Darling,

Thanks ever so much for the two letters I received to-day. They were written on the 5th and sixth Nov. Gee I was just going to write you that I haven't received any letters from you the past few days. Thanks a million for writing so often Nov. Your letters are always welcomed my darling.

Gee Nov your kidney trouble may ~~become~~ develop into something serious. Please watch yourself Nov and don't over do anything. You really are precious to me and I don't want anything to happen to you. If it does get any worse I want you to see the doctor and find out Nov how really serious it is. Wonder what has caused your kidney trouble Nov? Well take care of yourself and take things easy.

Sure am glad to hear that Trudy and Ed are visiting at Heart Mt. Please give them my best regards. How long are they going to stay at Heart Mt. hon. Bet Mother sure was plenty happy to see them no doubt. I guess Yuri and Trudy are getting along fine by now eh? Sure wish that I can drop in and surprise you some day soon.

Yep! Yuri is my little girl friend. You both are my favorate ones hon. I love and miss you both with all my heart. Well I am hoping that I'll be able to hold you both in my arms one of these days hon. I love you and Yuri and need you both! I know that we all can get along nicely and have a good time together. Please tell Yuri that I love and miss her.

Hon please don't ask me if
I know where any place were
back in Calif. For I have for-
gotten most of the places. How-
ever I'll never forget about
your old home at the Hester
Hairy and on 17th street, 5th
street, and Hedding street, and
the different places you used
to work. All those places will
always be with me and I'll
never forget them. See hon I
wonder where we would of
been living to-day if all this
war had never started? I've
often wondered where we might
live after this war is all
over and I haven't decided
as yet. I hope that you'll
be thinking of the same thing
my dear. Right now I'm worried
as to when I'll be coming
home hon. I really thought
that I might come home soon
but things have changed
and we may be here for a

4/
long time. I don't know if
we will ever go to the C.B.I
but if we do I imagine we
will go via the states.

Darling I'll try my best to
send you a large picture soon.
Will answer your other letter
tomorrow hon. I'm going to close
for now. Good night my
darling. Please take the best
care of yourself and Aileen.
Love you sweetheart.

Always Faithful
To You Mrs. Alvin E.
Love,
Al

Always Yours.
