The Haunted Notebook, The Cursed
Notebook

The Asian man (Spanish?)
Across the aisle
who BOOED A
woman out of
her seat like
it was reserved
is now being interrogated
by the conductor.

He bought a ticket
for a different train
line. The conductor
is very SACROSANCT (waggled finger, TSK TSK, Tsk Tsk)
and they are now not literary!
being charged 50 cents.

The business is now being
conducted by a different
conductor who speaks Spanish.
This one seems more accommodating.
The men are very humble now.

The first conductor, when he
discovered the crime, waggled his
finger & said TSK TSK. Before coming
to Europe I thought that
action was purely literary

Signature is simply signature in French

moral: making a woman move from her
seat on an otherwise empty
traincar is 45100 crime

Why does every large touring downtown
become a near mall of luxury trash,
I don't want to every other large European
city? Tourists come and spend the money
with money, and capitalism does the
rest. Does tourism exist under
communism? People should see great works
of art, but if there is no balance, no
effort, new art will stagnate & old
art will die. I'll have to ask
where Michel (Are she & Casper not a thing?)

Amsterdam has great branding

X	simple
X	easy to draw
X	two colors (Red or Black)

easy to print on shirt, highly graphic.
But Michel is not so clear. There's the
heart thing, but that looks new, not
or the men is. O.P. It's all the off
cast of Am.

If you go to Amsterdam - stay over

Another strange occurrence:

A man was hiding between the
seats. I first noticed his sneaking
when I thought he belonged to a regular
passenger instead of a wilder
French man in a leather jacket on his way
to Lille. keeps a ~~close~~ lookout for
the 'control' (conductor) because his wife
ran out. (A credit card he showed me) he says
a lot of stuff I don't understand when
might be false in 5 languages
showed me pictures of him with a
dog "this is my brother." He says "Goulger" is
a different dog is his sister, his grand
mother a snake. He keeps touching
his hair & looking in the mirror.
V Clear. OR could be really a problem.
This is the last thing so be sure such.
I can't let him stay w/ me.
He left to smoke a cigarette (he
doesn't have a light) and came back
just in front of a control

I Really Should Have Learned French at some Point. I feel like it would be Really very useful. Not so much Dutch. Dutch is very Specializing But it would be good to know there. (Belgium) It feels like I've gone to China or something, But almost everyone speaks perfect english. In Amsterdam + shop keeper with a giant orange cat spoke as if from (California). But somewhere in Brussels at least waiters just wear normal clothes. Not very confusing and I've def seen the side-eye to people (Mos) who have been brought in + drink or food.

Satchels are Huge, as are patches on clothing.

How do people even learn english? It's so ~~so~~ complex! Do they have 5 languages in school?

Brussels is like the Borgello in that it's old, and full of neat stuff, but none of it blockbuster. I suppose they have the Pissing boy (mannekin pin) and the 1956 expo grounds - but these feel more like remnants of glory than tourist attractions. They should legalize weed or coke or prostitution like Amsterdam.

PREGHIERA ALLA VERGINE ANNUNZIATA

Ti ringraziamo, o SS.ma Annunziata, Santa Madre di Dio, per la tua umiltà, verginità e obbedienza. Mediante la tua disponibilità alla volontà di Dio, rispondendo con il tuo «sì» generoso, hai dato all'umanità il Redentore e Salvatore.

Tu sei nostra Madre, nostra Avvocata presso il divin Figlio; ora sei Regina gloriosa nel cielo e sempre intercedi per noi peccatori.

Ti ringraziamo per tutti gli aiuti che hai accordato ai fedeli che si rivolgono a Te, in questo sacro luogo di preghiera e davanti a questa sacra immagine. Grazie per il soccorso concesso a coloro che soffrono nello spirito e nel corpo. Grazie per la luce che hai fatto risplendere nella mente dei peccatori e di quelli che avevano smarrito la via della virtù e della verità.

Ti preghiamo ancora di non abbandonarci mai nelle necessità dello spirito e del corpo. Intercedi sempre per noi, Tu che sei potente presso il Figlio Gesù che vive e regna con Dio Padre, nell'unità dello Spirito Santo, per tutti i secoli dei secoli. Amen.
