

11 June 1945

Harling,

That man is here again. Sure do pray that this letter finds you and our little daughter in the best of health. Harling please take real good care of yourself and Milda. Sure do pray that you are feeling alright my dear.

Well now I thought that I'd take this chance this afternoon to write you. If I should get a chance to do so again this evening I will. We are going to our beer garden and watch some boxing matches to-night. The beer will all be on the house but don't worry my love cause his isn't a drinking man. The beer garden is just a few barracks away from ours and it isn't such a bad place. It sure has surprised me of all the fellows that can

2/
drink a great deal of beer. Now
please don't be ~~not~~ alarmed if
your hubby should have a
few beers when he comes home.

Now I guess I may be home
real soon and that soon may
be about Christmas if I'm
lucky. Gee I really am home
sick and sure would like to
be home with you and Aileen.
We hear a new rumor each
day around here and it some
times gets the best of one. I in
a way am lucky cause I
don't believe anything unless
I see it in black and white.
Now come what may as long
as you'll be waiting for me
and love me that is all
I ask.

Gee but it has been awfully
warm the past few days. It
really does get plenty cold in
the winter and in the summer
it really does get plenty hot.
In the evenings it is kinda cool

but it may get ~~warm~~^{warmer} about July. Gee then if we were together now we sure could have fun going to the beach and so forth. Gee I bet Yari would sure love all that and she would be so happy and everything. I really do hope that all this would end soon so that we all can be together soon again.

Imagine one year ago yesterday I was out of the R.C. and I was plenty happy. Something I know is going to happen one of these days and I'm either going to stay some where out here or come back to the States.

Now if I can't come back to the States than I wouldn't mind staying here for a few more months. Sure do hope and pray that they will start lowering the point soon or do something about it.

Well I guess after I finish writing this letter I'm going to shave and clean up a bit.

Well how I haven't done much to-day and yet I'm tired. The days used to go by a lot faster when we used to go out in the field each day. Well how I guess I've written enough for to-day and will write you soon again. Please write soon my dear. Please take the best care of yourself and Aileen. Be good.

Love you sweetheart.

always yours,
Hubby Alvin

Always Faithful to
You Mrs. Alvin E.
Love,
Al
