

The notebook cover has a dark, textured background with a blue and black color scheme. A large, bright yellow and orange campfire is the central illustration. Above the campfire, the words "FIELD NOTES" are printed in a bold, yellow, sans-serif font. The word "FIELD" is partially obscured by a white, torn paper effect. Below "FIELD NOTES", the text "Cinema 6.2" is written in a white, handwritten-style script. At the bottom of the cover, there is a small block of text in a yellow, sans-serif font.

NIGHT

Few situations in life are more amenable to community than sitting around a **CRACKLING CAMPFIRE**. Everyone looks better with light dancing on their faces. Every **GHOST STORY** is scarier with eerie darkness encroaching on a safe circle of firelight. Even off-key singing and mediocre guitar strumming sounds pretty good as **COWBOY CHORDS** rise toward the stars, along with the fire's sparking embers. Enjoy!
