Dear Kai -

Another Sunday, it rained all night, and has not stopped so far today, altho' it begins to look lighter, but we have been comfortable inside, have listened to some good radio programs, these radio services are wonderful for one who is in bed all the time as Chape is, he has some cold, so is not feeling quite so well, but is eating pretty good, and has put on some weight.

Last week we mailed affidavits from Lincoln High, Seattle Pacific College and the Dental College to your commanding Officer, we were so sorry there was so much delay in getting these papers, but could not get the picture, to affix to the Dental College one, sooner, everyplace is so short of help here, it is almost impossible to get any work done, I sent them airmail, so hope they have already arrived there. The registrar at the Dental College was very much interested, she said the F.B.I. had been there, she remembers you and expressed a wish that this situation might be satisfactorily cleared up, she was very kind.

I also sent Jew an affidavit for application for a re-hearing, as things are now, it is hard to know what would be best, but we will do all we can and then trust the Lord to work it out, I was so thankful that she signed up for the re-union, we do hope that you will be together again, I feel that

Willie, especially, needs you, but we do know it with all
work out for the best, we are always so thankful to see the
spirit of your letters, Ieno sent me a translation of your last
one written in Japanese, so let us keep up our faith and
courage, and continue to pray for each other, and for all
who are suffering because of these war conditions, so
many worse off than we are,

Chape, as usual, would like to write a word to you, if he
only could.

Sincerely,

Uncle Chape and Aunt Eva,

Mr. and Mrs. A. C. Goodenough.
