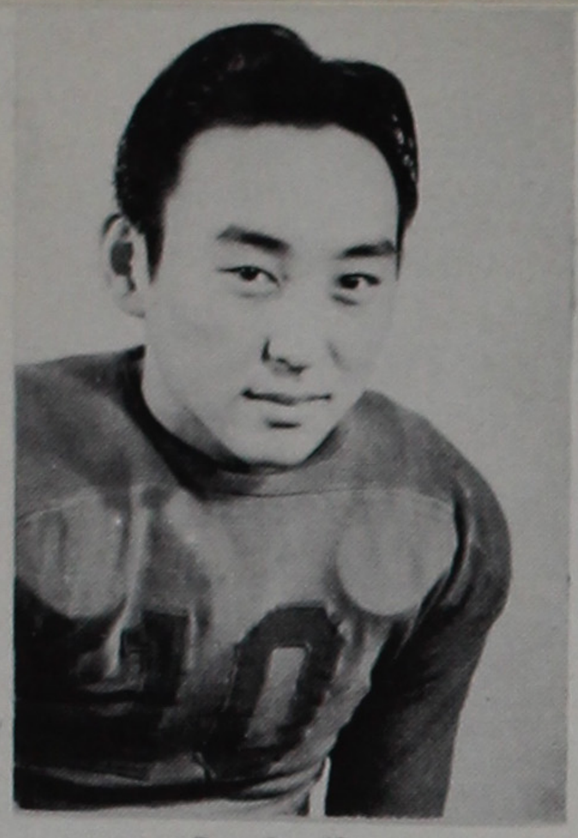


Poly Sumii
Left Half



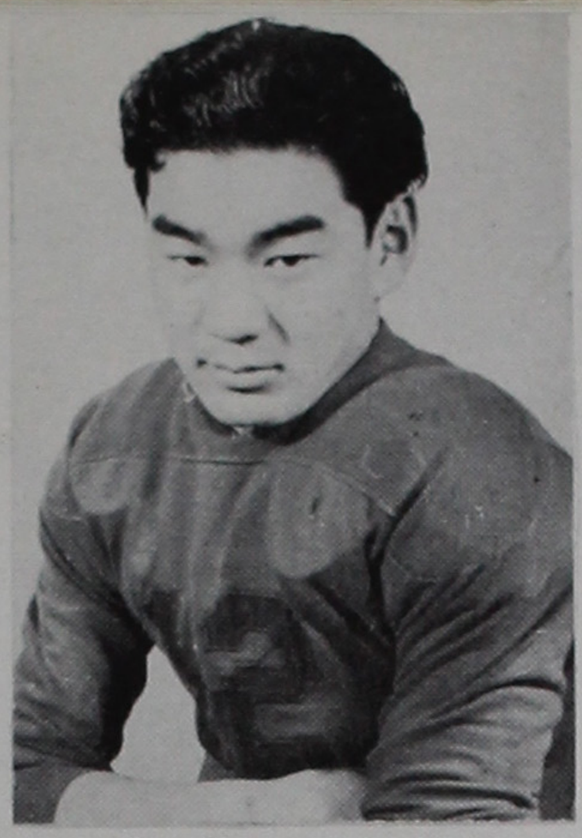
George Yahiro
Right Half
He's the leading ground gainer for the Eagles. Once in the open he was unstopable. He was full of guts and his opponents have learned to respect him on the field. He's called crazy legs.

Gunga Teramoto leaps and snags a touchdown pass.



Jack Funo
End

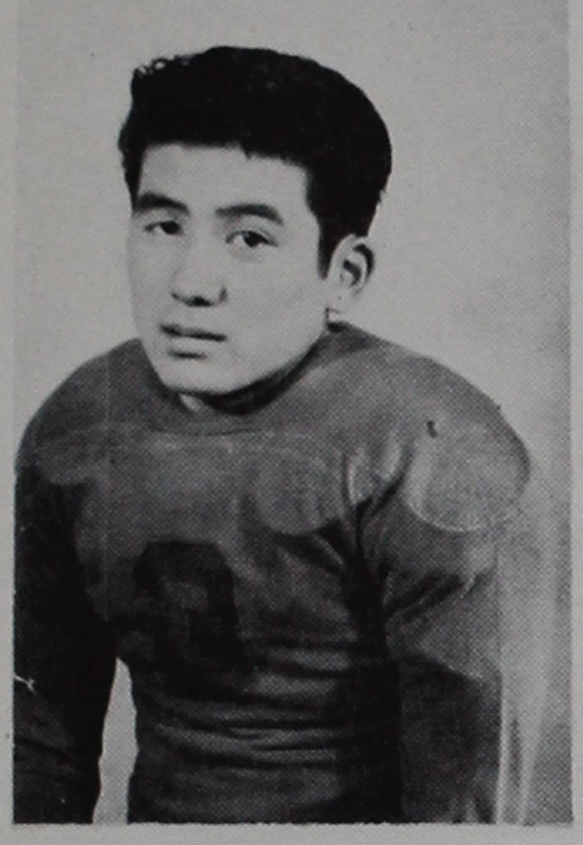
He was a tower of strength at the end position. His specialty was to knock down the oncoming interference on its seat. He was solid as a tree so he is called "Timber."



Junior Shimizu
Tackle

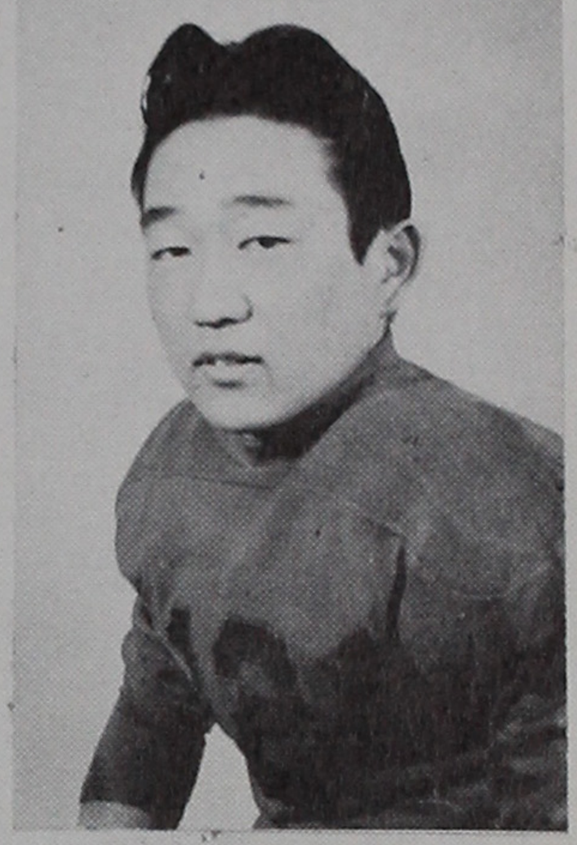
He was the Gibralter of the forward wall. He always tore the line to pieces with his savage blocking. On defense you can't move him unless you bring a HURRICANE.

Powerful and one of the quickest-thinking men on the team. On defense his side of the line is unpregnable. His quick thinking brought the Eagles out of the hole many times.



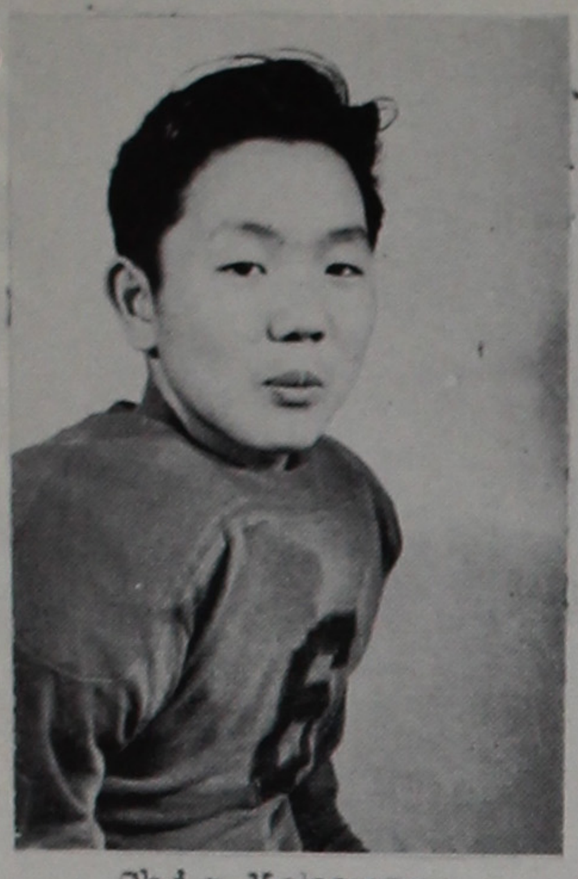
Sus Terasawa
Tackle

He made up for his weight by his cleverness and he was always thinking one step ahead of the man in front of him. He was outstanding against much bigger opposition.



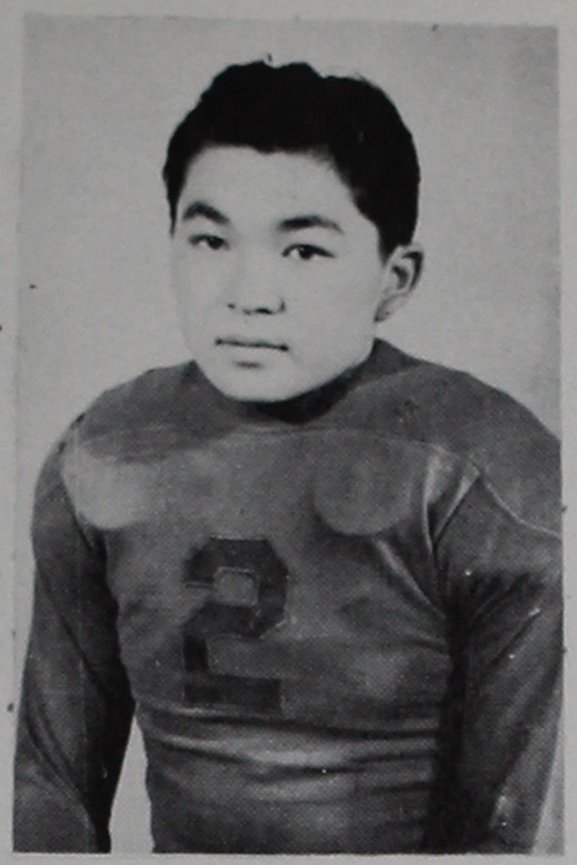
Teka Kutsuma
Guard

Min Horino of the All-Stars is knocked down hard by Sus Terasawa. Captain Hosozawa and Jack Funo coming in for the smear.



Shig Yokoyama
Left Half

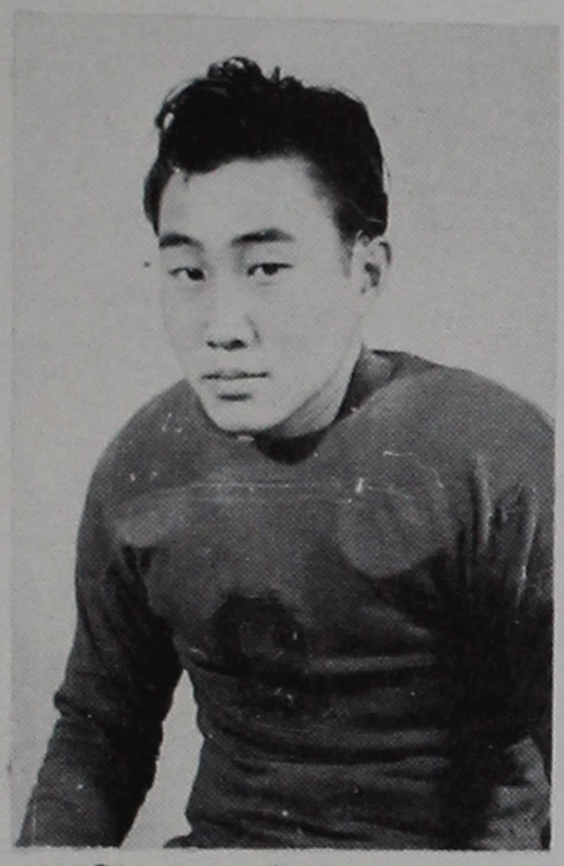
His smooth running gained many a yard for the Eagles. He is one of the fastest man on the team. He is still a sophomore and one of the most promising player, He is known for his "Smiles."



Norman Yasui
Fullback

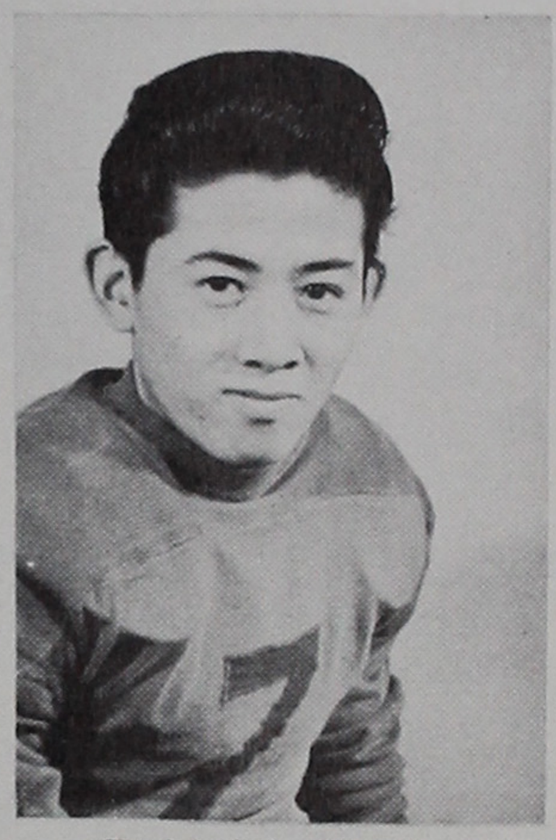
He was one of the largest man on the squad. Everytime he packed the mail he was good for considerable yardage. He is known as "Yongu" to his friends.

A little mite who could snag a pass anywhere near him. He was tricky and his opponents had a hard time trying to block him out. His friends call him "Sideburns."

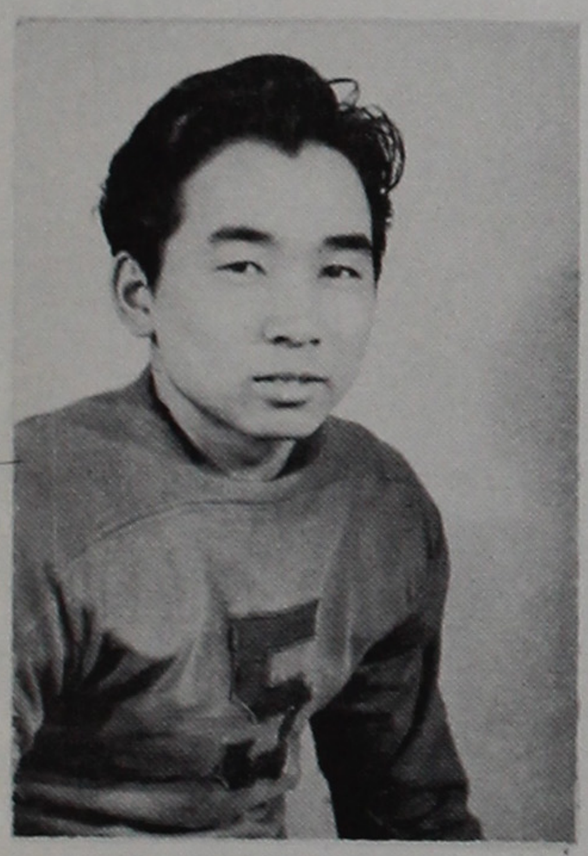


George Kawasawa
End

He always hula-hipped his way through the line. It was remarkable the way he slipped through the hands of his opponents. His accurate passing was strictly professional.



Keiichi Ikeda
Quarterback



Ham Miyamoto
Right Half

His specialty was to kick. He's the best punter on the team. His towering punts carried the ball from one end of the gridiron to the other.

Captain Mas Ogimachi makes a desperate attempt on Bob Pierce of Casper. Poly Sumii coming in for the kill.

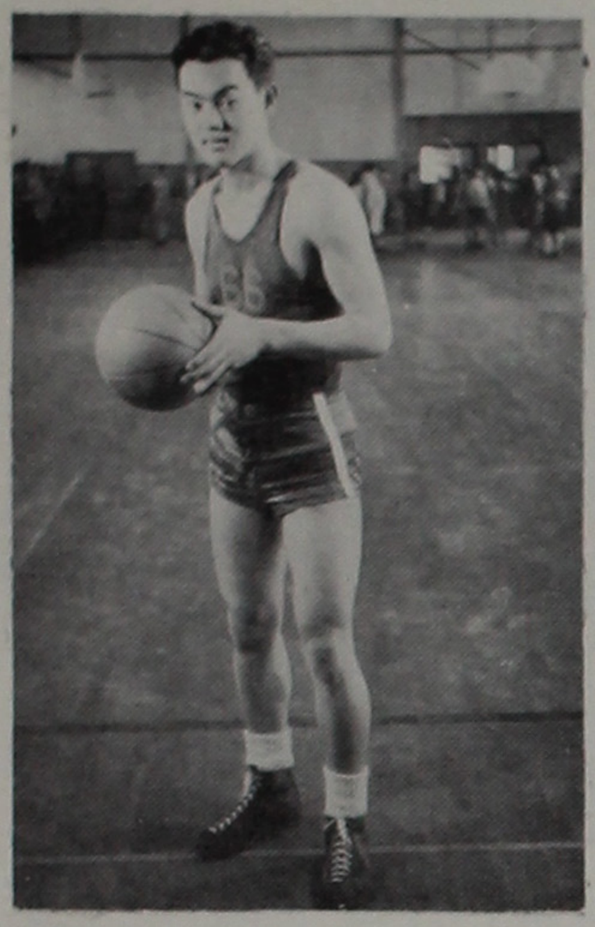
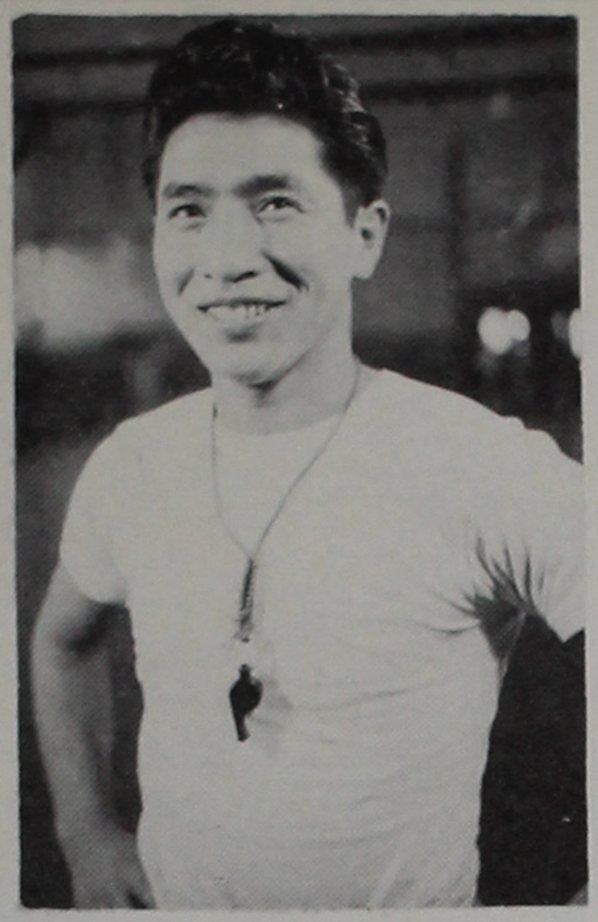
Spectacular shot of Mas Hamamoto out jumping Rawlin's Center.



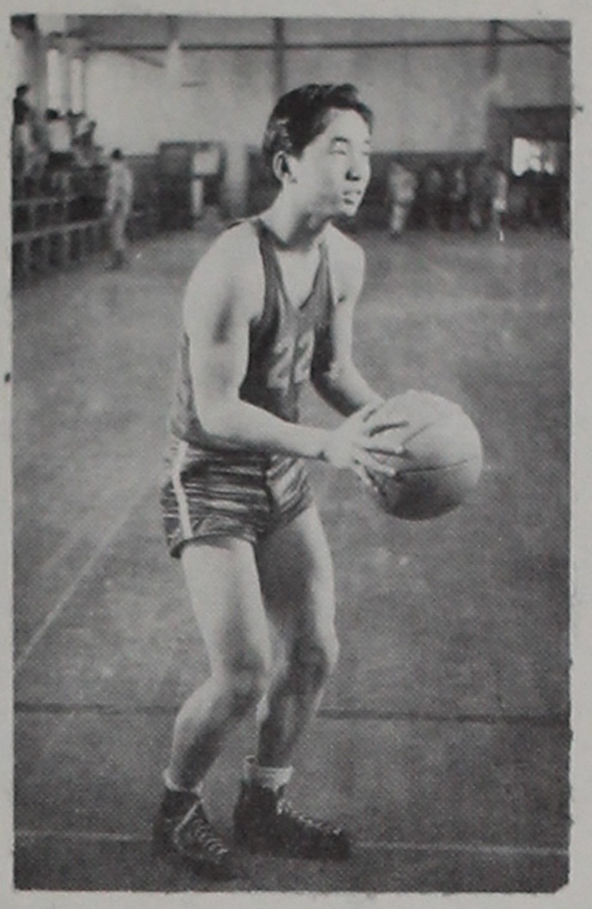
Capt. Mas Hamamoto
Center

Good-looking Mas Hamamoto shoots with uncanny accuracy. He's the most dependable player for the Eagles. He always feeds the ball when he could have made the basket.



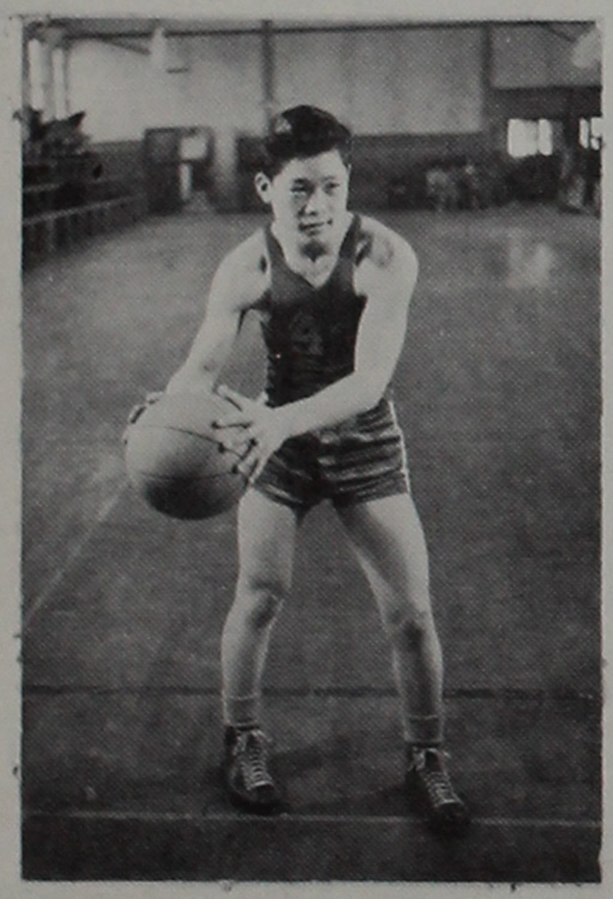
Coach Fuzzy Shimada

The Eagles could have gone much farther if they didn't play their opponents on their off days. Their fine showing can be attributed to the fine coaching of Fuzzy Shimada.



Ham Miyamoto
Forward

He's one of the coolest players on the team. His elusiveness on the maple court is uncanny. He is the most dependable man and he shoots with deadly accuracy with his 2 hand shot.



George Igawa
Forward

He was one of the reasons why the Eagles fast break clicked so good. He is tricky, fast, and a demon dribbler. He used his head when playing against taller opponents.

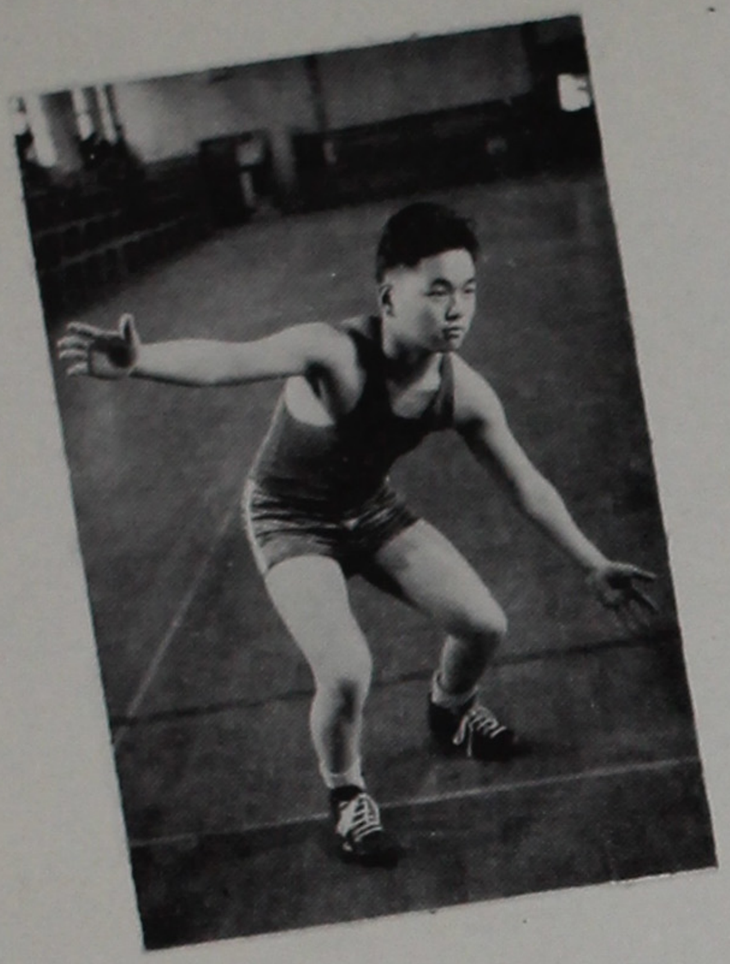
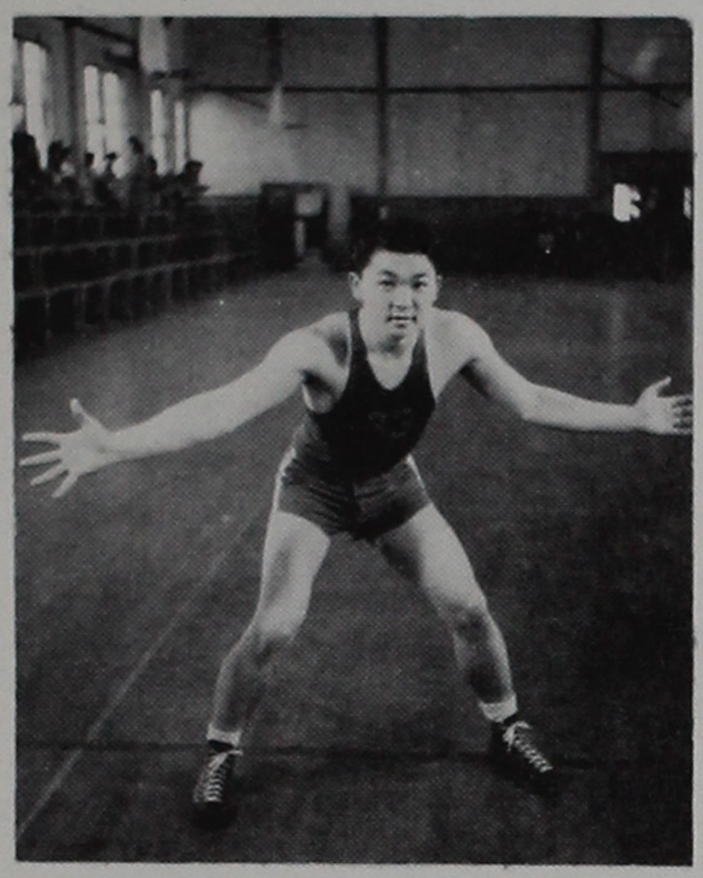
He never misses a one hand shot from the corner. He is one of the trickiest man on the team. His deceptive work always fools his opponents. He has lots of fight.



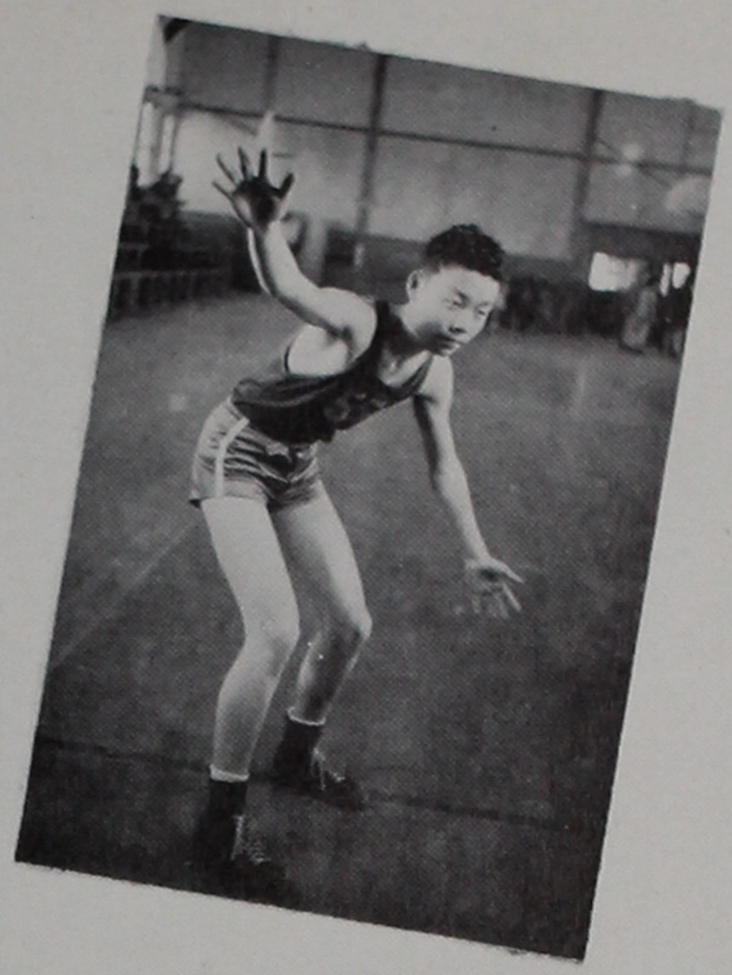
Henry Kawanami
Guard

Gremlin Kawanami is the shortest player on the varsity. He always stole the ball from his opponents. His short chopping piston legs made him one of the fastest men on the team.



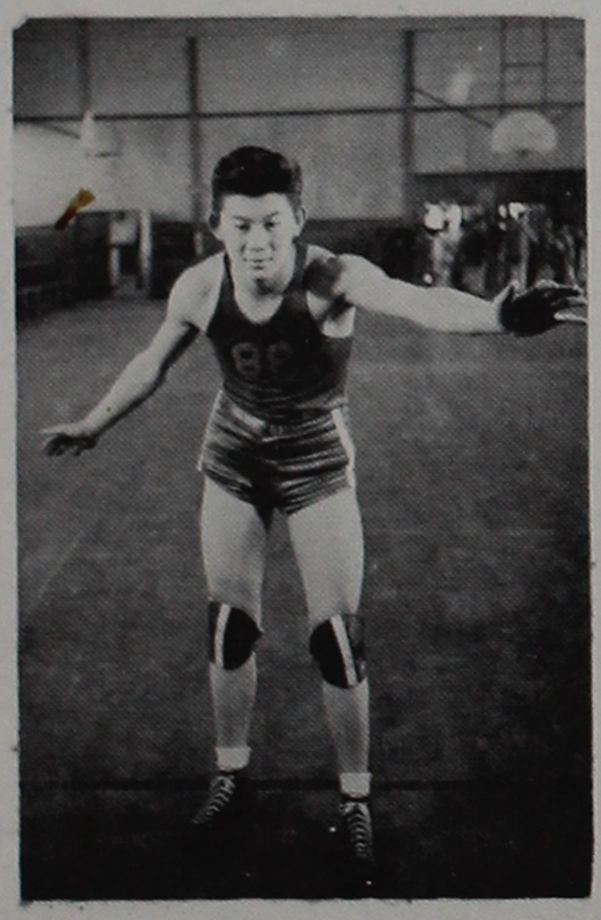
Norman Yasui
Guard

His flashy floor work and ball-handling made him one of the strongest guard to play for Ht. Mt. Hi. He hardly shoots in a game and he is always feeding the ball.



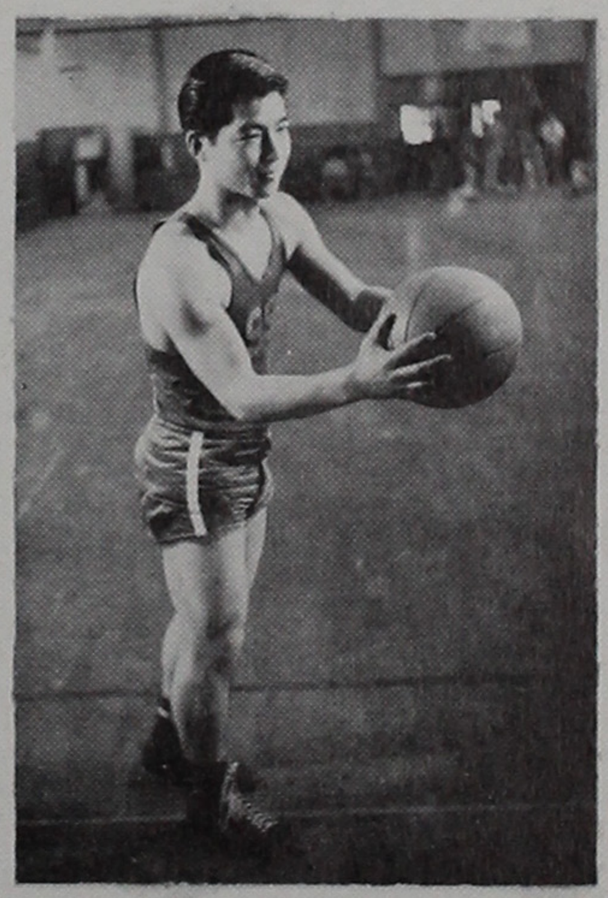
Wataru Takahashi
Guard

He was the tallest man on the squad with his towering 6' 2". The whole team had to rely on his backboard control, especially when playing against taller outside high schools



Dan Hirabayashi
Guard

This handsome lad is a coach's dream of a good defensive guard. He's aggresive, quick-minded, and a very smooth player. His one hand shot is a beauty to watch.



Tabo Shimizu
Guard

He was always too fast for the man who was guarding him. He would always shake himself loose and get in the clear. He rarely misses a set-up shot.

SIX MAN FOOTBALL

The members of the squad made their coach proud as the famous Talbot Rudolph spread formation clicked for many a score. It was his patience and his understanding which made the team one of the strongest in the state.

The Eagles met their first foe on Sept. 29. Playing the six-man game for the first time, the Eagles overcame the Byron team and came through with a 31-0 win.

The second encounter with the Burlington Greyhounds found the Eagles a little more accustomed to the game as they walked over the visitor 44-0. After failing to crack the strong Eagle line the Greyhounds kicked. The ball sailed to the 7-yard stripe where Yokayama caught it and raced 93 yards for a touchdown jaunt. In the third quarter, the Eagles started where they left off with Yokoyama tossing a touchdown pass and then carrying the ball over for another touchdown. Yokoyama's run was good for 21 yards.

The Cowley Jaguars brought the Eagles down to earth in their tilt, when the visitors tied the locals, 6-6, in the first quarter. After that the Eagles tore the Jaguar line to pieces and scored in every period. Kiyo Tomikawa scored four touchdowns against the Jaguars, while proving a tower of strength on defense. The final score was 46-6.

In an Armistice day feature the Eagles rolled over the Byron Eagles 46-0. The game was called to an end in the third quarter in compliance with the six-man football ruling that a game automatically ends when one team scores 45 or more points. Karl Miyahara sparked the local offensive with his running. Miyahara directly contributed to five of the Eagles' seven touchdowns.

Shig Yokoyama, fullback, was the early season star until injuries forced him to the bench. Kow Miyahata, a consistant performer at left half, was the dependable blocker on the squad. Karl Miyahara, fullback, was the mainstay of the team in the latter part of the campaign.

Dear "Missus Braska",

In years to come when I think of Heart Mt., I'll think of you, for you have certainly done much to make it a pleasant place. Heart Mt. without you certainly couldn't be the same! We've had so much fun together that I hate to see it end — dorm 12, PX, pool, Billings, hitch-hiking to Cody, and of course we must include school.

Here's wishing you the best of everything — and that Jack comes home very soon.

I want to ~~keep~~ in touch with you when we get "outside" so don't forget to write occasionally.

Luff,
Lorna
