John Mulaney Baby J

This man should not have bought
Dane Chappelle or stage while
he was on tour several times!

Very specific

Talking about being
a kid. Just a little
guy angle

~~Is he doing a voice~~ ~~From Atlanta to Chicago~~
Immediately crying in an 11:30 in
the Mezz. Henry.

Music By David Byrne

I was determined not to lose the
interviewer for a chuckle

"When you're a cockhead, you feel the world
in terms of surfaces." also not a laugh
-52.22

"This story has 2 meanings, right -
now you know that, you don't use it to
start

Mulaney's Al Pacino sounds like Sachin

~~I~~ I was in Rehab during the time for
- wouldn't happen on my watch
Cullbrech

His voice is so transatlantic? US
High Chicago

Watch some Scorsese dialogue
is funny.

People think I'm on cocaine I bet.

Doing the John Mulaney voice in interview
of himself. But his whole career is contrast

Zombieland

Have I seen this or did the Rite
montage?

Part of a wave of insufferability

TEXT on screen (in the world)
montage (in relation?) ITS BEEN 2 MONTHS

He's got a great dorm room in the playhouse
in the playhouse, he mistakes the name
we in the area of the rules.

Zombies & The Zoo houses crisis

- the monkey
- poor rat

is this how my Dad
saw me & I?

mission impossible 1

Playing w/ Theorizing

ITS A DePalma

This old lens spot
is someone

John Woo
on Special effects

yes I do like DePalmas images

glasses so small you can't see a camera
in them! video — on the

Fan cruise is really in that old man
manner

He was set up! on a mole hunt — (B
They think my bond to mole — either
(fan cruise)

DePalmas Audio is SOO dynamic

POV Shots — previously ~~established~~
established
A Blood Soaked Plenary spy glasses

Disk — 230 MB

The plot of this is BORN notice/
Burned SPY Bourne Identity

I don't like DePalma But when he
puts the HITS — NO MUSIC FOR THE
20 mins then perfect Deployment of
Theme song

mission impossible 2

Basically a middle episode of
mission impossible so far — John Woo
x (Hunt) ^{Michael} Mann

in the John Woo style drama
of this where anyone could be
A super realistic high of anyone
else — spy must be super cool

M I I I I

Wong Shit is Philip Seymour Hoffman
Oh no ITS A JJ Abrams
good lord look @ that contrast
~~ratio~~ ratio

We want a cerebral story & Ch, huh

you can barely see the flow for an re
less dramatic (the Flare)

you can tell this just a TV Director
Big Heads

Only JJ needed the Mash Tech
on the spot 3D print tech

This is the sort of thing BHS got
I was expecting from one of these

— I can get into high R/Y/NY working
and politeness magnifying in real &
orange. I can waste through JJ's style
if it feels like Prosa Paper

Love WUR & LUB 5

This is like me & the y-ga clan

These ASSAULT want him to with a
girl child so to save face for

The Y clan?

Princess
Hannacro

Best date scenario
of your guys are?

or by using wolf

You save enough race

by using the wolf

Recover the letter

That implicates the guy

in terms of duplications

Make a BISOT

— A Juggler!

"I'm not asking you for
help & I'm not asking you
for a name?

Bagel
hat

This guy w/ a B&H on his head wears a
thermos!

The Reveal of the B&H!

A woman may be in there

John Rawlins has a hot date w/
Patty Pata, who was adamant
to be Bob or the Phil that
was not gonna work, but here we
are. At night

Jump cuts more relevant
in film B/C film breaks?

Falk - rich
Jana - Mabel

She is warm tight

almost immediately goes out to
a bar & makes Pro's

Heard in times goth

I know
You know

Doesn't seem to

Recognize person

Oppos again
Spaghetti but
it's a team

SPENT

She came on
strong but is
Now Fall out
Punch, fight just
A we seem to go?

more Spaced out
But in another room?

argue or talk to workers is gone
enough spades for you re working
& sic's desperation, trying to learn new
moves.

Sic's holding out "What's your name" &
"How are you" in a weird loose way.
Falls is re trying at this point

Cassavetes can focus & they see
its fun when one guy knows a little more
But when Mabel wants to dance re like
changes.
Lwl falls away

L B/C rich. Rich tells us to sit
feather.

"Tell me how you want me to be & PSH. I can
be that. I can be anything

Leaves from TV factual studies like / twice
Don't like her anymore
mugging to a camera
that isn't us

Talking to her kids at an
work ~~for~~ but ~~she's~~

She can't enjoy it she needs
them to reassure her
she understands
that its not
working but not
why.

Its not as if I'm cheating you try &
Bring someone into Berg your friend
Plus think you're going over there

rich can have & his daughter ~~that~~ have
my clothes & re kids has my one ~~looking~~
at re now so he slapped Mabel & brought
re over.

He's gonna have her committed
B/C he got in a fight

everybody else is so grounded & sic's
almost trying to say.

Mother-in-law accuses her of being anti
white

Psychotic Break or meltdown
Falls argues w/ a guy who didn't say nothing.
to the guy. Eddie, Falls & Bernice are all there

Suddenly things into Berg "re father"
Falls its to let me say anything his way.
Mainly going to re Beach.

Then drinking Beer w/ re kids
in re Beach at a truck.

If any one should be committed, its rich

Christ - you put me in this environment where
you're always supposed to say one thing
& do another & anything you do is wrong
I'd go crazy too.

Can't rich.
rich basically does.

At an Day reach her Hospital side
was no emotions during carrying
Picking up her
hospital

Her father only
eaten sugar for
6 months 1 Bet

ITS not her fault the worlds not cut out
for her.

With times to rep her back up But.

When just taking re and bananas etc
at the banana splits.

With wants her to "be with" but
when she tries she gets her down
oh so much frustration

whole lives.

Wanted Bergman makes a movie

A crucial part of Swedish film making
is what so as like the Blow or a
car there?

He talks about himself as
a control person but also almost
in service to the world, helping
them through the way he sees them.
Do do the movie he wrote.

Is there no way to advance the film
frame by frame & the moments
within

2 it on move next
The film is a film with it
insects the audience

There's a interview with on film
B/C Doc uses to be a critic
& Berg was looking at
criticism — Doc says critics
are looking

"re-seign" ? in the scene in
peer but for a Ben wants her
~~they are~~ they're nice to me, they
are not.

Wyd Sisters Carver WYRD SISTERS

— goes, lots of search the car quality
B/C the car appears in A. UPSide

known past posed, 10. Paved

There's four sets for me — sort of western
says.

Is this right?

All the bits you remember from the book
w/ absolutely no air between them
