Jonah: Exegetical ¹⁰ TEXT

Diagetic (Diageesis) ^{thinking of} a larger world

Jonah took me to a Hallowed nightmare
landscape so we could do what a field study
thing. I'm taking notes too B/C they're not
a lot else to do.

It's a large cleared ~~field~~ field, the little
pine trees are like w/ yrs old
A lot of Burned trees, Blackened & cool
& (blackened) Brambles but dry, like the waves
Doesn't drain right. It's now so it's cold, &
The wheat grass is tundra dry

I can hear a prop plane, the highway
& the train sometimes, it smells like cold
dirt. I don't recognize any of the plants
or animals really. It's strange being somewhere
so visually similar to home but all the plants
& bugs are different.

The landscape is brown, with touches of
cold grey-green & dirt where blackberry
hedges have dried up. Looming tallest are
overturned gnarled, bleached by time & fire
their twisted roots grasping at the sky as if
it, despite all evidence, this time the ground will
connect with a cloud & the old giant will
right itself & grow once more. Above the
all is heard the hum of machines, the ^{their} cars
of cars being delivered to the plant, a
Reminder of humanity's destruction of the
natural world while sitting in a clear-cut
field. Cold grey snow.

Oh why did you

(Do Do Do Doo)

why did you
Have to go and
make me so mad
Didn't you know

I would go

Oh Oh Oh

Sometimes is not

But it is when
I'm w/ you

Don't you now

Darling

I'll always

Love you

I won't go sad

I leave me

I don't know why

and then choose to
stay,

why do you choose
to leave me
