Tule Lake War Relocation Project
Newell, California.

Dear Miss Nimura:

In reply to your letter of March 9, 1943 we wish to inform you that your father is presently at the Sharp Park Detention Camp, Sharp Park, California and your mail should be addressed to him at that place. It is permissible to send him the necessities which you mentioned in your letter.

Wednesday, March 17, 1943 has been set as the date for your father's hearing before the Alien Enemy Hearing Board. The matter will then be presented to the Attorney General, Washington, D. C., and pending his decision your father will be detained at Sharp Park.

Yours truly,

Apparently Hisa's father was quite vocal about being there and became known as a "troublemaker" so he was sent off to another camp after a hearing at Sharp Park Detention Camp, Sharp Park, Ca. His hearing was on Mar. 17, 1943 and he was sent on to Santa Fe, New Mexico. Hisa would not see him for a number of years. This left Hisa's Mom with the children at Tule Lake for most of their time there. *Note postcard from Hisa's Father.*

THE COURT BUILDING, SANTA FE, NEW MEXICO
 an example of New Mexico Territorial Architecture,
 which was introduced at the time of the American
 occupation. The interior, however, is a thoroughly modern
 office building, housing the Supreme Court of New Mexico,
 Law Library, Court Clerk, Attorney General and State
 Treasurer. It was completed in 1937, financed by the
 state with some help from PWA funds.
