Dear Kii, North Portland, Oreg.

Your card of May 9, 1944 is received.
We all had Typhoid fever shots yester-
day. Wm was pretty sick then
Mama, Eva & Iyo. We'll be all
right by tonight. I did not have
to miss my duty. We'll get our
second shot next week. The army
doctors and city health officers were
here, and Dr. Wolf, you remember,
took care of our family. Josh
received a WPA slip for my
work. - my work is to keep 12 work
bins clean, 6 paper towel boxes
filled from 8 a.m. - 2 p.m. and that
is not much, I have no cooking
or washing dishes, so by 2 o'clock
you be with your family, your
wife will not be very much of a
cook, too bad! we get best of the
care, you have nothing to worry
In the morning we miss all stone &
back in the P.M. sun is warm and
we all go out for sun bath. We
think of you and pray for you
all the time that God will keep
you well both body and soul till
we meet again. Love, Tim
